Sadalelwa ukuzala izithelo. Uma uqhubeka nokufunda uyobona ukuthi lezizithelo zisinika konke esikufunayo empilweni nakuNkulunkulu (2 NgokukaPetru 1:3). Loku akusinje engikufunde ezwini lika Nkulunkulu, kepha ngengikufunde kuye lapho sengiphelelwe yilo lonke ithemba, lokhu kwangenza ngathela izithelo ngaphila nalempilo uJesu asethembisa yona. UJesu uyakhazimulisa uma sithela izithelo (NgokukaJohane 15:8).

Lesibalo esichazwayo kuyinto eyayilungiselelwe nguNkulunkulu. Sifisha isikhathi.

Lencwadi iyisibusiso kubangane bami bempela ababili, uJesu nonkosikazi wami omuhle kuNkulunkulu, uCarol, yena ongikhuthaze iminyaka ngeminyaka ukuba ngibhale lezi zifundo, ezigcine zahlangana zenza lencwadi. Ngiyababonga nabangane beISOB mhlabawonke laba, ukusuka ngo 1998, abafundisa ngalezizifundo bangikhuthaza ngalomsebenzi wesithelo.

PHAMBILI, NGU DAVE MORE

“Ungajahi, uNkulunkulu uzokuhambela ngaphambli, uNkulunkulu ka Israeli uzokulinda nangasemva.” - Isaya 52:12

Kucaca kancono kunakucala, ukuthi uNkulunkulu usibizele ukuba sakhe abafundi.

Umbuzo ocacile yilo, lapho sisindisiwe sanikezwa ivangeli kufanele senzeni? Silandele isibonelo uJesu asishiyele sona, sakhe abafundi, sizinikele kubo!

Sibathathe kusukela ekuphendukeni kwabo sibasize babe yisibonelo sikaKrestu, bazinikele, bazimisele, ngamandla nokuthela izithelo. Lababafundi bazokhona ukwenza okufanayo nakwabanye. Lenqubo ibaletha empilweni egcwalisiwe yokusindiswa namandla okuvuswa kuka Jesu Krestu ngumoya oyingcwele. Uma siqhubekela phambili sibafundise ukuveza onke amagumbi ezimpilo zabo phambi kuka Nkulunkulu, bazinikele bazidele Kuye.Yilobu “Buhlobo obufunekayo.” Bese sibasiza bangene ohlotsheni lwempilo yemihlangemihla kaNkulunkulu. Uhlobo lwempilo olufuna ubukhona bukaNkunkulu mihlayonke. Emva kokufundisa ngo “Khula noma Yifa” kubafundisi nabagcotshwa eAfrika yonkana. Ngazi ukuthi lesifundo sigcotshelwe ukufundisa iqiniso ngezwi leNkosi. Asikhulumeli izwi leNkosi. Singabaholi ezwini eliholela ekubeni ngu “Makhi Bafundi”. Silandela umyalo nesibonelo uJesu asishiyela sona. “Hambani nakhe abafundi kuzo zonke izizwe”(NgokukaMathewu 28:19), ngakho silungisa umakoti uKrestu eseza! Nake nakubonaphi umkhwenyana elungisa umakoti? Umakoti kufanele azilungise yena. Baningi abafundisi abangibuza bathi “yini okwedlula ukuletha umuntu kuKrestu?” Ngiphendule ngokuthi “ukunaka ukuthi lowomuntu uyakhula abe ngumfundsi oqotho oholela omunye ku Krestu....njalo....njalo...njalo!” Ukuze umzimba kaKrestu uphelele” (KwabaseEfesu 4:12).

Lomthandazo uphezu kwabo bonke abafunda lencwadi.

Ukunqoba. Siyabonga, Nkosi Jesu Krestu, lokukunqoba osithembisa khona empilweni namhla naphakade.

Uke wazithola ungenanhoso futhi ungenathemba?

Uke wazimangala kwangathi uyinyoni noma (igundane) elibanje esithiyweni noma kunoxhaka, lapho kungekho ongakwenza? Uke wazibuza ukuthi ngabe uNkulunkulu ufunani kuwe noma ufunu wenze njani kulempilo? Uke ucabange ukuthi ngelinye ilanga uzokufa uye ezulwini, kepha ufikelwe ukucabanga ukuthi ngabe uNkulunkulu ukuyekile ukuba uzenzele indlela wena manje lapha kulempilo. Uma kunjalo nakhu okukufanele. Ngisho nabakholwa kuJesu bayake bazizwe njalo esikhathini esiningi.

Kwesinye isikhathi ukuzama ukuzenzela impilo ibe kahle kuba inhloso yethu. Komama kusho ukukhulisa abantwana ngendlela kaNkulunkulu, ukubondla nokubanakekela. Kunkosikazi kusho ukukholisana nomyeni wakhe nokuhlangabezana nezidingo zomyeni okuletha isiciniseko empilweni, nobuhlobo beqiniso emshadweni. Endodeni okujwayelekile ukuthi izame ukunelisa umndeni wayo futhi ibaluleke empilweni; ifuna ukunconya. Kumunt'omusha wukufuna indawo yakhe empilweni, emsebenzini nasemshadweni. Imvama kuba yinhloso yokuba sikhone ukunqoba izinkinga empilweni zethu. Noma kanjani, umasiphumelela asipheleli lapho, kepha uma sihluleka sizizwa sidumele futhi siphelelwe nayithemba.

Yini impendulo? Vuma uJesu ngokuphele!

Uma sinjengakwabase Galathiya 2:20 othi, sabethelwa noKrestu, uKrestu uphila impilo yakhe kithi, ngakho ngeke sazizwa sikahle ngaphandle kokuthi inhloso kaNkulunkulu kube yinhloso yethu.

Ukumvuma ngokuphelele, nokumcela ukuba enze inhloso Yakhe kubeyinhloso yakho, yikho kuphela okuletha ukuthula empilweni yakho. Ibhayibheli lithi inhloso Yakhe kuwe iphelelisiwe, yapheleliswa yabekwa ngaphambi kwesiqalo somhlaba. Kunenhloso elungiselelwe impilo yakho. Ukufuna uphelele uthole okudingayo, empilweni, emizweni nasemoyeni.

Thola isifundo esisebenzini sika Abrahama.

Zonke izidingo zalesisisebenzi zafezwa nguBaba ngoba isisebenzi sasimlalela futhi sivumelana naye.

Bheka uGenesise 24. UAbrahama (umele uBaba) uthumela isisebenzi (simele umoya oyingcwele - ohlala kuwe nakimi) ukuyofuna umakoti wendodana ulsaka (umele uJesu).

UGenesise 24:4-9 uthi, “kepha uzokuya ezweni lakithi nasezihlotsheni zami, utholele indodana yami ulsaka umfazi.”

Ufanele ufunde wonke lomlando kuGenesise 24. Isisebenzi sathola uRebeka, yena owaphuzisa amakamela aso amanzi abese esipha naso lapho sifika kuye. Lokhu kwenzeka “ngaphambi kokuba siqedele ukukhuluma” (24:15). Enika uNkulunkulu “ucu,” ngaphambi kokuba isisebenzi shisho ngezwi, uRebeka uyavela umukela isisebenzi uthatha ucu.

Fanele sazi ukuthi ngesinjani lesisisebenzi uBaba asithuma ukuyofuna umakoti.

“Wathi enduneni enkulu kuzisebenzi zomuzi wakhe, kuleyo ebheke konke anakho, ‘faka isandla sakho phansi kwamathanga ami’ ” (Genesise 24:2).

Qhaphela, uBaba akathumanga noma wubani ezisebenzini, uthumele lesosisebenzi esibheke konke anakho.

NgokukaMathewu 24 lapho kusitshela ngesinye isisebenzi esasibekwe ukubheka konke anakho. Ake sibone ukuthi yini esizoyifunda ngaso. NgokukaMathewu 24:42-51 yisibonelo.

Okokuqala,lesisisebenzi sasilungele ukuhlangana neNkosi yaso. Loku akusho ukuthi sifanele ukuhlala sizilungiselele ukubuya kuka Jesu emhlabeni ngelinye ilanga, kodwa, kepha ukuthi “abuye” manje, kulempilo, ukuze abone ukuthi sithembeke kangakanani kulokhu esinako manje.

Lesisisebenzi sasithembekile. Ukuthembeka kuNkulunkulu ezintweni ezincane kubalulekile kulempilo. uNkulunkulu ufunu ukubona ukuthi siyiphila kanjani impilo mihla yonke. uNkulunkulu angeke asinika okukhulu engakaboni ukuthi siphatha njani loko okuncane esinakho. Sifanele ukuthembeka kwasikwenzayo nesikuphilayo ngokomoya.

Lesisisebenzi sasingumuphi wempela. Sasibheke nezinye izisebenzi. NgokukaMathewu 24:46 uthi, “kuyokuba kahle esisebenzini esitholakala senza kahle lapho umniniso ebuya”.

Lesisisebenzi sasingahluphi ezinye izisebenzi.

Lesisisebenzi sasingaphili njengabangakhholwa.

Lesisebenzi sasihlakaniphile. Ngokujwayelekile, loku akusho ukuhlakaniphile kwasemhlabeni, kodwa okukaNkulunkulu. 1-KwabaseKorinte 2:6-8 uthi “sibikezelwa ngombiko wokuhlakaniphile kwabavuthiweyo, kepha kungesiko ukuhlakaniphile kwalesisikhathi noma kwababusi bamanje, abayophelela ezeni.

Qha, sikhulumu ngemfihlo kaNkulunkulu, ukuhlakanipha okwafihlwa, uNkulunkulu akulungiselele umusa kithi ngaphambi kokuqala kwesikhathi. Akekho kubabusi bamanje okukholwayo, ngokuba ngabe bakholwa, ngabe abayibethelanga iNkosi yomusa”.

Ukuhlakanipha, njengoba kuchazwa kuZaga, ngo Jesu ekhuluma umbiko wakhe kuwe.

Izaga 4:5-9 zithi, "Hlakanipha! Yiba nolwazi! Ungakhohlwa, noma uqhezuke emazwini omlomo wami. Ungawalahli, azokonga; Wathande, azokonga, Ukuhlakanipha kuyinhloko; Ngako-ke hlakanipha. Kuko konke ongakuthola, thola ukuhlakanipha. Kudumise, futhi kuzophakamisa; Kuzokulethela udumo, uma unakho. Kuzokuthwesa ekhanda lakho umhlobiso womusa, Kuyokunika umqhele wenkazimulo".

Uma usukholwa ngeqiniso ukuthi "uhlelo lomhlabo" nokwenza kwakho akukuniki themba, ngakho ungofanewo wukuhlakanipha. Uma uwela kulesisigaba, phakamisa ikhanda lakho ngethemba, ngoba ungofanewo ukungenelwa ngamandla amakhulu omusa kaNkulunkulu.

Ingaba nzima impilo, kepha ingaphilwa ngokunqoba uma sibheka kuJesu mihla yonke.

Abantu, ongqongqoshe, abangane, ngisho nezinkonzo zingasiphoxa, kepha uJesu angeke. KubaHeberu 2:8b-9 uthi sibona zonke izinto zingaphelele manje, kepha sibona uJesu owasinambithela ukufa. Uma siqala ukubona ukuthi uJesu wasenzelani nokuthi ungubani, siqala ukumthanda.

Uma siqala ukumthanda, siqala ukwaneliswa nokwazi ukuthi lokhu esikuphilayo kuyinhloso Yakhe, futhi lokho kuyamjabulisa.

Okuhle wukuthi lapho sisahamba kulesosigaba, sibheke njalo kuJesu mihlayonke, konke esikwenzayo sikwenzela Yena, singena ezilingweni ngoJesu, sisebenzela uJesu. Lapho amehlo ethu eKuye, Ungumklomelo wethu. Akufanelanga silwe ukutshintsha impilo zethu, noma ukwanelisa izidingo zethu, noma ngokusebenzela iNkosi. Kufanele sibheke Yena sibe munye Naye sihlanganyele Naye. Sibona "umusa omangalisayo" weNkosi usihambela ngaphambili. Ngikutshela ngengikwaziyo, loku kwenza ngisho izikhathi ezinzima zibemnandi.

Manje sifanele sifunde ukuthi uBaba wayesiphatha kanjani isisebenzi, nokuthi yini esingakulinda kuNkulunkulu.

Ngibona uBaba avumela isisebenzi ukuveza izithelo ngendlela ezintathu:

1.*Isithelo sika moyo.* Lesisisebenzi sakhula esimeni sobuNkulunkulu.

2.*Isithelo sokwaneliswa kuzidingo zaso.* Bheka ku Genesise 24:10 ukuthi uBaba unika isisebenzi konke esikudinga kulelo hambo, hhayi kuphela amakamela ayishumi, kepha zonke izidingo zohambo.

3.*Isithelo sobuphathi.* Lesisisebenzi sakhana ukunelisa uBaba neNdodana ngokuletha umakoti ekhaya.

Yilena ndlela uNkulunkulu angcweliswa ngayo kuphinde kube yileso sikhathi izidingo zethu zaneliswa. "Ngalokho uBaba uyangcweliswa, ukuthi nithela izithelo; kanjalo niyakuba ngabafundi bami"(NgokukaJohane 15:8).UNkulunkulu uyangcweliswa uma nithela izithelo ngoba kungamandla Akhe nezwi Lakhe okwenza nithele izithelo. Izithelo yiyona ndlela yoqobo uNkulunkulu ayicabanga yokondla abantwana bakhe. Izithelo empilweni yethu ziletha lokho uNkulunkulu angakwenza, hhayi lokhu esingakwenza ngosizo Lwakhe.

Uma ngokuphelele sizinikela kuJesu, Yena uletha izimpilo zethu eMbusweni kaNkulunkulu.

NgokukaMathewu 16:-17 kusitshela ngokuthi singaphila kanjani eMbusweni kaNkulunkulu.

Ku 16:21 uJesu utshela abafundi bakhe ngokufa nokuvuka kwakhe. Loku kuvisiphambano Sakhe. Sizobheka kakhulu esiphambanweni sakhe nasegazini lesivumelwano ukuthi loku kumele ini.

Bese kuthi ku 16:24-26 uJesu uthi kufanele sithwale isiphambano sethu. Leso yisiphambano sethu, Sizobheka kakhulu ekuthwaleni esethu isiphambano ngoba kudinga abantu ababili ekwahluleleni ngegazi ukuze kuqinise isivumelwano.

Bese kuthi ku 16:28 uJesu utshela abafundi bakhe ukuthi abanye bazowubona lombuso khona manje besengakangeni ekufeni.

Ku-NgokukaMathewu 17 uJesu wakhazimuliswa wabonakala esenkazimulweni yengomuso kubafundi bakhe. Emva kwengxogxo ngo Eliya noMose nokwakha umuzi khona lapho ukuze bahlale bangcwele, uNkululnkulu wakhulumwa eseuzlwini wathi, "Lona uyindodana Yami, engithokozayo Ngayo."

Umasibona isiphambano sakhe, besesithatha isiphambano sethu, sizombona uJesu sizwe nezwi lakhe, elizohlanyeleka enhliziyweni zethu namandla nembewu ephilayo eyoveza izulu emhlabeni.

Usuphelelwe ngamandla ngokwenele?

Kungani abanigi benze ubuKrestu bube nzima? Kungani babebancane abahamba lendlela yoMbuso bese bababaningi abaduka bengaboni lesimanga sombuso? Kungani kubenzima kwesinye isikhathi ukubonisa amaKrestu noma yini abangayenza ukuze baqondane noJesu, ukuthi bathathe isiphambano sabo, ukuthi bezwe izwi, nokuthi balithembe ukuthi lizokwenza umsebenzi kaNkulunkulu empilweni zabo nasembusweni?

uJesu usinika impendulo elula. Ngibone abantu emhlabeni qishe wonke abamukela lokhu ngibone nabantu abadukile bangamukeli. Ngithandaza ukuthi wonke ozofunda lokhu abambe.

KuNgokukaMathewu 19 lesicebi sombusi esisesesisha sixoxisana noJesu. uJesu uvele emazi ukuthi unezinto eziningi athembele kuzo; umcebo, udumo, isikhundla, inkolo, njalonjalo. uJesu umxhwayisa ngokuthi aphambane nakho konke anakho uma efuna ukuphila. Uyazi kwenzekani; wala, noJesu wezwa ubuhlungu ngoba emthanda.

Ngakho abafundi bakhe bathinteka ngalokho ukuthi ngubani ongangena embusweni. uJesu wabatshela ngomfanekiso ukuphendula inkinga yabo. NgokukaMathewu isahluko 20 uphethe umfanekiso wendoda enensimu eyaya endaweni yokuthengisa ukuyofuna izisebenzi zokuvuna ensimini.

Waqlasha indoda yokuqala ngo-denariyu ngosuku, eyiqhashela umsebenzi wosuku. Ngiyakholwa ukuthi uqhashe indoda enamandla futhi ekhuthele kakhulu kulamadoda ayisihlalu awaqasha, lena yindoda nombolo #5. Ngehora lesithathu wabuyela ukuyoqhasha enye, nayo wayithembisa iholo elihle kulesigamu sosuku, yindoda #4.

Ngehora lesithupha wabuyela waqlasha enye. Indoda #3.

Ngehora lesishiyagalolunye wenza okufanayo. Indoda #2.

Ngehora leshumi nanye wabuyela. Indoda # 1.

Uma ethola lena yokugcina #1 wayibuza ihlaleleni. Lendoa yaphendula, "Ngoba akekho ongiqhashayo." Wayithatha lendoda yayosebenza ihora elelodwa.

Okokuqala, lamadoda ayengavilaphi, yingakho ahamba efuna umsebenzi ahlale usuku lonke elindile. Nembala kubonakala ukuthi lona wokugcina wayengakhoni kahle, hleze ubeyishosha noma isilima. Ngikholwa ukuthi ubenganamandla njengabanye. Khumbula,

Iomfanekiso ngowo Mbuso kaNkulunkulu ukuthi siwuthola kanjani noma nini.

Uma isikhathi sokuholela sifika, umqhashi wabiza lona osebenze ihora elilodwa kuqala, wamholela imali yosuku, Indoda #1, nalona osebenze usuku lonke, naye wathola imali yosuku, indoda #5. Ekugcineni uJesu wathi, "Owokugcina uzoba ngowokuqala. Ngoba baningi ababiziwe kodwa bancane abakhethiwe".

Lendoda yehora elilodwa ithole uMbuso kaNkulunkulu khona manje isaphila emhlabeni, njenga kumthandazo weNkosi. Mhlawumbe lendoda #5 yafa yaya ezulwini mhla ifa yathola uMbuso khona manjalo. Kepha nalona ongenathemba ongenzanga lutho olutheni uwuthola khona manje.

Kubonakalisa ukuthini ukuthi uwumukeliswa khona manje? Uma uyilendoda yehora, uzokholelwa ekuzweni Izwi leNkosi lapho uhlanguyela noJesu nokwaneliswa zonke izidingo zakho zempilo nasekukholweni - bheka 2 NgokukaPetru1:2-11. Sake sashumayela lokhu ezweni labakhuluma iSipanishi, isixuku sabaholi sakuzwa kahle. Baqamba isihloko baphakamisa izimpawu ezilotshwe ukuthi, "EL Hombre una sola hora." Indoda yehora!" Singabantu behora, "bememeza. Usuphelelwe yithemba ngokwanele ukuba ungazibiza "ngendoda yehora" bese umemeza uHaleluya?

Abantu abaningi baphelelwe yithemba kulomhlaba, kepha akusho ukuthi bonke abaphelelwe sebelahlifiwe.

Ngiyavuma ukuthi lendoda yehora yayisiphelelwe yithemba futhi isilahliwe. Ukulahlwa kusho lapho indoda noma umfazi esefike ezingeni lokugqina lapho esekholwa ukuthi akukho muntu noma inhlango engamsiza, ngisho nangamandla akhe. Khumbula ukuthi lendoda yehora ihlezi yalinda lapho kuqhashwa khona usuku lonke. Yayingahambi icela, noma ikhalela abantu ukuthi bayisize. Sebenzisa lokhu endleleni yakho yokukholwa, akusho ukuthi uma uNkulunkulu engenzi lutho empilweni yakho, awukho wena, ulahliwe!

Ekupheleni kwaso sonke isahluko kulencwadi, zinikeze lelihlaya:

Yini isimanga sa loMbuso?

Wubani owuthola kuqala loMbuso?

Yilokhu lencwadi nezifundiso zayo ingakho, ukuveza izithelo ezimpilweni zethu eMbusweni kaNkulunkulu kuzo zontathu lezizigaba. iNkosi ikubusise!

Isithelo

Uke wayibuza lemibuzo?

Yini uNkulunkulu ayilindele kimi emhlabeni ngisaphila? Kufanele ngiphile njani? Kungani ngingaphumeleli? Uma uNkulunkulu enami, kubangelwa yini kungabonakali? Ngiyake ngizwe ngamandla kaNkulunkulu, kodwa kungenzeka ungikhohliwe uma ehamba enikezela ngezipho zamandla. Jakobe 2:5 uthi, "Lalelani bafowethu abazithobayo: Akakwenzanga uNkulunkulu ukukhetha abampofu ebusweni bomhlaba ukuba bacebe ngenkolo nokuba yizindlalifa embusweni awuthembisa labo abamthandayo?" (Isichasiso sobumpofu: ukungabi namcebo, nasithunzi, nasikhundla, ukungahlonipheki, ukungabinasizo, ukungabinamandla okuphelelisa izinto, okukwenza ugcine uyisiceli, ucela, ucela ngisho nokulahliwe).

Sonke sinezidingo zoqobo. Ezinkulu ezintathu yilezi, uthando, ukuvikeleka nokubonwa. Phakathi kwalezi, sinezidingo "zemizwa". Abanye badinga ukudla nezimpahla, abanye badinga ukuthi abantwana babo bamazi uNkulunkulu, abanye badinga ukuphiliswa emizimbeni yabo, uhlu luya njalo njalo.

Konke okwethu kusebukhoneni Bakhe.

KwabaseFilipi 4:19 uthi, "kepha uNkulunkulu wami uzokwanelisa zonke izidingo zakho ngomcebo wakhe nenkazimulo ngo Jesu Krestu." Uma uNkulunkulu ezokwenelisa zonke izidingo zakho nge "nkazimulo," ngakho sekufanele ukuba wazi ukuthi ikuphi lenkazimulo, ubese uya khona; ngoba hleze uzoba ulinde endaweni okungeyona uNkulunkulu ahamba kuyo. Uma ngime esiteshini sesitimela ngilinde ibhasi, Ngeke ngiyithole ibhasi. Kufanele ngithole ukuthi siph i siteshi sebhasi! Kuhle, kufanele ngithole ukuthi ikuphi lenkazimulo. Leligama "inkazimulo", uma silisho kuNkulunkulu, kalula lisho ubukhona Bakhe.

Sifanele singene ebukhoneni Bakhe simuzwe ekhulumwa Izwi Lakhe kithi. Izwi Lakhe liba yisithembiso nembewu ehlanyeleka njalo enhliziyweni yethu ithele izithelo uma siphatha kahle imbewu.

Ukuthela izithelo ngokumqoka kuNkulunkulu.

"Loku ngokwenkazimulo kaBaba, ukuthi nithele izithelo eziningi, nibonakalise ukuthi ningabafundi Bami" (NgokukaJohane 15:8).

Sifanele siqondise kabusha imizamo yethu siyisuse kunoma ngabe yini esasiyenza sizimisele ngokuthela izithelo.

uAdamu wadalelwu ukuthela izithelo, manje thina-ke?

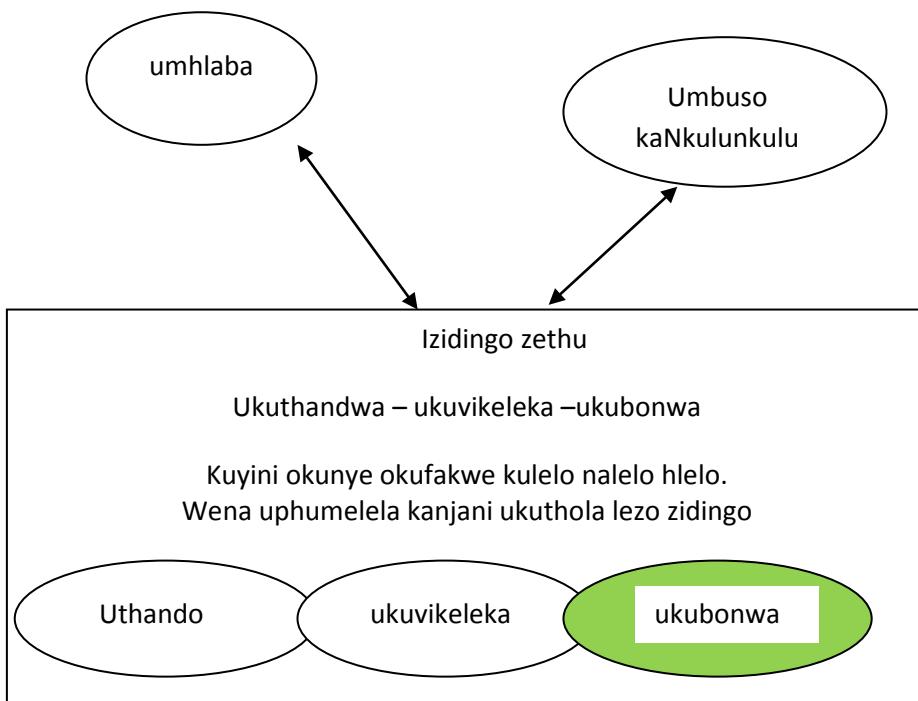

Isahluko 1-Isithelo

“uNkulunkulu wababusisa wathi kubo,’ Zalanani nande, niggwalise umhlaba niwubuse. Nibuse izinhlanzi zolwandle nezinyoni ezindiza emoyeni nako konke okuphilayo okuhamba emhlabeni.” Wase uthi uNkulunkulu,’Ngikunika zonke izitshalo ezithela imbewu emhlabeni wonke nazo zonke izihlahla ezithela izithelo ezinembewu. Ziyoba ngezakho njengokudla”(UGenesise 1:28-29).

UJesu ubesitshela ukuba sishintshe, siphenduke ekuzameni ngenhlupheko ukufeza izidingo zethu, sibe ngabathela izithelo. ”Kusukela ngaleso sikhathi uJesu washumayela, ‘Phenduka, ngokuba uMbuso wezulu ususondele”(NgokukaMathewu 4:17). Ukuphenduka kusho ukujika utshintshe indlela. Uma ungenza njalo, uzothola uMbuso kaNkulunkulu uduzane nawe ukuze ukhone ukwuthinta.

Ngokumangala ungabuza, uthini Yena, Ngishintshe kuphi? Uyini wona uMbuso kaNkulunkulu? Ngiyathemba ukuthi sifanele sishintshe lendlela yempilo yasemhlabeni siye endleleni yoMbuso kaNkulunkulu yokuphila. Ngiyakhola ukuthi loku kudingekile empilweni yethu yonke. Ngikhola futhi ukuthi uJesu wayengasho nje , “Yekani ukona niphenduke kulamasiko enu.” Qha, uJesu wayesinika indlela yokuphila.

abantu basebenzisa zonk’izindlela zohlelo lomhlaba ngisho namandla abo ukuze banelise izidingo zabo. Esikudinga nje kwampela wuthando, ukuvikeleka, nokubonwa (ukubaluleka).

Akakubhalanga yini uPetru ukuthi izithembiso zika Nkulunkulu zisinika konke esikufunayo empilweni nase kukholweni na? Funda ku 2KaPetru 1:3-4.

Uma izidingo zabo zingeneli, abantu abafuni ukuvuma ukuthi umhlaba ungeke wabanelisa izidingo zabo. Bazama ukuzenelisa ngokuzitshintsha noma bazezena kancono, bacabanga ukuthi bazophumelela. Bacabanga ukuthi kukhona okungalungile ngabo. Bazizwa benecala, babona uNkulunkulu kabi, Usathane uyawakhulisa amanga, bawathande lawo manga, Bangabaze izwi leqiniso likaNkulunkulu.

Manje yini impendulo?

Siwuthola kanjani uMbuso kaNkulunkulu ngokuphenduka? UJesu wathi kungokukaMarku 4:11 , uMbuso kaNkulunkulu ubonakaliswa kumfanekiso wokuhlanyela nokuvuna. Ukuhlanyela nokuvuna ini? Ukuhlanyela nokuvuna iZwi leNkosi!

Isiphetho somphumela womhlanyeli yisithelo.

UJesu uthi kuNgokukaMarku 4 wonke uMbuso kaNkulunkulu usebenza ngalendlela. Uthi lokhu kuyisimanga soMbuso. Yini isimanga? Leyompilo itholakala ngeZwi leNkosi elihlanyeleta enhliziyweni yomuntu. Lohlelo lokukhula lwenzeka njalo kanye-kanye nokukhula ebuhlungwini. Lobuhlungu obuvela lapho usathane ezama ukutshontsha iZwi lapho usalindele “ukubuya kweNkosi” nesithelo. uJesu uthi kufanele sibe ngabantu abancike Ezwini kakhulu kunokuba sibe ngabancike kithi, noma ohlelweni lomhlaba. Indlela yokuthembela kuNkulunkulu yindlela yokuthembela emandleni amakhulu Ezwi Lakhe!

Akunasidingo sokuba sibe nolwazi olukhulu lochwepheshe ukuze siphile, njengoba sifanele ukuba nolwazi lokusebenzisa iZwi likaNkulunkulu. Enye indlela yokusho loku yile; phenduka (suka kuloku obeke ithemba lakho kuko ngalesidingo sakho esikhulu, suka kulokuthembela kuwe nohlelo lomhlaba) ngokuba uMbuso kaNkulunkulu (isibonelo., indlela kaNkulunkulu ichazwa kuMarku 4 njengokuhlanyela imbewu Yezwi likaNkulunkulu enhliziyweni yakho, uyivumele ikhule ize iveze konke okufunayo empilweni yakho nokukaNkulunkulu, ukuzalela ubungcwele bukaNkulunkulu izithelo)ususondele.

Vumela umusa kaNkulunkulu ungenelele empilweni yakho.

Funa kuqala iquiniso noMbuso kaNkulunkulu, kuze zonke izinto ozifunayo unikezwe zona, zizokufikela njengetatsha lomvini lifikelwa yisithelo (NgokukaMathewu 6:33).

Izenzo 26:18 zithi uma siguquka, noma siphenduka siyazikhapha emandleni kasathane bese singena emandleni kaNkulunkulu.

Kunezinhlobo ezintathu zezithelo, esako konke esikudingayo nesako konke uNkulunkulu akudingayo kuwe.

1. Isithelo sikamoya. Esangaphakathi. Lesi wumumo kaNkulunkulu. Lesi yisithelo esikwenza ufane noJesu. Funda kwabaseGalathiya 5:22-23. "kepha isithelo sikamoya wuthando, injabulo, ukuthula, ubumnene, ukulunga, ubukahle, ukuthembeka, ukubekezelza, nokuzibamba. lokhu kuyawunqoba umthetho."

2. Isithelo empilweni yethu. Lokhu kuhlanganisa konke, umndeni, impilo nomzimba, nezimali, njalo njalo. Loku kuyahambisana no 3Johane 1:2 othi "Bathandekayo, nginifisela ngaphezu kwako konke ukuthi nicebe niphileke, nicebe ngisho nasemoyeni." Ngibone okuningi kwami kulunga lapho impilo yami ishintsha. Funda 1KwabaseKorinte 9:7, Ngubani oyisotsha elizinakekelayo? Wubani ohlanyela isivini angadli isithelo, olusa imfuyo angaphuzi ubisi Iwayo? NgokukaJohane 4:36,"Namanje umlimi uyahola, bheka manje uvuna isithelo saphakade, ukuze umhlanyeli nomvuni kujabule kanye-kanye".

Ubufakazi bami.

Kwabakhona isikhathi emva ngo 1983 lapho singanamali kahle yokufeza izidingo zethu. Ngaphuma ngabangedwa noNkulunkulu epaki lesigodi, ngihamba nje ngikhahla-khahlela amatshe, ngimtshela ngezinkinga zami.

Wakhulumo sobala wathi, "Larry, uma uzokholelwa ku 2BaKorinte 9:8, umbeke emlonyeni wakho, umfake enhliziyeni yakho, uma ungaphinda-phinda umkhulume ngosuku kaningi njengendlela ongakhona ngayo, Ngizokunelisa izidingo zakho. Ngamanye amazwi, ngitshele inani lezinto ozifunayo." Ngakho ngamtshela uNkulunkulu ukuthi okungenani mangikhone ukondla umndeni wami. Kungakapheli izinyanga ezinhlanu imali yethu yakhula yafika kuloku ngitshele iNkosi kona! Nanoma, okubonakala empilweni yami manje nginako, angivume ukuthi kube yiminyaka kuze kufike manje, nganginika ngokomnikelo, ngisho noma imali engakanani kulokhu enginakho.

3. Isithelo sokuhamba amazwe ufundisa. [missionary] Izithelo zokunye noma ubufundisi. "Ngalokhu uBaba uyakhazimuliswa, ukuthi nithela izithelo eziningi; ngakho niyakuba ngabafundi bami" (Ngokukajohane15:8). Imisebenzi yethu kuNkulunkulu ayibalwa kangaka, ngaphandle kokuba kube yizithelo kungabi yimisebenzi yenyama.

Sonke isithelo sinenhlanyelo ngaphakathi kwaso ukuze sizale. Genesise 1:11 uthi, "UNkulunkulu wathi, 'Umhlaba mawuveze imifino: izihlahla ezinenhlanyelo nezinezithelo ezinembewu kuzo, ngokuhlukana kwenhlobo zazo, 'futhi kwabanjalo" Uma lenxenye yangaphakathi yesithelo ikhula ngaphakathi kwethu, isakaza imbewu eveza izithelo zangaphandle, noma intshumayelo kwabanye.

Ubufakazi bami.

Angikaze ngicabange ukwenza ibandla ISOB. Bengithanda kakhulu ukumsebenzela uNkulunkulu, nanoma. Ngo 1995 uNkulunkulu wakhulumu nami ngendlela ezimbili. Ukhulume Amahubo 68:11, athi," INkosi yasho ngezwi; zaba ziningi izixuku ezakufakaza loko" (Amahubo 68:11). Wathi kimi uma ungabhala ushicilele izwi, uzokwenza Yena ukuthi izixuku zabantu ziyokushumayela, noma zibhale futhi. Wabuye wakhulumu kimi ngoMarku isahluko 14 lapho akhulumu ngomfazi owaphula imbiza yakhe yamafutha ukuthela amafutha adulayo kuJesu. uNkulunkulu wakhulumu kimi wathi, "Larry, Uzothatha amakha akho uwathele emzimbeni wami, njengoba akahle kimi?"

Lawamazwi (rhema) avela kuNkulunkulu abayimbewu enhliziyeni yami, futhi manje aseveza izithelo! Into ejabulisayo ukuthi, lenhlanyelo ikhula njalo iya phambili nayo yonke inxenye yesithelo, loko kwenza isithelo sikhule sande! Sasinjalo namanje sinjalo, futhi into emnandi wukuthi angimsebenzeli kanzima. Eqinisweni ngisebenzile kanzima, kepha kuphela kuloku engangizwa uNkulunkulu ekusho enhliziyeni yami. Ngaqala ukuyeka amasu ami."

Isebenza kanjani lembewu, noma leliZwi?

KuMarku isahluko 4:1-21 kusitshela ngomfanekiso womhlanyeli. Wonke loMbuso usebenza ngalesisimanga. "Washo kubo, 'Imfihlo yoMbuso kaNkulunkulu inikwe nina. Kepha kubo bonke abangaphandle konke kukhulunyuwa ngemifanekiso. Ngaphandle kwalomfanekiso awukho omunye eningawuzwa"(NgokukaMarku 4:11).

Ngalomfanekiso uJesu usinike indlela elula yokuyisebenzisa ukuze sihambe eMbusweni sinezithelo ukuze sibe sijabulisa Kuye.

**Akubandlululwana emncintiswaneni, emfundweni, ekukhuleni, kubulili,
ekuhlakanipheni, kusimo semvelo nokuthi ngabe uvela kuwuphi umndeni. Qha!**

Funda ku NgokukaMarku 4:1-21. NgokukaMarku 4:11 uthi, “*Washo kubo,’Imfihlo yoMbuso kaNkulunkulu inikwe nina.”*” Marku 4:14 uthi, “*Umlimi uhlanyela Izwi*”.

Awusebenzi kuphela njengenhlanyelo, kodwa njengembewu yesinaphi.

Marku 4:30-32 Uphinde wathi, “sizothi ufana nani uMbuso kaNkulunkulu na, noma sisebenzise muphi umfanekiso ukuwuchaza? Ufana nembewu yesinaphi okuyiyona mbewu encane oyifaka emhlabathini. Yebo, lapho isihlanyelwe, ikhula ibe yisihlahla esikhulu kunazozonke izitshalo esivandeni. Isihlahla esinamagatsha amakhulu lawo izinyoni zezulu zikhona ukuhlala (ukwakha izidleke) emthunzini waso.”

Inhlanyelo yesinaphi yiyona encane kakhulu eyaziwayo. Yonke inhlanyelo yemifino ikhula ibe yizitshalo, kepha inhlanyelo yesinaphi ikhula ibe yisihlahla! Akujwayelekile ukubona into encane kangaka enganakeki iveza into enkulu kangaka! Akujwayeleki naloku ukuthi isithombo siphenduke isihlahla. Kunjalo-ke ngembewu yeZwi likaNkulunkulu noMbuso Wakhe. Alibonakali lingakanani iZwi, kodwa lizokunelisa zonke izidingo zakho nabo bonke abaseduze nawe nabo bonke abamethembayo, njengoba isihlahla sesinaphi senza ezinyonini. Funda ku NgokukaLuka 17:5 ngokholo lwembewu yesinaphi.

Wonke umuntu ufanele akhethe enye yalezizindlela ukuba aphile impilo yakhe.

Umbuso wase mhabeni	Umbuso kaNkulunkulu
Usathane uyinkosi	UJesu uyiNkosi
Uba yisigqila sakhe	Uba yisigqila sakhe
Usebenzisa amandla akho ukuzinelisa	Usebenzisa Izwi lakhe ukuzinelisa
Uphila impilo yakho ngeze elikuyisa ekubhubheni	Uphila impilo yakho ngezinto ezikunikeza ikusasa laphakade

Kepha qaphela! USathane namademoni akhe bazimisele ukutshontsha imbewu kuwe.
Angeke bakuyeke nje bavumele imbewu yakho ikhule ngaphandle kokukuhlasela!

Kukhona indlela yokuthi imbewu ikhule, uma lendlela ingalandelwa, isithelo siyafa.
Sinezindlela ezimbili kuphela, Khula noma Yifa!

Nasi isihloko sika "Khula noma Yifa". Yindlela kaNkulunkulu yokuthela izithelo.

- 1) Masibuyele ezwini uma sifuna ISITHELO.**
- 2) Sifanele sazi ukuthi singahlangana njani noNkulunkulu, lokhu kutholakala esahlukweni -UMFULA OGOBHOZAYO.**

¹ Isihloko, Hlala, Hamba, Yima zicaphunwe kumibhalo ka Watchman Nee.

Lezi kuyokuba izihloko ohlwini lwezifundo kuKhula noma Yifa. Zisembhalweni, ziya sebenza, ziylolhu Izwi lifundisa kona, futhi ngiyakufakaza ukuthi uNkulunkulu akakaze ahluleke ukusebenzisa lendlela empilweni yami.

KuNgokukaJohane 15:18-27 uJesu usixwayisa ngokuthi inxenye yendlela yokuthela izithelo ukuzingelwa nokuhlupheka, kodwa nokuthi Umoya oyingcwele uyobakhona njengomduduzi.

“Khumbulani lamazwi engiwasho kini: ‘Akukho sisebenzi esingaphezu komcashi waso.’ Uma bangizingela kimi, nani bayokunizingela njalo. Uma balalela izifundiso zami, bayokuzilalela nezenu”(Johane 15:20). Banigi abantu izidingo zabo zingagcwali sek ngoba usathane nezincke zakhe beza batshontshe Izwi kubo ngaphambi kokuba lizale isithelo. Kufanele sazi ukuthi ukuzingelwa, ukulingwa, nezinhlupheko esihlangana nazo akusho ukuthi isithelo asikhuli; Ngeny’indlela loko kuyizimpawu zokuthi isithelo siyakhula. Kufanele sihlakaniphe!

Imbewu idinga ukunakekelwa.

Idinga uhlobo lwamanzi nezithako. Kufanele singeze kulembewu ehlanyelwe. Kunenqubo ngaphakathi kwekhola elikhola uJesu Krestu uma likhula. Ukuzwisa leyonqubo nendlela, nokubambisana noNkulunkulu kulendlela, kuzoqinisekisa ukuthi lelikholwa liyaKhula. Sinethemba lokuthi lendlela ka-Khula noma Yifa inamanzi, namavithamini nezithako ezidinge kayo ekukhuleni.

Ukugxeka noma ukwala ukubambisana noNkulunkulu, eqinisweni eliphelele kuyobeka iholwa ekubeni “yiSigqila ezweni Lesithembiso.” Amalsrayeli afinyelela ezweni lesithembiso. Encwadini yaBahluleli , abantu baNkulunkulu, nanoma babenesivumelwano noNkulunkulu, baba yiziggila zezitha zabo. uGidiyon nabantu bakhe bayisibonelo seziggila eziya enkululekweni.

Ngendlela efanayo, ngisho nanamuhla, abantu bakaNkulunkulu bangaba yiziggila zokwesaba, bezizwe benecala, beluthekile, bephikwa, bebhikelwa phansi, benokuziqhenya nokunye okuyizitha zikamoya.

Indlela yokuxwaya ukuhlala uyisiggila wukukhula! Isiphetho sendlela yokukhula yisithelo. Isithelo wumphumela wokuhlala emvinini okuyokhulisa “ubuholi” kulelo nalelo kholwa. Bheka encwadini yeSambulo. Isiphetho somphumela emva kwazo zonke lezozimpi yisithelo, njengoba kuchazwa kuSambulo isahluko 20-22.

Kunezinhlobo eziwu 7 ezinkulu ehlelweni lukaKhula noma Yifa zokukhula:

Thela isithelo	(Inhloso yokuthela isithelo)

Lezi “yizifundo eziyisikhombisa eziholayo” ezenza Isigaba 1 Uhlelo 1.

Isigaba 2 Uhlelo 2 siquethe ezingeziwe izifundo ezibalulekile,uGijima umJaho, Isiphambano, Amadimoni neNsindiso nokuBhabhathiswa eMoyeni Ongcwele. Esinye nesinye salezigaba ezingaphezulu sineziqo ezimbalwa zezifundo ezingafundwa ngumfundu ukuze aqedelele lesifundo esingeziwe. Ngalesifundo esingeziwe, ungakhetha ukuma uma usufunde wazwisia lezizifundo eziwu 11 kulencwadi, noma ungaqhubeka ukuqedo lesifundo, esiphethe izifundo ezidlula ku 100.

Kubalulekile kithi ukuba sazi ukuthi sifunda kanjani nokuthi sihamba kanjani emoyeni.

Asifundi izinto zikamoya uma sifunda izinto zasemhlabeni, ngalolwazi esilufaka ezingqondweni zethu. Kuyiqiniso, ingqondo zethu ziyinxenye yokwenza loku. Kepha, kuNkulunkulu sithola isambulo, isambulo sezinto ezambulwa eseavalwa kithi. Usathane uvala amehlo ethu omoya ukuba singaboni (2baKorinte 4:4) okubalulekile nokufanele sikwazi, kepha, ngukuthi uma sithola lesisambulo, sisithola njengembewu, kungakabi yisithelo. Ngako konke okuncane uNkulunkulu asambulela khona, sikuthathe ngendlela yokuthi unguabani uNkulunkulu, Hlala, Hamba noYima. uNkulunkulu usikhombisa okuthile Ngaye, bese ukufaka empilweni yethu (Hlala), ngako kufanele simlalele sikuHambe loko. Ukulandela kuwumdwebo wesifundo sohlelo luka Khula noma Yifa.

Isithelo (lesisifundo). Ukuthemba uMbuso kaNkulunkulu; neZwi likaNkulunkulu.

Umfula ogobhozayo. Ukugcina igatsha nomvini kuhlangene ngokuhlanganyela noJesu. Sidinga ubukhona bukaNkulunkulu mihla yonke empilweni zethu. Loku kusembhalweni, futhi kuyindlela elula nje yokwenza lapho uthandaza ngasese. Hezekeli 47 usitshela ngomfula ogobhoza kusuka ethempelini likaNkulunkulu ugobhozela olwandle lokuduka kwabantu. Siyithempeli likaNkulunkulu. Ubuhlobo buholela enkonzweni yeqiniso!

Izigqila ezweni lesithembiso. Masikhululeke ukuze singabi yilamagatsha aphonswa emlilweni wokungatheli sithelo. uGidiyoni uyisibonelo kithi njengom-Israyeli owayenesivumelwano noNkulunkulu ezweni lesithembiso uNkulunkulu amthembisa lona, kepha wayeyisiboshwa ezitheni zakhe. Yizitha ezinjani ezsicgina siboshiwe? Sikhululeka kanjani?

Ungubani uNkulunkulu. Sidinga ukukhunjuzwa masisha ukuthi uNgubani, nokuthi ngaphandle Kwakhe akukho esingakwenza. Siyothola umfanekiso ngokushesha wokuthi uNkulunkulu unjani. Siyothinta okubonakalisa ubuthathu Bakhe, uBaba, iNdondana, noMoya ongcwele. Siyothinta Izwi likaNkulunkulu, nokuzala kwentombazana emsulwa nokuthi uNkulunkulu ungubani manje.

Hlala, Hamba, Yima. Njengomfundu kajesu Krestu kabalulekile ukwazi nokuqonda ukuthi ufundani nokuthi kanjani. Zingaba ziningi izinto ezahlukahlukene oyofisa kwangathi ungazifunda. Ngokujwayelekile imibhalo nemithetho iyobonakala iphikisana ilwa yodwa.

Ngeny'indlela, kufanele siphokophelele ukuphila impilo engcwele. Kwesinye isikhathi, kunomusa njalo ekuhlulekeni kwethu. Ngako senza njani? Siyaziphatha sibuye siphile kahle, noma siphila lempilo endala yokona silindele umusa kaNkulnkulu?

Lombono wokuHlala, Hamba, Yima uyoqeda lempikiswano ekhona. Encwadini yabaseEfesu, yonke lemibono emithathu iyakhulunywa. Ukholo olukhulu lubekwa kuWatchman Nee nencwadi yakhe, Hlala, Hamba, noYima.(1)

HLALA: KwabaseEfesu 2:6 ithi, "Futhi uNkulunkulu wasivusa kanye no Krestu wasihlalisa kanye Naye ekuphakameni kwezulu ngoJesu Krestu." uNkulunkulu ufunu sazi ukuthi uJesu usuwenze wonke lomsebenzi obalulekile wokusisindisa ngesiphambano. Umsebenzi ophelele wesiphambano nokuvuswa kukaJesu kwasenza saba yizidalwa ezintsha. Isidalwa esidala safasasesizalwa kabusha. Kufanele sazi ukuthi nguNkulunkulu owenze lomsebenzi, asenzanga lutho kepha samukeliswa loko okuphelelisiwe. Nanoma ngabe sona kangakanani, intenthelelo ikhona, asisekho ngaphansi komthetho.

Amazinga kaNkulunkulu alula, wukumvuma uJesu njengeNkosi, nokushesha uzwe Izwi Lakhe. "ngoba zonke lezizinto yisandla Sami esazenza, nako konke okukhona, Esho uNkulunkulu. Kepha kuloku ngiyabheka (ngiyana): Kulowo oswelayo (olusizi, ozithobayo, odingayo nongenamandla) nophuke umoya, noqhaqhazelayo ngezwi Lami"(U-Isaya 66:2). Okukodwa kwemvelo kumuntu afanele ukukwenza ukuvuma ukuphenduka asuke kulezindlela ezindala, ezingahambisani nesimo sikaNkulunkulu.

Lawo mazinga angabhekeka "njengento yakudala" kumaKrestu amaningi, kepha kunakuningi kuloku kunesikubonayo. Ngako amaKrestu amaningi "asemajele." Kanangi lesitha ejele laso sisebenzisa amaqhinga agcwele ukukholwa.

Banigi abangafuni ukubhekana nobuhlungu, abavumeli noma yikuphi okungahambisani nabo. Ngako bayahlehla ekutholeni okuhle kukaNkulunkulu. Abanye baphila ngomthetho, ngemvume, noma ngokwenza imisebenzi yokuzenzisa kwangathi bangcwele. Bazizwa beqondene noNkulunkulu onolaka.

Kube nabanye abaphila e”museni okungewona”bazibone ukuthi uNkulunkulu uyabazwisa ukuthi abalunganga, ngakho kungani bazame ukuphila ngokukholwa. Ngahlangana nalokhu ngesikhathi lapho ngisengakakhoni ukuzwa ubukhona Bakhe, kuyilapho izinto empilweni zazingahambi kahle kimi. Ngazithola ngikhona ukuhamba imizuzu engu-30 engqondweni yami phakathi koMfula ogobhozayo, lapho ngizithola nginokuthula futhi ngihlangene neNkosi. Inhloso ukuba vele ngihlale kulendawo kube yimpilo yemihla. Loku futhi kuyi ”indlela ongayenza” ukubambisana noNkulunkulu ukuze izidingo zakho zempilo zigcwalseke.

Abantu bayalimala uqobo

Abanye abakhoni ukukhokhela izikweletu zabo, abanye bathole imibiko emibi evela kodokotela, abanye banabantwana abangakhuzeki, ke-mhlawumbe abanye iminden yabo ihlukana ngaphakathi. Kufanele sikhone ukwazi ukuthi singabambisana njani noNkulunkulu kulempilo yesivumelwano segazi ukuze siyiphile manje, kulesisikhathi kuze kufike isikhathi lapho sishiya lomzimba siya ezulwini.

Ngaphandle kokujabula ebukhoneni Bakhe, kukhona “esingakwenza” endleleni yoMfula ogobhozayo.

Siyafuna ukulandela indlela?

Lomqondo wokulandela indlela ukungena ebukhoneni bukaNkulunkulu akuyonanto yokwehlisa ubudlelwano bakho noNkulunkulu bube yigwebu nje, noma indlela okhethelwa yimi ukuthi uzwe ubukhona Bakhe ngalendlela engizochaza ngayo. Kodwa ngiyakholwa nakanjani ukuthi Umfula ogobhozayo unalobo buciko bolwazi ebuhlotsheni obungaphakamisa ubuhlobo bakho noJesu noma indlela yokuxhumana Naye okokuqala empilweni yakho.

Ngaleso sikhathi abantwana bami basebancane kwakufanele ngaso sonke isikhathi kube yimi engibeka izikhathi zokuhlanganyela. Labantwana ababeza kimi ngobungane, ngomyalo, ngokukhuthazwa nokubongwa babanobuhlobo obujulile nami kunalesikhathi lapho beza kimi ukuzophiya noma ukuzocela imali yokukhokhela isikweleti. Ngibe nomusa njalo, noma beziphathe kanjani akukaze kwatshintsha uthando Iwami kubo, kodwa uma behkululekile ebuhlobeni nasekuhlanganyeleni ngokwabo ngangibanokujula nabo. Nanoma kwezinye izikhathi, uthando Iwami olungaguquki lubonakale lapho (ezikhathini eziningi). Umusa wami nokulunga yikhona okwakubadonsela kimi, kepha bafanele bakhombise futhi bazikhethelle.

*Entshumayelweni eyashumayelwa eSoutheastern University, uDr. Mark Rutland
wanginceda ukuba ngize ngibone lokhu kahle. Washo loku okulandelayo:*

“Asizami ukusondeza amandla amakhulu, kepha amandla amakhulu, uNkulunkulu ophilayo, uJesu Yena, uzama ukusondeza thina. Ubuthakathi, ubulumbi, nababoni kuzama ukuxhumana namandla amakhulu.”

Ukuthembeka nokuphendula ekumemezeni kukaNkulunkulu yikona okusinika ukuxhumana Naye emandleni Akhe amakhulu. Futhi, kuyimvume kaNkulunkulu lena esinika ukulangazelela ukumuzwa nokuba sifise ukusondela ebukhoneni Bakhe obuphilayo. uNkulunkulu unggongqoza emnyango wakho uthi, “Ngiyakunxusa ngilalele”. Ukuxhumana Naye esikhathini esiningi kusekuthembeki kwakho.

Ukuthembeka kuyimpilo akusona isehlakalo. Sikhona isikhwelo senthuthuko yokuthembeka. Njalo uma ukhula amandla okuthembeka-

ayakhula akhe amanye phezu kwamanye. Umklomelo uyakhula njalo. Sibizelwe ukuthwala esethu isiphambano, uma sikwenza loko. Nakanjani esikhathini esilandelayo isiphambano sibanentengo engaphezulu. Akubuyelwa emuva futhi, lesi esisha sidinga umnikelo nokuthembeka ngoba umklomelo uya ngokuhula njalo.

Inhloso kaNkulunkulu ukuza emhlabeni ofayo kanye nokusibusisa. Kanjani?

Sibusisekile ukuze sibe yisibusiso emhlabeni olahlekilenofayo. uNkulunkulu watshela ukhokho wethu uAbrahama, "Ngiyakubabusisa abakubusisayo, Ngimqalekise okuqalekisayo; futhi ngawe zonke izizwe ziyakubusiswa" (Ugenesise 12:3).

Ngeyodwa kuphela indlela yokuba sikhona ukubusisa abanye, ukuba sivumele uJesu angene kithi ukuze akwenze ngathi. Kuphela indlela angayenza ngathi ukuthi isimilo sakhe singene kithi sibe ngaphezu kwalesi semvelo ka-Adamu. Lendlela engiyoyichaza yenz' ithuba lokuvumela uNkulunkulu asebenze ubungcwele Bakhe neqiniso Lakhe kuwe. Njengoba uqala ukuthatha isiphambano sakho uvumela uNkulunkulu wothando ukuba akuhambise ngesineke, uzoya ufane noJesu kancane kancane, ngokuhlanganyela esimweni Sakhe. Uzokukhulula kulamajele akho angaphakathi, Uzokusondeza ekuphendukeni kuzinto ezazikulimaza, futhi impilo yakho ngeke iphinde ifane. Nanoma, lendlela ayikho ngaphandle kobuhlungu. Uma uvilapha, uma ungeke uzibuze wena ngabanye abayingozi kuwe, ungeke ungene kulempilo yokuhlanganyela neNkosi. Uma siloku sihlanjululwa siya ukufana noJesu, sizizwisa kakhulu ngobukhona Bakhe, nempilo yethu iba yisibusiso kwabanye.

Ngaphandle kokungcwelisa akekho oyombona uNkulunkulu!

Ngimbonge uNkulunkulu ngoba ubungcwele neqiniso sanikwa kona ngokomthetho njengesipho. Kepha uma ujula ebudlewaneni uqala ukubona iqiniso nokuguqulwa koqobo kwesimilo okuya ekuthembeki nasebungcweleni. Lolohlobo lokukholwa lokuzenzisa lwakha abantu abasebuhlungwini nasekuthukutheleni, kanti - lapho ubungcwele bangoqobo bakha injabulo, uthando, nazozonke izithelo zikamoya. "Nokuthi usufaka umuntu omusha odalwe ngendlela kaNkulunkulu,

Ngeqiniso nangobungcwele”(KwabaseEfesu 4:24).

Indlela yobungcwele(highway). Lendlela yobungcwele ku-Isaya 35.

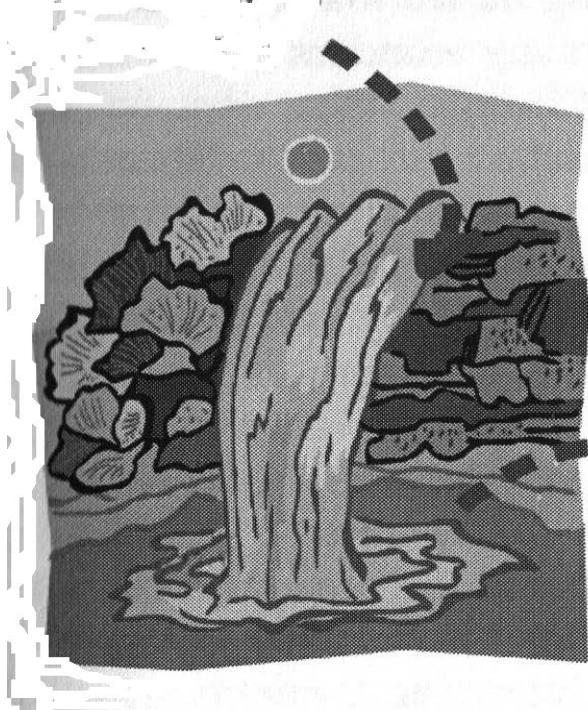

“Indlela engaphezulu iyokuba khona, nomgwaqo, Loko kuyobizwa ngokuthi indlela engaphezulu yobungcwele. Abangcolile ngeke badlule kuleyondlela, kepha iyokuba ngeyabanye. Noma ngubani oyohamba lendlela, noma eyisiwula, soze alahleka” (ulsaya 35:8). Ulsaya isahluko 33 ukhuluma ngamalsrayeli ahlangana nokwahlulelw ngenxa yempilo yesono ababeyiphila. Isaya 34 ukhuluma ngoNkulunkulu abahambisa endleleni yokunqoba nolsaya isahluko 35 ukhombisa umphumela, ongubungcwele. Inzuzo ibalwa ku sahluko 35. Ifaka phakathi injabulo, ukuhlabelela, ihlane nomhlaba owonakele uba yimithombo yamanzi, ihlane liq huma ngezimbali, ukujabula okukhulu, ukubonakala kwenkazimulo yeNkosi. Kuchaza izimpumputhe zibona, izishosha zilulama, ukwesaba kuphenduka ukukholwa, abomile baphiwa amanzi omthombo, lapho uphila ngaphezu kwezitha zakho. Kuzokwenza kahle ukufunda lesisahluko ukulengcondo.

uHezekeli 47:1-12 ubonisa isithombe somfula ogobhozayo.

Lesithombe uNkulunkulu abonisa uHezekeli sasingeseThempeli likaNkulunkulu, imithetho yalo nemihlobiso yalo, nomfula ugobhoza uphuma kulo. uNkulunkulu ukhuluma noHezekeli umbonisa ukuthi loku yilomfula wempilo osuka kuNkulunkulu uya phansi olwandle olufile nakula manzi angcolile ezweni. Lomfula uzolapha lamanzi uwenze aphile. Umbhalo kusahluko 47 sikaHezekeli uthi lomfula uqale ungufulana lapho uphuma phansi kweThempeli, kepha ngokuqhube ka uya ukhula uqhubeka uze uyongena uthululeke Olwandle Olufile. Njengoba wenza, lolwandle Iwaphila futhi laba nempilo. Lolwandle ebhayibhelini lusho ulwandle labantu abalahlekile. uNkulunkulu wayebonisa uHezekeli ukuthi yinye kuphela indlela ngabantu abafile ukuthi baphile futhi, okuyokuba ngukuthintwa nguNkulunkulu ngento ebizwa ngomfula ogobhoza ukusuka ebukhoneni Bakhe. NgokukaJohane 7:38 uthi, “Lowo othembela kimi, njengoba usho umbhalo,’esiswini sakhe kuyokugobhoza umfula wamanzi aphilayo”.

Lomfula ugobhozela ukugeza wena - Lomfula ugobhozela ukusindisa izwe elifile.

Lomfula ugelezela ukuhlanza thina

**lomfula ugelezela
ukuzosindisa izwe
elifile**

“Kulobe phansi Hezekeli.”

uNkulunkulu watshela uHezekeli kusahluko 43:10 – 11ukuthi adwebe lesisithombe seThempeli nemithetho yalo ukuze abantu basibone yingako bazophenduka babe yisibusiso kwabanye. Yiloku lesisifundo somfula ogobhozayo siyikho.

Liphi iThempeli namuhla? 1BaKorinte 6:19-20 uthi, "kepha anazi yini ukuthi umzimba wenu uyiThempeli likaMoya ongcwele okini, enimamukele kuNkulunkulu, nokuthi anisibo abenu na? Ngokuba nathengwa ngenani elikhulu. Ngakho-ke mbongeni uNkulunkulu ngemizimba yenu".

Singeke sabusiseka noma saba yisibusiso ngaphandle kobukhona bukaNkulunkulu uqobo.

Sidinga ubukhona bukaNkulunkulu buzosikhulula futhi busihlanze ukuze sikhone ukwenza noma luphi uhlobo lobuholi, ngisho nomthandazo ozwakalayo. Nali uhlelo lokuhlangana nokugcwala kweNkosi empilweni yakho nebandla lakho kanye nomhlaba wonke. Sidinga ubukhona bukaNkulunkulu ukuzosikhulula busihlanze ukuze senze noma yimuphi umsebenzi, ngisho nomthandazo ophendulwayo.

Nali uhlelo lokuhlangana nokugcwala kweNkosi empilweni yakho. "Besaqhubeka bebambelele emfundisweni yabapostoli nokuhlangana nokuhlephula isinkwa, nokuthandaza. Ukwesaba kweza kuwo wonke umphefumulo. Nezimanga eziningi nemihlolo yenzeka kubapostoli." (Izenzo 2:42-43).

Qaphela lezinto ezintathu abapostoli ababezenza mihlayonke ezaphumelelisa imihlola nezimanga:

1. Imfundiso zabapostoli. Loku kuwukufunda Izwi leNkosi mihla yonke.

2. Imithandazo. Uhlobo olwalujwayelekile ukufakwa kumithandazo yebandla lokuqala wukufakaza ukuthi, ungubani kuKrestu, bese kufakazwa ngeZwi.

3. Ukuhlangana nokuhlephula isinkwa. Loku kwakuyingxoxo yemihla, noma ukuthatha inkomishi nesinkwa ngenkumbulo yesivumelwano segazi.

Ibandla lokuqala lalidla isidlo seNkosi cishe wonke amasonto, uma bekungasi mihla yonke. Bekuyindlela yabo yokungena ebukhoneni bukaNkulunkulu babe nokumazi Yena mathupha. Bekungesona isenzo sokukholwa, bekuyisikhathi sokujabula Naye ngendlela yoqobo.

Inhloso yesidlo seNkosi ukubuya amalunga ebukhoneni bukaNkulunkulu. Funda ku-NgokukaLuka 24:30-31 njengesibonelo. Lapho babethola ukuphiliswa nezidingo zabo zigcwaliswa. Ubukhona bukaNkulunkulu, ngenyama Yakhe nesivumelwano segazi, zonke izidingo zakho ziyagcwaiseka.(Kuthathwe kuzinhlelo zevideo ka Dick Reuben,"A Pattern for Revival Fire : Covenant Meal - The Lord s Table).

Umfula ogobhozayo yisenzo samihla yonke esenza okufanayo (kungasi wukususa isidlo seNkosi, kepha isengezo kuso). Umfula ogobhozayo uyokukuhamisa esivumelwaneni segazi ukuyise ngale kwesimbozo, esiyinyama Yakhe, ukungenise ebungcwele-ngcweleni kuze kube phakathi kobukhona Bakhe! Sidinga ubukhona bakhe mihlayonke, kungabi kanye nje ngesikhathi!

KuNgokukaJohane 6:51 uJesu uthi uyilesinkwa esiphilayo eseza sehla ezulwini. KumaHeberu 10:19 - 20 kusitshela ngendlela entsha nephilayo yokungena ebungcwele - ngcweleni ngalesimbozo esiyinyama kaJesu.

Konke lokhu kusitshela ngayo indlela eya ebukhoneni bukaNkulunkulu lapho wazi uhlonipha isivumelwano segazi; Igazi Lakhe nenyama.

Uzokubona ukuthi ukuhamba ngomfula ogobhozayo kuhlonipha isivumelwano segazi ngendlela efanayo nesidlo seNkosi.

Kufanele sazi ukuthi kunezitha ezifuna ukumisa uNkulunkulu ekubeni nguNkulunkulu ophilayo nowoqobo kithi.

Izitha zethu ziza ngalezizindlela ezintathu:

Ngentando yethu -

Ngengqondo yethu -

Ngemizwa yethu -

Konke loku kuhselaswa yinyama yethu, umhlaba, nosathane.

Umbuzo:

Sizingqoba kanjani lezizitha ukuze singene ebukhoneni bukaNkulunkulu sihlanganyele Nayef?

Impendulo:

UNkulunkulu wasinikeza sonke ukunqoba kuzo zonke izitha! Indlela yokungena ebukhoneni Bakhe yanikezwa esiphambanweni lapho kudabuka isihenqo sethempeli ukusuka phezulu kuye phansi ku-NgokukaMarku 15:38. Manje kukithi ukuthi siyabambisana. Sifanele sithwale siphambano sethu - loko kuyokusinika ukunqoba!

NgokukaLuka 9:23-25 uthi, "Wase uthi kubo bonke, 'Uma ekhona ofuna ukungilandela, makaziphike, athathe isiphambano sakhe mihla yonke, abese engilandela, Ngokuba wonke oyofuna ukuhlenga impilo yakhe uyokulahlekelwa yiyo; kepha wonke oyolahlekelwa yimpilo yakhe ngenxa Yami uyakuyizuza. Ngokuba, kusiza ngani, uma umuntu azuza umhlaba wonke, abese ulahlekelwa wuye, noma alahlwe?'"

Leligama *impilo* ku-NgokukaLuka 9 lichaza "umoya" noma intando, ingqondo noma imizwa. Leligama *phika*, lisho ukuthi qha.

Isihluthulelo sempilo enothileyo nokuthola konke uJesu asiphathole kona, kuhlangene nobukhona Bakhe, ukuqedelela lesivumelwano segazi wukuthwala isiphambano sakho.

Abanigi bethu bayabazi ubucwazicwazi, okuhlanganisiwe konke, amandla amakhulu kunawo wonke asebenzwa ngu Jesu esiphambanweni eKhalivare; Ukuthi walichitha kanjani igazi Lakhe ngezonzo zethu, wavuka kwabafileyo ukuzonika thina impilo. Soze sangeza kulokho. Nanoma, ukuze simukele usizo ngaloko, kufanele nathi sife. Masithathe isiphambano sethu, siziphike silandele Yena. Silahlekelwe impilo yethu.

Ubuuhlobo bethu nokuhlanganyela noNkulunkulu kuphezu kwesivumelwano segazi. Engqondweni yomuntu wasetshonalanga loku kuba yindida, akwaziwa. Isilinganiso esinaso duzane wukugana (wumshado), ke-abantu abanangi banawo umqomdo wokuzwisia lobubuhlobo, abuphambene naseBhayibhelini. Zibuze lokhu; Ungabonisana nozoba wunkosikazi wakho ukuthi uvunyelwe ukuya nabangaki ocansini emva komshado wenu?

Ukufa kwababili, uJesu'nawe, kunyakazisa isivumelwano segazi!

Yini okubaluleke kangaka ngesivumelwano segazi?

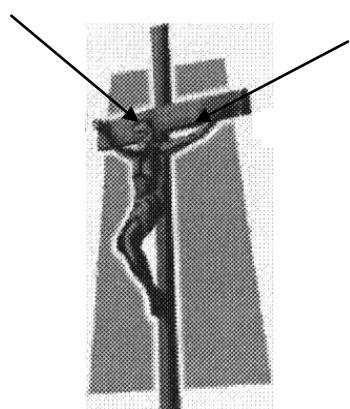

1-Ngokuka Petru 1:18-19 uthi, "Ngoba niyazi ukuthi akusiyizinto eziphelayo njeneggolide nesiliva enanikwa lona kulohlobo Iwempilo engelutho enanikezwa ngokhokho benu, kodwa kungegazi elicwebileyo likaKrestu, iwundlu elingenasici noma ukonakala". uLevitikusi 17:11 uthi, "Ngoba impilo yesilwane isegazini, ngininikeza yona ukuba ibe yinhlawulo yenu ku-altare; yigazi eliyoba inhlawulo empilweni yomuntu".

Impilo kamoya ingatshintsha wumthetho wokumelana. Isivumelwano segazi
sitshintsha ubundlalifa emndenini.

Impilo endala

Impilo entsha

Ubundlalifa emndenini. Loku kalula, kusho ukuthi abantu abazalwa emndenini othile, futhi ngokulandelana kwabo bayokwamukeliswa izibusiso neziqalekiso ezithile njengefa labo. Nanoma izibusiso neziqalekiso kungatshintshwa. Izizwe eAfrika, emasikweni amaNdiya eAmerika nakwezinye izizwe zase Asia, baloku bafuna indlela yokutshintshana noma yokuthengiselana ngeziqalekiso nezibusiso nabanye abantu.

Kusukela ngezikkhathi zakudala, abantu babephaza igazi elalinikelwa konkulunkulu babo, ukuze bafane nalabo boNkulunkulu.

Kusukela ekuqaleni komhlaba, uNkulunkulu wakulungiselela ukubethelwa kukaJesu ngendlela yokuba noMoya waphakade, loko okusho ukuthi umthetho wobummeli ube khona kungakadalwa muntu (Isambulo 13:8).

Ukuze isivumelwano segazi sisebenze ngokoqobo, kufanele kube khona igazi elicithekayo enhlangothini ezimbili, noma kufanele kube khona ukufa kwabantu ababili noma iziphambano ezimbili. Kufanele kufe othina bese sizinikela nako konke esinako nesiyiko kuJesu. Into enhle wukuthi noJesu naye uzinikela ngako konke anako nangako konke ayiko kithi!

Uma sihlanganisa isiphambano sikaJesu nesethu siyanamathela kuNkulunkulu, namandla ayenzeka! Kuneziphambano ezimbili njalo ezifanele zihlangane ukuze zenze isivumelwano segazi.

Ithebenakheli liyisibonelo esinamandla seziphambano ezimbili ongalisebenzisa ukwenza nokuhola umthandazo.

Kuzosinceda ukuthwala isiphambano sethu, yikona okuzosiyisa ebukhoneni bukaNkulunkulu ukuyoHLANGANYELA naYE!

Isicaphuno ku God's Plan and the Overcomers (6) - Watchman Nee.

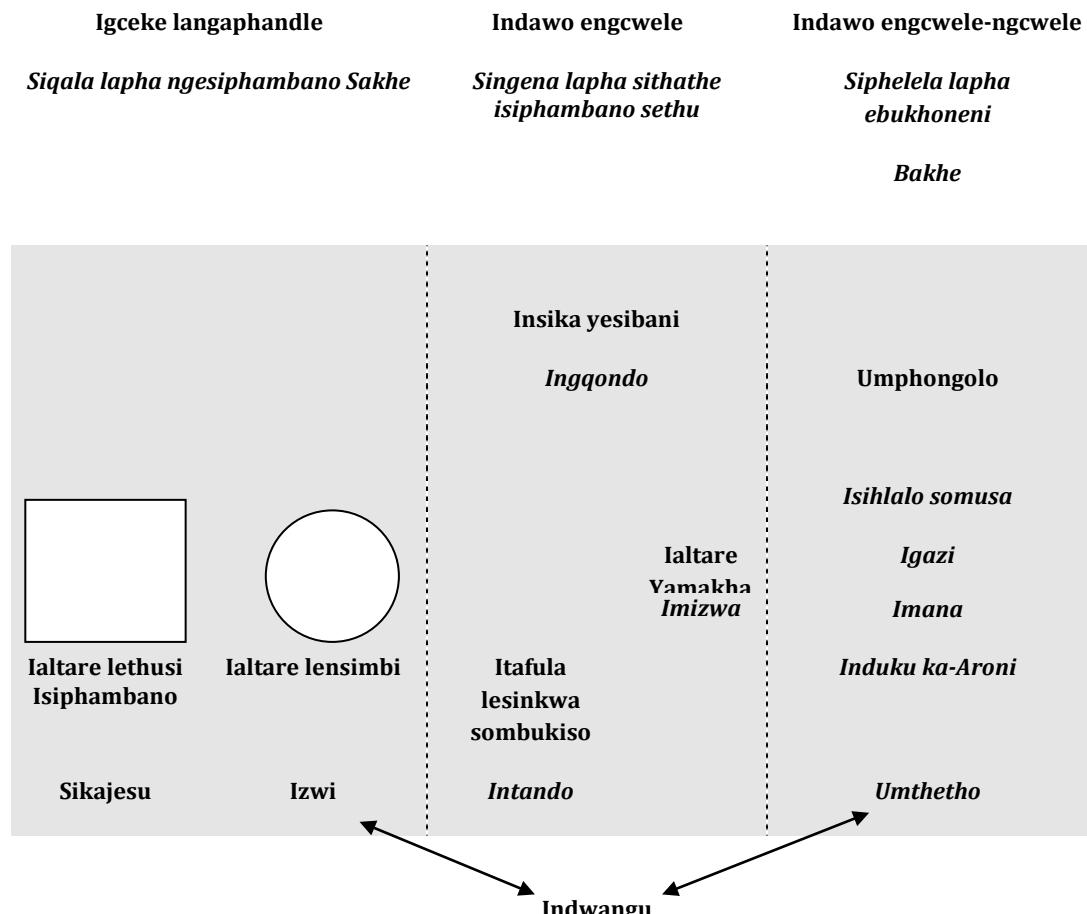

iTestamente elidala lisitshela ngokuthi abantu bakaNkulunkulu abakhethiwe baphila Kanjani emhlabeni. Kuthi ku Eksodusi naku KwabaseRoma 9 ukuthi wayiqinisa inhliziyo kaFaro. Kwakukahle kuFaro lokho? uNkulunkulu wakwazi kuqala ukuthi uFaro angeke aze Kuye, ngakho-ke, uNkulunkulu wakwazi ukumenza afanele abenenhliziyo elukhuni. Ngokweqiniso, uNkulunkulu AKAKHETHI ukwenza umuntu abenenhliziyo elukhuni. Kepha kukhona okungaphakathi kumuntu okwenza umuntu abelukhuni kuNkulunkulu lapho umuntu efulathela uNkulunkulu. YIMA-KwabaseEfesu 6:11 uthi, "Hlomani izikhali zonke zikaNkulunkulu ukuze nkhone ukumelana namasu kasathane".

Asifundeni ukuhlala.

Siyoziphatha maqondana nalokhu izinhlizyo zethu zisitshela ukuthi siyikho. "Umuntu okahle uletha izinto ezinhle phakathi kwezinto azibeke enhlizweni yakhe, nomubi uletha izinto ezimbi phakathi kwezinto azibeke enhlizweni yakhe. Ngoba okucitheka enhlizweni yakhe ngokuphuma emlonyeni wakhe" [NgokukaLuka 6:45]

UkuHLALA noKrestu eMbusweni kuhambisana nesiphambano Sakhe. Bheka futhi ku-KwabaseEfesu 2:5. Uthi sifile ezonweni zethu. Kukhona angakwenza umuntu ofile? Qha akukho. Umuntu ofile akadingi kufunda ukuhamba, ngisho nokuma, nomu ukulahla imikhuba emibi, umuntu ofile udinga IMPILO! Umuntu ofile angeke azinike impilo, angeke azame nokuzama. uNkulunkulu usebenzise uKrestu ukusinika impilo.

Okokuqala, asichaze ukuhlala ngokomhlaba kamoya.

Izinyawo zethu ziyanibamba ukuze sime, kodwa uma sihlala sibeka isisindo sethu phezu kwesihlalo. Kuyindlela esizama ngayo ukuphumula. Kukabili sikhathole nomu siphumulile. Sibeka isisindo sethu sonke kujesu, ubuthina bonke, kanye nekusasa lethu lonke.

Ekuqaleni, uNkulunkulu wenza konke ngaphambi kokuthi enze thina. uAdamu waqala impilo yakhe ngeSabatha. Kwakufanele umuntu enzeni ngendalo kulamalanga ayisithupha? Lungakanani usizo uNkulunkulu aluthola kuAdamu ekwenzeni izulu nomhlaba? Lwalunjani usuku lokuqala luka Adamu? Kwakuwusuku lokuphumula. Funda ku Genesise 1. uNkulunkulu wenza konke ngezinsuku eziwu 5, wase udala umuntu ngosuku Iwesithupha. Umuntu akazange ase uNkulunkulu. Usuku lokuqala umuntu abakhona ngalo wusuku Iwesi 7, okwakuwusuku lokuphumula. Kuphela emva kokuba uAdamu esenikezwe konke waya kuyosebenza.

uNkulunkulu wasebenza, wase ephumula. Umuntu waphumula, wase esebeza.

Nali ivangeli! uNkulunkulu wawenza wawuqeda umsebenzi wensindiso. Wasithenga ebuboshweni besono nosathane wasinikeza ubudalwa obusha, ukuzalwa okusha okufaka impilo entsha enesimo sika Nkulunkulu. Akukho esingakwenza ukuthola lokhu. Kuphela esingakwenza ukungena ngokukholwa uma sizwa ngalesisipho.

Ungazizwa uhlukile noma qha, kodwa imizwa yakho ayithembeki. Kufanele ujwayele ukuthemba iZwi likaNkulunkulu ubeke imizwa yakho nokucabanga kwakho eceleni. Izigameko ezhile nezimangalisayo ziyenzeka empilweni yekholwa. Isitha usathane, uzosebenzisa imizwa yakho yakudala ebusa ingqondo yakho ukukufihlela iqiniso. Lawo ngamaqiniso, angathenjwa. Uma siqala ukumukela Izwi likaNkulunkulu njengelibusayo kithi, siyoqala ukulibona iqiniso. Ukubuswa yiZwi akwenzwa yisimo, akwenzwa yimizwa yakho, kepha kwenzwa yiZwi likaNkulunkulu. Qala uhambo ngeZwi likaNkulunkulu uzobona ukuthi unguvani!

Kukhona uhangothi lomthetho kanye nelokukholwa ukuthi unguvani.

Uma uvuma uJesu njengeNkosi, futhi uma uNkulunkulu ahlanyela Izwi Lakhe enhlizweni yakho, ungenile ekufeni nasekuvukeni kukaJesu. Sewazi ukuzalwa kabusha. 1KaPetru 1:23 uthi, "Njengoba uzelwe kabusha, kungembewu ewonakalayo, kodwa ngembewu engonakali, ngeZwi eliphilayo likaNkulunkulu, elikhona phakade".

Ngokomthetho, sabethelwa noJesu njengokusho KwabaseGalathiya 2:20 na KwabaseRoma 6:6. KwabaseGalathiya 2:20 uthi, "Ngabethelwa noKrestu, futhi ngiyaphila; kepha akuseyimi, kepha nguJesu ophila kimi. Nokuthi lempilo engiyiphila manje enyameni, ngiyiphila ngokukholwa iNdodana kaNkulunkulu, eyangithanda yazinikela ngenxa yami".

Nanoma, singaba singalutholi lololwazi manje. kuyilapho amanangi amakholwa amasha alahleka khona. Kuphela ngoba abahlangani neqiniso ngeZwi, noma ikakhulu, bezwa lokho okungasiko Izwi lisho khona, lokho kubaqedu amandla bayeke ukukholwa. Emhlabeni, sikhola ngokubona, kepha ngoNkulunkulu, kufanele ukholwe ngaphambi kokuba ubone.

Kufanele sazi ukuthi asibona abantu ababili, asinazithunzi ezimbili! Amanye amakholwa akhulisa lowomcabango ngenxa yolwazi labo lokwehlulwa isono. Abanye bathi ingxoxo kaPawulu kuKwabaseRoma 7 ikhombisa ukuthi kukhona impilo ezimbili kumuntu. KwabaseRoma 7 akasho lokho. Isto ukuthi umthetho wesono usebenza ngaphakathi kithi, Uma wabethelwa noJesu wazalwa kabusha, bese lemvelo yakho

endala,lomuntu omdala usefile, ngokuthi umuntu omusha usezelwe ngaphakathi kwakho.

Uma sizelwe kabusha, umoya wethu wakhwa kabusha, uma siya Ezulwini imizimba yethu yakhwa kabusha, kepha ingqondo zethu zivuselelwa njalo nje uma siphila Ngezwi likaNkulunkulu. Impendulo kulomshikashika injengoba umfundisi wethu ekumisa uma eshumayela. Uthe asiphili ihlaya, abantu ababili, kodwa kalula, "inyama" yethu iyilokucabanga okudala ebucopheni bethu nasemicabangweni yethu. Ingqondo zethu "zinokugciniwe" okudala okusibuyisela ekwenzeni kwakudala. Kufana njengesihlahla esinqunyiwe kodwa kusenamacabunga asaphilayo kuso. Umbhalo okuqinisayo lokhu kusho u-KwabaseRoma 12:1-2 wona othi, "Ngakoke, ngiyaninxusa bafowethu, ngomusa kaNkulunkulu, ukuba ninikele imizimba yenu njengomnikelo ophilayo, ongcwele nojabulisayo ebusweni bukaNkulunkulu, Lena yindlela yenu ngokomoya yokukhonza. Ningaguuki futhi nifane nokomhlaba, kepha khulani ngokuvuselelwa kwengqondo zenu. Ngakho niyophumelela ukuzwa nokuqiniseka ukuthi iyini intando kaNkulunkulu - ubukahle, nokuthula nentando Yakhe ephelele".

uJesu ubeyisono sakho wena waba wubuqotho Bakhe.

11KwabaseKorinte 5:21 uthi, "Owazenza waba yisono sethu, ongasazanga isono, ukuze sibe msulwa kuNkulunkulu ngaYe".

Kwenzeka kanjani lokhu? Isivumelwano segazi senzwa empilweni yakho. Ushintsho olukhulu phakathi kwakho noJesu Kresu Iwenzeka. Esiphambanweni, wathatha konke okubi nokungahambisan noNkulunkulu empilweni yakho. Ekuvukeni wakunika lonke igunya lendalo kaNkulunkulu uSomandla! Wanenza amadodakazi namadodana wakwenza wahlala Naye embusweni "ophakeme" ngaphezu kwazo zonke izitha zakho. Usathane, isitha sakho, wenza ngawo onke amandla akhe ukutshontsha lokhu ngamanga. Nanoma, uma ulazi iqiniso, futhi ume eqinisweni, uyokuba ngumnqobi! Wangena ekubethelweni kanye naYe, ekufeni kanye naYe waze wavuswa kanye naYe.

Akesibheke ukuthi uJesu ufile kanjani kulesisihlalo. Wabethelwa, wafa, wangcwatsha wavuswa. Ekuvusweni Kwakhe waba ngowokuqala endalweni entsha. Emva kokuba abafundi Bakhe nesixuku esingu 500 sabantu bambone izinsuku eziningi, wabuyela emva esandleni sokunene sikaBaba, wahlaliswa njengeNkosi nombusi womhlaba.

Manje, uma sihlezi naYe embusweni, loko kuba yisizathu sokuthi sikwenzile konke kanye naYe, ukufa, ukungcwatshwa, ukuvuswa nokunyuka saba yindalo entsha.

Kunjengokubeka uphawu encwadini, bese uhambahambisa lencwadi. Lophawu luhamba nalencwadi. Ungabuza, "Ngikwenze kanjani konke lokhu noKrestu, bengikakazalwa nokusho?"

Impendulo kulokho yiqiniso lokuthi uNkulunkulu uphila phakade, wukuthi Yena akanasikhathi. Ngako uma sizalwa kabusha, sithatha onke umlando kaJesu, akusho lutho ukuhluka kwezikhathi. Imibhalo yalokho yi:

"Kangkanani ngegazi likaJesu [lona ngomoya waphakade wazinikela engenasici nabala kuNkulunkulu] ukuhlwitha unembeza wakho emisebenzini efile ukuze ukhonze uNkulunkulu?"[KubaHeberu 9:14].

"[lokhu] umusa esanikwa wuKrestu uJesu ngaphambi kwesikhathi saphakade"[2KuThimothewu 1:9b]

Okulandelayo ngamaqiniso eZwini okufanele uzindle ngawo. Lamaqiniso ayimbewu enhle, ayozala isithelo esihle empilweni yakho.

Umoya oyingcwele ngeZwi ungakwenza njengoba unjalo ube yiqiniso kuKrestu. Kufanele umukele iZwi mathupha ulithembe njengencwadi yomthetho.

Ubelahlekile futhi ungenathemba. Lokho kusho ukuthi omunye umuntu kufanele ahambe akufune. KwabaseEfesu 2:12 [a&b] uthi, "ukuthi ngaleso sikhathi ubengenaye uKrestu,... ungenalo ithemba ungenaNkulunkulu emhlabeni".

Ubufile ngezono zakho. Ayikho indlela ngomuntu ofile, ngaphandle kokuba anikwe impilo. KwabaseEfesu 2:1 uthi, "Wase philisa wena, owayefile ngezono nezipambeko".

Legazi uJesu alichitha esiphambanweni lageza izono zakho. uthethe indawo yakho.KwabaseKolose 1:14 uthi, "Esasindiswa ngegazi lakhe, lahlanza izono". Izono zethu zisusiwe kithi zafakwa kuJesu, iwundlu elingumhlatshelo.

Ubusuvele "ukuKrestu" uma lezizehlakalo zenzeka.

Wabethelwa kanye noJesu. "Ngabethelwa noKrestu; akuseyimi ophilayo, kepha uKrestu ophila kimi; nalempilo engiyiphila manje enyameni ngiyiphila ngokukholwa indodana kaNkulunkulu, eyangithanda yazinikela ekufeni ngenxa yami"[KwabaseGalathiya 2:20]

Wangcwatshwa kanye noJesu. "Ngako sangcwatshwa Naye ngokubhaphathizwa ekufeni"[KwabaseRoma 6:4]. Ngoba sangcwatshwa Naye ngombhaphathizo"[KwabaseKolose 2:12]

Wenzwa waphila kanye Naye uKrestu.. Wena owafa ngeziphambeko zakho nokungasokwa enyameni, kanjalo wakuvusa waphila Naye"[KwabaseKolose 2:13]. "Nanoma sasifile ngezono zethu[uNkulunkulu] wasenza saphila kanye noJesu"[KwabaseEfesu 2;5]

Wavuswa kanye noJesu. Sewuhlezi noJesu.

"[Yena uNkulunkulu] wasenza saphila kanye noKrestu noma sasifile ngezono -- kungumusa ukusindiswa kwakho. Kodwa uNkulunkulu wasivusa noKrestu wasihlalisa Naye endaweni yoBukhosи ngoKrestu uJesu". [KwabaseEfesu 2:5,6]

Loku kungukuma kwethu ngokomthetho noNkulunkulu namuhla nesiqalo selungelo lethu lomthetho. Maqondana nomhlaba kaMoya, isihlalo sakho sikuJesu eMbusweni weZulu. Usesihlalweni sokubusa. Usathane nengqondo yakho kuzokutshela ukuthi awuhlalanga noKrestu eMbusweni waseZulwini, kodwa lokho kungamanga! Udinga ukukwazi ukuthi uNkulunkulu ukuhlalise Naye[uJesu] lapho usese yisoni!

Ungazibuza, kwenzeka kanjani lokhu? Muhle lombozo. uNkulunkulu usifaka kuKrestu. "Kodwa ngenxa Yakhe ukuKrestu uJesu, owaba wukuhlakanipha okuvela kuNkulunkulu-nobuqotho nokuhlotshisa nensindiso"[1KwabaseKorinte 1:30].Ukuba kuKrestu kufana nokuba kubaba wakho nomama wakho njengesidoda [sperm] neqanda. Uthole ubundlalifa bomlamdo wabo njesizukulwane. Cabanga nje ukuthi uwuphawu phakathi kwencwadi. Lapho lencwadi ihanjiswa, lophawu luhamba nayo. Uma lencwadi ibekwa eshalovini, lophawu luya eshalovini. Uma lencwadi ishiswa, lophawu lusha kanye nencwadi. Uma ngesimanga lencwadi ivuselelwa iphindiselwa eshalovini , nophawu kanjalo.

Umlando wakho, nokuthi ungubani kuKrestu kungenxa yesivumelwano segazi noNkulunkulu ngoJesu ngokufa esiphambanweni nokuvuka kwakhe.

Uqondile. Ukuqonda kusho ukulunga[ukuma kahle] kuNkulunkulu. Indodana [noma indodakazi] iqondile kubaba wayo kwasekuzalweni. Uphakathi emndenini futhi unelungelo leli umakhelwane angenalo. KwabaseRoma 6:8-10 uthi, Kepha uma safu noKrestu, siyakhola futhi ukuthi sizophila Naye, ngokwazi ukuthi lapho uJesu evuswa kwabafleyo, akasoze aphinde afe; ukufa akusenamandla Kuye. Ngokuba wafa, wafa esonweni kanye; kepha kulokho uyaphila, Uphila kuNkulunkulu". Uma lomhlaba wemimoya ukwenze waphila ovalweni, uNkulunkulu uzokukhulula khona manje!

Sidinga imvuselelo yengqondo,

"Ngalokho ngiyaninxusa bafowethu, ngomusa kaNkulunkulu. Ukunikela imizimba yenu njengomnikelo ophilayo, ongcwele nojabulisayo kuNkulunkulu--lena yindlela yenu kaMoya yokukhonza. Ningasaphendukeli ekubeni ngabohlobo lomhlaba, kepha khulani ngokuvuselela imicabango yenu. Ngalokho niyokukhona ukubona nokuba neqiniso ngokuyintando kaNkulunkulu--ubukahle Bakhe, ukulunga nenjongo ephelele"[KwabaseRoma 12:1-2

Nasi isithembiso sikaNkulunkulu kuwe.

KubaHeberu 8:10 kuthi, "Lesi yisivumelwano engizosenza nendlu kalsrayeli emva kwalezo nsuku, kusho iNkosi; Ngizofaka imithetho Yami engqondweni zabo, ngiyilobe enhlizweni zabo: futhi ngiyokuba nguNkulunkulu kubo, nabo bayokuba Kimi ngabantwana".

Funda ku-1 NgokukaPetru 1:6-7. Lithini ngezilingo nezinhlupheko?

Okubonakalisa ukuthi uyakholwa noma awukholwa akusi ngokuthi uziwa kanjani. Isibonelo wukuthi kuphumani emlonyeni wakho kulomnotho wenhliziyo yakho. NgokukaLuka 6:45, Umuntu omuhle kulobuhle abubeke enhlizweni yakhe uveza okuhle. Nomuntu omubi kulobubi abubeke enhlizweni yakhe uveza okubi. Ngokuba ngalokhu akubeke enhlizweni yakhe ukusho ngomlomo wakhe".

Okuyona ndlela kuphela yokunqoba nokuphila ezintweni ezifana nesono, uvalo, ukulahlwa, injwayelo embi, ukuzizwa ungelutho, ukuzizwa njengesehluleki, nokunye, ukumukela lawamaqiniso. Uma sikwazi ngokweqiniso ukuthi uNkulunkulu uyasithanda, ukuthi singabakhe, ukuthi usenze saba yizidalwa ezintsha, izinto zakudala sezadlula futhi sesiyakwazi nokuthi singobani kuKrestu, ukuthi sathengwa ebugqilini sanikezwa igunya lokwamukela uBukhos, uMbuso nokunakwa nguNkulunkulu, kuyilapho siqala uhlelo lokunqoba zonke izinto ezimbi empilweni zethu.

Okulula kakhulu esingakukhumbula yisiphambano. Isiphambano sika Jesu sithatha konke okubi empilweni zethu nalokhu okuzama ukuza empilweni zethu, sikuphendule kube yisibusiso.

Yonke lenjabulo nendaba ezimnandi ukuthi singobani kuJesu akufanele kusinike ukuziqhenya, nempilo yokuzikhukhumeza. "Ngingumvini, nina ningamagatsha" [NgokukaJohane 15:5]. Ngaphandle kokuzinikela ngokuphelele empilweni kaNkulunkulu esinikwe yona, asisilutho. Asibizelwanga ukuba ngabantu abanamandla azimele. Sibizelwe ukuthembela kulempilo esinikwe yona ephakathi kithi. igatsha lingenze lutho, lizokufa, uma lingahlali lixhunyelwe emvinini. Kufanele simbathe ingubo yokuzithoba sazi futhi ukuthi ngaphandle Kwakhe asilutho! Uma ubhekisia ku-NgokukaJohane 15, ukuhlala uthembele kusho ukuhlobana neZwi likaNkulunkulu.

Ungazensi inkukhu, uwukhozi!

Ngeliny' ilanga, iqanda lokhozi lagingqika lawela esidlekeni senkukhu. Kwazalwa ukhozi olwakhula nezinkukhu lwaziphatha njengenkukhu, kepha uma likhula labona umahluko njalo. Akukho muntu owayelapho ukulitshela ukuthi alisiyo inkukhu, kodwa ukhozi.

Uma kuba nezivunguvungu, ukhozi laligijima njalo liye endlini yezinkukhu kanye nazo izinkukhu, ukuyovikeleka, kodwa njalo ukhozi uma ligijima lwalubheka emuva ngaphezu kwamahlombe alo, libone lezizinyoni ezingajwayelekile zindiza ngasemaweni. Zazingesabi, zazingabaleki. Zilenga emoyeni amaphiko avulekile anamathele kuzo[kuzenza zifane namaphiko endizeni], zibheke ngqo esivunguvungwini noma sisekude. Zime zalinda zalinda[emoyeni], vu! Umoya wafika kuzo esikhundleni sokuba zilimale, into eyenzeka ukuba ukuvunguza kuzenze ziphaphe zidlalisele phakathi kwesivunguvungu. Zaba phakathi emoyeni , nangephezu kwebanga eliu 30,000 wamafiti ngaphezu kwesivunguvungu lapho umoya uhlobe khona.

Ukhozi lwaluvame ukuzitshela, "Awu ndoda bheka lababafo, ngiyafisa ngabe ngifana nabo".

Ngelinye ilanga ukhozi labheka PHEZULU, labona ukhozi lundiza lidlalisela phezulu emoyeni. Ngokushesha okukhulu lakwazi, "Angiyona inkukhu, ngiwukhozi. Ngibalekelani?" Lakhwela eweni, lavula amaphiko alo, lasho selindiza lidlalisela!

Mngane wami, awusiye umuntu nje, awuyona inkukhu. Wakhelwa ukuphila eMbusweni weZulu noKrestu. Bheka phezulu!

Okucaphunwe ku Richard Wurmbrand's devotional, Ukufinyelela phezulu-May 15th.[5]

"Sibangcwele ngokudla ukudla kukamoya okukahle.

Kusifundo sesibonelo kutholakale ukuthi izibungu ezijwayele ukuhlala emnyameni zingatshintshwa ukuyekela lenjwayelo zithande ukukhanya. Njalo nje uma zibuyela ebunyameni, zihlangana nokushaywa wugesi, kuthi- ke njalo uma ziya ekukhanyeni, zithole ukudla okuningi. Ngokuya kwesikhathi, lezizidalwa 'zaba yizibungu ezintsha', ukusebenzisa ukuphawula kwebhayibheli. Okuphambene nenjwayelo yohlobo lwazo, kusukela ngaleso sikhathi kuya phambili zathanda ukukhanya kunobumnyama. Kwase kuthi lezizibungu zabulawa zajutshwa zaba yizicucwana zafakwa ekudleni, okwanikezwa lezi ezinye izibungu zohlobo lwazo: kwase, bheka, lezi zibungu zatshintsha injwayelo yazo. Zanda, ngokunikezwa kwazo inyama yalezizibungu ezinenjwayelo entsha, iRibonucleic acid [RNA], okwakungena ezingqondweni zazo. Zaxwaya ubumnyama zakhetha ukukhanya njengalezidalwa ezazidla. Izifundo sibonelo zenziwe nangezinye izilwane.

Uma ufunya ukuba ngumuntu omusha, umuntu ongcwele nomsulwa, dlani uJesu. Waba yinyama ukuze abe wukudla kwakho kwemihla ngemihla"

Isahluko 5-Hlala

Esiphambanweni, uJesu athatha ku-MaHubo 22:6 “Kepha mina ngiyimpethu”

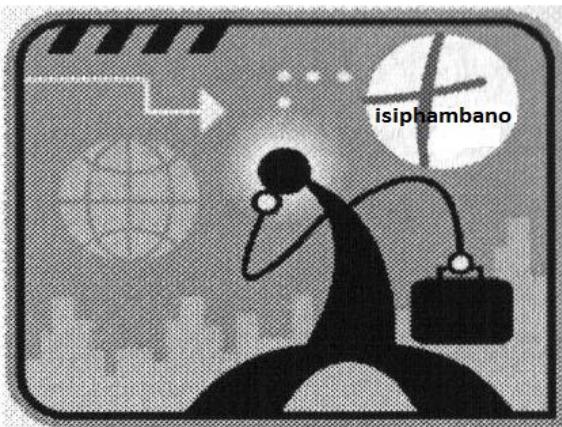

Strong's concordance[2] isischasiso sempethu:

"08438 elwt towla' [to-law]. Kusuka ku 03216; TWOT-2516b; nmAV-okubomvu klebhu 34, impethu 8, okububende-insikazi 'coccus ilicis' 1b] okubomvu klebhu, okububende, okubomvu klebhu 1b1] lopende owenzwa ngomzimba owomisiwe wempethu yensikazi "coccus ilicis"

Lapho insikazi yohlobo Iwesibungu esibomvu klebhu ilungele ukuzala umntwana wayo, inamatelisa umzimba wayo esiqwini sesihlahla, izinamatelise ngokuqina nokwanomphela ukuthi kayisoze yehlukane nesiqu sesihlahla. Sifanele sikwenze kubesobala kusifundo "Hlala" ukuthi isimilo sethu siveza ukuziphatha kwethu, nokuthi impilo yobukholwa ayiqali ngoku "hamba". Ngamanye amagama ukwenza kwethu, nanoma ngabe yini esingayenza noma esingayibonakalisa. Ububele esingene ngabo, nobubele yibona obuyosiyisa phambili!

Konke kumaqondana nomsebenzi kaJesu ophelelisiwe esiphambanweni eKhalvare nalokhu akubonakalisa lapho nokuthi saba ngobani ngenxa yesiphambano.

INKosi yasenzela konke thina. Ihlezi esihlalweni nathi sihlezi kanye Nayo. Sabethelwa, safu, sangcwatshwa, savuswa sanyuka kanye Naye futhi sesihlezi kanye Naye emkhathini. KwabaseEfesu 2:6 uthi, "Wasivusa kanye Naye, wasihlalisa kanye Naye embusweni wezulu kuKrestu Jesu".

Nanoma, impilo yobukholwa ayipheleli lapho. Impilo yethu yobukholwa wubuhlobo phakathi kwabantu ababili, uNkulunkulu nathi. Ubuuhlobo abenzeki ngokuphazima kweso, budinga isikhathi. Kuyilapho kuba nenkinga kumakholwa amanangi. Abafuni ukuthatha isiskhathi, sokuveza ukuzinikela kwabo nokugcina lobubuhlobo buphila futhi bunamandla kuNkulunkulu. KwabaseRoma 12:1-2 ukwenze kwaba sobala ukuthi ngalobububele bukaNkulunkulu obuyisimanga kufanele nathi siphendule ngokuzinikela njengomhlathelo, okuwukumsebenzela kwethu. Uma senza njalo sivuselela imicabango yethu ukusuka kulempilo yakudala bese kubonakala njengesithembiso esikwenzayo, futhi sibonakalisa intando kaNkulunkulu empilweni zethu.

Ukuhamba ngokufanele endleleni kaNkulunkulu kuhambisana nesiphambano sethu. NgokukaLuka 9:23 uthi, "Wayesethi kubo bonke, uma umuntu ethanda ukuza emva kwami, makazidele, athabathe isiphambano sakhe imihla ngemihla, angilandele".

Khumbula, ubuhlobo bethu noNkulunkulu yisivumelwano segazi. Kudinga inhlangothi ezimbili nokufa okubili ukuze lesisivumelwano siqine.

Kunenhlobo ezahlukene vezinto okufanele sikhethe kuzo nsukuzonke.kumayelana nothando Iwethu, ukuthi sisondela eduze noma siyaghela kuNkulunkulu.

- a. Khetha esimilweni: Sithi yebo moma qha ekutshontsheni, emangeni, ekukhohliseni, ekujoleni, ekuhlebeni nokuningi? Silalela Izwi, noma inyama yethu?
- b. Izilingo nezihlupheko:Sithi yebo noma qha ekuthembeni Izwi likaNkulunkulu kunokusenzekelayo? Siyalithemba Izwi noma inyama yethu?
- c. Ubukhosi:Sithi yebo noma qha ebukhosini buka Jesu noMoya Oyingcwele? Sithi yebo noma qha ebabusini uNkulunkulu asibekele bona, njengothisha, abaholi bamabandla, amaphoyisa, abazali, njalonjalo.? Uma ungakhoni ukulalela lona okuphethe, ngakho suka. Uma bakucela ukuthi wone, ngako ungabalaleli. uNkulunkulu uzokuvikela ngisho kubabusi ababi.
- d. Izwe:Sithi yebo noma qha ezweni? Izwe lingumbusi kamoya njengo Mbuso kaNkulunkulu. 1NgokukaJohane 2:15-16 uthi ukulangazelela ukuthokozisa inyama, ukuphangangizwane izinto ngengqondo nokuba neqiniso ngonakho ko "mhlabo" [inkanuko yenyama, inkanuko yamehlo, ukuziqhenya empilweni]. Njalo nje uma sikhetha okunye kwalokhu, siba kude kuNkulunkulu.

Asisimsulwa, kodwa singahamba siphile ngokuphenduka.

Siyohluleka ngezikhathi nezikhathi, kepha uNkulunkulu usinika ukusixolela okumsulwa, kwangathhi asikaze sone. 1NgokukaJohane 1:9 uthi, "Uma sivuma izono zethu, Uthembekile futhi ukahle ukusixolela izono zethu, nokusigeza kukho konke ukungalungi".

uNkulunkulu uyazi ukuthi iningi lethu liyahluleka kepha lingaqondanga ukuhluleka, kodwa ngoba siyizigqila zokunye. Usizo lwakhe akusi ukusishaya, kodwa ukuza kithi asitshele ukuthi singobani Kuye, ngethemba elizokwenza ukuba sidonsekele Kuye kakhudlwana.

Ungabi njengoEsawu. Ubeyiwele noJakobe. uEsawu, ngokubheka ubengemubi kunomfowabo wewelesi uJakobe. uJakobe ubengumkohlisi, ke- lapho uNkulunkulu

wangenela futhi ngamandla amakhulu wanika ubuzibulo kuJakobe, nakuba uJakobe ubengemuva nasesibelethweni sikanina. uEsawu wadelela ubuzibulo bakhe, ecabanga ukuthi abuyona into enkulu, wabuthengisela uJakobe ngesitsha sesobhe.

Kodwa ekuhambeni kwesikhathi lapho ezama ukuphenduka, wangasakhoni. Sinelungelo lobuzibulo bukamoya lapho sizalwa kuNkulunkulu, lokhu kuyisixhwayiso kithi ukuba singabudeleli. Singagcina sifana noEsawu, owahluleka[KubaHeberu 12:16]

Ukuhamba emoyeni.

KwabaseGalathiya 5:16 uthi, "Kepha ngithi: Hambani ngoMoya, khona aniyikufeza izinkanuko zenyama".

KwabaseRoma 8:1 uthi, "Kanjalo akusekho ukulahlwa kwabakuKrestu Jesu, abangahambi ngenyama kodwa ngomoya".

Ukuhamba ngomoya kuyinto elula, kodwa indlela ehlukile yokuphila nelula engiyaziyo yokulunga kuNkulunkulu nsukuzonke. Kuwuhi oluhamba kanje:

1. Uyaqhube ka ukubheka eZwini likaNkulunkulu [isibuko] futhi ucele uNkulunkulu ukuba akukhombe ukuthi uphile kanjani. Cela Yena, ufunе ukuthi ngabe yini isimiso sempilo yakho. Ungathatha kanje, sithi ungaqambi amanga, uphathe kahle abangane bakho ngothando, ulalele abazali bakho nothisha, uphathe abafowenu nodadewenu ngokulunga, ungadakwa, ungazifuneli okwakho, ungathukutheli, xolela njalo noma ngabe kunjani, njalo njalo.

2.Uphokophelele ukuphila lempilo uNkulunkulu afuna uphile yona, wazi ukuthi kuhphela nguNkulunkulu ongakuhamisa kulempilo efunwa yiNkosi.

3. Uma uhluleka, futhi uzohluleka, thembeka kuwe ngokuphelele, kuNkulunkulu nabanye onabo. Phenduka [jika] ngokushesha. Isithembiso wukuthi uma siphenduka [sijika] uMbuso weZulu ususondele, noma usufikile kithi.

4. Vuma isono sakho kuNkulunkulu. 1NgokukaJohane 1:9 uthi, "Uma sivuma izono zethu, uthembekile, ulungle ukuba asithethelele izono, asihlambulule kuko konke ukungalungi".

5. Vuma lokhu Izwi likaNkulunkulu lisho khona ngesimo sakho ngendlela ehambisana neZwi, isibonelo, KwabaseGalathiya 2:20 usho kanje, "Akuseyimi ophilayo, kepha uKrestu uphila kimi; kodwa ukuphila engikuphilayo kalokhu enyameni ngikuphila ngokukholwa, okungukukholwa yindodana kaNkulunkulu eyangithandayo yazinikela ngenxa yami".

6. Kanjalo uma uqhubeka ukuziphatha ngalendlela ukuziphatha kwakho okudala esonweni kuqala ukushabalala. Umusa kaNkulunkulu uba ngaphezu kwakho ukunikeze isimilo sikaNkulunkulu kunesimilo sakho esidala.

7. Umusa ukhona esonweni sakho. Awubimuhle kuNkulunkulu ngezinto ozenzile, ngako ukuthembeka kwakho kusekhona lapho, kuphela kunokungcola kukho.

Lapho usahamba emoyeni, uNkulunkulu uveza umusa wakhe ngamaphutha akho, asuse isijeziso sesono esasifanele usihlupheke, akunike isibusiso owawungasilindanga.

8. Akusho ukuthi umusa uza ngoba sewonile, futhi nokuthi uNkulunkulu ukunika isibusiso owawungafanele ukusithola, kodwa lomusa owamukelayo eqinisweni ungamandla asusa isono [noma lenkinga obunayo] owawulwa naso kwasekuqaleni. Bheka kuZakariya 4:7 yena othi, "Ungubani wena ntaba enkulu? Phambi kukaZerubabele uyakuba yithafa; uyakukhipha itshe eliyinhloko ngokumemeza ukuthi, 'Umusa mawube kulo!'" uNkulunkulu ukhulumma "umusa" esimeni sakho, ngisho nentaba iyakhwesha!

uDavide wayebizwa ngendoda esenhлизweni kaNkulunkulu, ngisho nanoma esephinge noBatisheba wabulala u-Uriya. Ungazithola usesimeni esinjalo. Uma kunjalo, ufanele ukhumbule ukuthi uDavide akavumanga kuphela isono sakhe kuNkulunkulu, kodwa njengoba kuletshiwe ngokuphenduka kwakhe ku-Mahubo 51, ucele uNkulunkulu ukuba amniike inhliziyo emsulwa nokuba avuselele umoya okahle ngaphakathi kwakhe. uNkulunkulu uyazi iqiniso uma ufana ukutshintsha ufane noDavide akwenza.

Izwi liyasahlulela. Ufanele ubheke esibukweni.

KaJakobe 1:23-25 uthi, "Ngokuba uma umuntu engolizwayo izwi engesiye olenzayo, lowo ufana nomuntu obuka ubuso bakhe bemvelo esibukweni; 24 ngokuba uyazibuka, amuke, akhohlwe masinyane ukuthi wayengonjani. 25 kepha obukisisa emthethweni opheleleyo wenkululeko nohlala kuwo, engesiye ozwayo nje akhohlwe, kodwa engowenzayo asebenze, lowo uzakuba ngobusisiwego ekwenzeni kwakhe".

Izwi likaNkulunkulu lingumahluleli wethu njengesibuko singumahluleli wethu. Siyasibheka sisitshele iqiniso ngokulungile nokungalungile. Kodwa singakubona ukungqola ebusweni bethu , sikwazi, singakunaki sikhohlwe ngakho. EkaJakobe isitshela ukuthi singenza okufanayo uma sibheka Izwi likaNkulunkulu. Singakubona esifanele sikwenze, kepha sihambe kwangathi asikaze sakubona.Uma lomuntu olalelayo ebusisiwe, ngako lona ongalaleli uqalekisiwe.

Ukulalela Izwi kuyinto enamandla kakhulu!

1.Kona uku"thatha isiphambano sakho," kuqedelela isisvumelwano sakho segazi kukubeke ngaphansi kwezandla zokunaka zikaNkulunkulu.

2. Lokho kumsusa ngokuphelele usathane ezintweni zakho. Uyolokhu ezama ukukulimaza, izinto ezimbi ziyanakala zenzeka, kodwa soze zakulimaza.NgokukaMathewu 7:24-27 uthi, 24"Ngalokho yilowo nalowo ovezwa lawa mazwi ami, awenze, uyakufanisa nendoda ehlakaniphileyo eyakha indlu yayo phezu kwedwala. 25 Layithela imvula, kwafika izikhukhula, kwavunguza imimoya, yayishaya leyondlu; kepha kayiwanga, ngokuba yayisekelwe yidwala. 26Kodwa yilowo ovezwa lawa mazwi ami, angawenzi, uyakufanisa nendoda eyisiwula eyakha indlu yayo phezu kwesihlabathi. 27 Layithela imvula, kwafika izikhukhula, kwavunguza imimoya, yayishaya leyondlu, yawa, kwaba kukhulu ukwa kwayo!"

3. Kulungiselela ingunaphakade yakho. Uma uqhubeka ulalela, noJesu uqhubeka njalo ngokukunika Umoya Wakhe abuye azenze abe yiqiniso kuwe. Futhi,kubakhona okwenzeka ngaphakathi kwakho emva kwesikhathi okukuhlukanisa nokwasemhlabeni kukwenze ube seduze noJesu. Uma ufika eZulwini, uyokuba nesihlalo eduze Kwakhe ngunaphakade!

4.Njalo kunesinxephezelo ekulaleleni Izwi Lakhe. NgokukaJohane 14:23 usitshela ukuthi isinxephezelo sethu ubukhona Bakhe kithi. uJesu usiholela ebukhoneni Bakhe lapho siyokwazi ingunaphakade, siba ngabahlanganyeli bemvelo engcwele!

5. Uba yisigqila salowo omlalelayo, Kungaba nguJesu noma ngomunye okhona? KwabaseRoma 6:16 uthi, "Anazi yini ukuthi lowo enizinikela kuye ukuba nibe yizinceku zokumlalela, niyizinceku zakhe enimlalelayo, noma ezesono kube ngukufa noma ngezokulalela kube ngukulunga, na?"

Ukuthembeka kuNkulunkulu akukho ekwesabeni ukuthi uzokulimaza uma ungamlaleli; kusekubeni neqiniso lokuthi uyamthanda Yena futhi ufunu ukumjabulisa. NgokukaJohane 14:21 uthi, "Lowo ozwa imiyalelo Yami futhi ayilandele, unguloye ongithandayo Mina. Lowo othanda Mina uzothandwa nguBaba, nami ngizomthanda ngizibonakalise kuye."

Uma ufunu ukubona ukuthi ngubani othanda uNkulunkulu, bhekisia ukuthi ngubani oyeka eyakhe indlela ukuze alalele uNkulunkulu!

Manje ake sibheke esibukweni, [Uyacelwa ukuba ubuyele ku-Uhlolo lukamoya kusahluko Umfula ogobhozayo.]

Yima

Ukewathenga into esitolo yangasebenzi ngendlela yakhona wasuzama ukuyibuyisela emuva esitolo? Yilokhu amakholwa amanangi akwenzayo.

Bayazizwa lendaba ezimnandi bangalindi isikhathi esanele ukuze babone iqiniso empilweni zabo, baphindisela indaba ezimnandi njengento engasebenzanga!

Kwesinye isikhathi kunzima ukukholwa iqiniso esingeke silibone noma silizwe ngemizwa yethu eyisihlalu yemvelo. Kungeke kwaba khona mpumelelo ngaphandle komzukuzuku.

Kufanele sazi ukuthi siphila endaweni yesitha. Inhloso yesitha ukugcina abalahlekile babe ngabalahlekile baye esihogweni. Inhloso yaso ngamakholwa ukuwahehela embusweni wasemhlabeni nohlelo Iwawo Iwemali, imidlalo, amandla, udumo, njalo njalo.., ukuze amakholwa angaboni ukuthi angaphila eMbusweni ophakeme, uMbuso kaNkulunkulu. Usathane akasebenzisi "okubi" ngaso sonke isikhathi ukusilinga, kwesinye isikhathi usebenzisa izinto e"zikahle" zasemhlabeni ukusitshontsha eMbusweni kaNkulunkulu. Usathane usebenzisa izimo nemicabango ukusikholisa ukuthi asiHLALANGA noKrestu, nokuthi singaHAMBI njengoba ehamba nokuthi siyeke ukuzama nokuMA ezithembisweni. Siyizindlalifa eMbusweni kaNkulunkulu, manje kungani siphile njengalabo bantu abangezona?

Ukumelana namaqhinga kasathane.

KwabaseEfesu 6:11 uthi, "Hloma ngazo zonke izikhali zikaNkulunkulu ukuze ukhone ukumelana namaqhinga kasathane."

Manje siyakuzwisia ukuhlala [singobani kuKrestu], kanye nokuHamba [ukuphila impilo efanele inkosi], silungele impi kamoya, ebizwa ngokuthi ukuMa.

phezu kwestha!
Uhluliwe usathane

Indlela kaNkulunkulu yokunaka zonke izidingo zakho wukukunika isithelo kulembewu Yezwi. Isu likasatane lokuvimba lesithelo wukutshontsha lembewu noma/wukwenza ingazali isithelo. Ukuma yisinyathelo esiphelele ekuzaleni imbewu empilweni yakho. UkuMA kwalabo kuphela abakhonile ukuHLALA noku HAMBA. Ukuma kusho ukubambelela ekuzithobeni, ekuthembekeni, ekuqiniseleni, nokukhuluma amazwi okukholwa nanoma isimo sibhekeka sisibi kanjani noma wena uzizwa ungasakhoni. Lokhu kusho ukwenza lokho okufunde ekuHlaleni nasekuHambeni nsukuzonke.

Nayi indlela okusebenza ngayo:

uJesu wayefundisa abafundi bakhe kuNgokukaMarku isahluko 4. Wabatshela ukuthi isimanga [akusiso esinye sezimznga, kodwa isimanga] soMbuso kaNkulunkulu sikulomfanekiso. Wababuza kuvesi 13, "Wayesethi kubo, 'Ani wazi lomfanekiso na? Manje niyoyazi kanjani yonke imifanekiso?'" uJesu wasebenzisa lomfanekiso womlimi njengesibonelo sembewu ehlanyelwayo, ukuchaza nokwambula isimanga sezwe elingabonakali. NgokukaMarku 4:9-11 uthi, "Wayesethi kubo, 'Loyo onezindlebe zokuzwa, makezwe.' kwathi lapho eseyedwa, labo ababenaye, nabafundi bakhe abayishumi nambili, bambuza maqondana nalomfanekiso. Wayesethi kubo, 'Nina ninikezwe ukwazi imfihlo yoMbuso kaNkulunkulu. Kepha kulabo abangaphandle, konke kuyimifanekiso nje.'"

Umbuso kaNkulunkulu wonke usebenza njengalomfanekiso.

uNkulunkulu uhlanyela imbewu yeZwi Lakhe enhlizweni zethu [akubhekwa simo senhlizyo zethu]. Lenhlanyelo imele zonke izinhloso zika Nkulunkulu empilweni zethu, kusukela ekuzalweni kabusha, kuya ekugcwalisweni ngoMoya, kuye ekuphilisweni emzimbeni nasengqondweni, kube wukunothiswa, isilethe ebuhlotsheni boqobo empilweni, nakho konke uNkulunkulu asidalele khona. Konke kusebenza ngembewu yeZwi ehlanyelwe.

NgokukaMarku 4:14-20 uthi, "Umhlanyeli uhlanyela Izwi. Lena yilena ewele eceleni kwendlela. lapho izwi lahlanyelwa khona. Lapho bezwa, usathane uza ngokushesha athathe lelizwi elihlanyelwe enhlizweni zabo. Lena yilena ngokufanayo iwele emhlabathini onamatshe; yilabo, uma bezwa izwi, balimukela ngokushesha bejabulile. Kepha abanazimpande kwabona, balimukela okwesikhashana. Kuthi emva kwesikhashana lapho kufika izinhlupheko nezilingo ngenxa Yezwi. Bacasuke kalula. Lena yilena ewele emeiveni; labo uma bezwa Izwi, kuthi ubuhle basemhlabeni, nokudukiswa yimicebo, kungene nenkanuko yezinye izinto zasemhlabeni, kuvimbe Izwi, libe lingasakhoni ukuzala isithelo. Lena yilena ewele emhlabeni omuhle, abazwa Izwi balimukele, bazale izithelo, eyodwa izale amashumi amathathu enye ayisithupha, enye ikhulu lezithelo".

Qaphela ukuthi usathane utshontsha Izwi. Lesi yisona kuphela isikhali usathane asisebenzisa kubantu; ukutshontsha Izwi noma ukusenza singaliboni Izwi [2KwabaseKorinte 4:4]. Noma ngabe ngubani ongamukela Izwi likaNkulunkulu, uzosindiswa aye ezulwini. Noma ngabe ngubani oyomukela akholwe Izwi likaNkulunkulu, uyokwenzwa apheleliswe, izidingo zakhe ziyofezwa, nempilo yakhe iyohleleka kahle. Usathane akakhoni ukulimaza lowo okholwa Izwi likaNkulunkulu. Uloku ezama ukubalinga, uyakhona ukwenza izimpawu kubo ezenza kwangathi Izwi alinaqiniso, kodwa soze akulimaze uma uzinikele ngokuphelele Ebukhosini Bezw, obunguJesu woqobo!

Sohlala njalo sidinga ukunqoba ubunzima, kodwa siyohlula singqobe.Lendlela esinqoba ngayo, umphumela, kungumsebenzi kaNkulunkulu. Kuvamile ukuthi izinto zingasebenzi njengamasu ethu. Nanoma kanjani, singamethemba Yena kuzo zonke izinto!

Uma usathane angakhona ukukwenza wenze njengemvelo yakho endala [yenymaya] neyomhlaba, angazitshontsha izithembiso zika Nkulunkulu kuwe.

kwabaseGalathiya 5:19-21 uthi, "Manje imisebenzi yenymaya isibonakalisiwe, okuwubufebe, ubuphingi, ukungcola, inkanuko, izithixo, ubuthakathi, inzondo, ukulwa, umona, inthukuthelo, ukuphikisana, ukwahlukana, ukukholwa okungesiko, umhawu, ukubulalana, ubudakwa, ubuminzi, nobunye ububi obunjalo; ngalokho ngakuxhwayisa kwakudala, njengoba ngasho kwasekuqaleni, ukuthi labo abenza into ezinjengalezi abasoze bawubona uMbuso kaNkulunkulu".[Imbewu Yezwi elizala isithelo empilweni yakho]

Kanje, ngendlela elula, enjengoyomntwana ekubhekeni izikhali zikamoya, 'ke sibheke usathane nalesikhali sakhe esisodwa nokuthi senza njani lapho ahlasela.

Ukuma, noma izikhali zikamoya, azibekelwanga abagcotshwa bakaNkulunkulu asebehambe noNkulunkulu iminyaka engamashumi amabili. Qha, zibekelwe wonke umntwana kaNkulunkulu; noNkulunkulu ukwenza kube lula kithi ukusebenzisa lezizikhali ngamandla nangentando Yakhe. Akudingekile ukuthi sibe ngompetha. Khumbula, uNkulunkulu unika umusa kwabalungile. KaJakobe 4:6 uthi, "Kepha unika umusa owanele. Ngalokho uthi, uNkulunkulu uyabenqaba abazaziyo, kepha unomusa kwabazithobile".

Kunendlela uNkulunkulu ayisebenzisayo ukuletha intando Yakhe emhlabeni.

Ukuguqula izinkinga zethu zibe yizibuso kuthatha isikhathi kuthathe nokubekezelala kwethu ekubambeleleni esithembisweni nanoma kungasathembisi.

KuNgokukaLuka 19:11-13 abafundi Bakhe bacabanga ukuthi uMbuso kaNkulunkulu uza emhlabeni khona manje, ngangokuthi zonke izinkinga zabo ziyokuphelisa ngosuku olulandelayo. Wafundisa abafundi Bakhe isifundo enzela mina nawe

"Kuthe lapho bezwa lezi zinto, waphinda washo omunye umfanekiso, ngokuba babe seduzane nase Jerusalema, nangokuthi abafundi babecabanga ukuthi uMbuso kaNkulunkulu usuzokwehla khona manje. Ngakho-ke wayesethi, Kwakukhona indoda ehloniphekileyo eyahamba yaya ezweni elikude ukuyokwamukela ubukhos, yayizophinda ibuye. Yayisibiza izisebenzi zayo eziyishumi, yabanikeza opondo abayishumi, yayisithi kubo, lindani ngize ngibuye" [NgokukaLuka 19:11-13].

Wabatshela ngomfanekiso wenkosi eyaya ezweni elikude ukuyomukela ubukhos iphinde ibuye ngokushesha. Yabiza izisebenzi zayo yanika loye naloye isamba semali engalingana imiholo yezinyanga ezine [opondo abayishumi]. Wabatshela ukuba bahlale aze abuye. Iningi labo alilihloniphanga izwi layo.

Kwaba nenhlobo ezine zabantu mhla ibuya.

1. Iqembu lalabo abaphikisana nezwi layo bangafuni ukutshelwa unoma ngabe wubani ababulawa lapho ibuya.

2-3. Iqembu lalabo abahlala noma abasebenzile bahweba ngalemali. Mayelana nokuphumelala kwabo, banikezwa enye imali futhi baphiwa ubukhos ngaphezu kwamanye amadolobha amanangi.

4. Iqembu lalaba abangazange basebenza ngoba becabange ukuthi lenkosi ingumuntu okhohlakele ozobajezisa lapho ibuya. Kubo akubanga ukuthi bangatholi zipho kuphela kodwa nemali yenkosy yathathwa kubo. Yisebenzise noma lahlekelwa yiyo!

Lisho ukuthini leligama hlala? Leligama hlala lisho ukwenza umsebenzi, ukuhweba noma ukwenza inzuzo. Ukusebenza uma silinganisa kusho ukuthatha into engasebenzanga noma ukusebenzisa okungasebenzanga, ukulungise kubeyigugu noma kusebenziseke kulethe inzuzo uma ukuthengisa. Kusho ukuguqula noma ukutshintsha into uyenze ibe nenzuzo. Lokhu kusentshenziswa ebhayibhelini kuchaza abantu abenza umsebenzi, abafuya izinkomo nezinye izinhlobo zomsebenzi ongaba muhle noma mubi.

KuZaga 3:13-18 uthi, "Ubusisiwe umuntu othola ukuhlakanipha, nomuntu othola ukuzwisia. Ngokuba inzuzo [okuthengisayo noma onakho] kukho incono kunesiliva, futhi kukhiqiza ukwedlula igolide elicolisiwe; kuhle ukwedlula itshe lerubi; nazo zonke izinto ongazifisa zingelingani nakho".

Kufanele siguqule izinkinga zethu zibe yinzuzo. Masithathe lokungalungi kwenkinga senze umsebenzi kuze kuthi ngakho ukungalungi kulethe izibusiso. Elinye igama lalokho, ukuxolela, okusho ukuguqula into ekubeni yisitha ibe ngumngane.

Lemali lena inkosi yanika izisebenzi zayo yayiyinxenye yempahla yayo.
Ngiyakholwa ukuthi impahla Yayo ngamandla ayo okuvuka lawo eyasinika wona ngoMoya Ongcwele. uJesu akanazo izinto ezimbi angasinika zona, nanoma sinezinqumo ezingaphelele okudingeka kuzo ukusebenza kwamandla esiphambano Sakhe. Ngiyavuma, ukuthi lokhu yikhona asinika kona. Singabona lezinhlupheko kwangathi zivela esitheni, futhi ngendlela eziningi ezahlukene kunjalo, kodwa uJesu ufuna sizibone njengezinto ezingalungisiwe Nguye njengezinqumo zethu ezingaphelelanga. Sivumela amandla akhe okuvuka ukuguqula izitha zethu zibe ngabangane, incithakalo yethu ephenduke itshe legugu, iziqalekiso zethu ezaphenduka izibusiso.

KwabaseKolose 1:20 uyakufakaza lokhu, njengoba ethi, "Ngoba ngaYe ukuxolela [ukuzihlobanisa] zonke izinto kuKuye, Ngaye, noma yizinto zasemhlabeni noma yizinto zasezulwini, ngoba wenza uxolo ngegazi Lakhe esiphambanweni".

NgokukaMathewu 25 wambula lesismanga.

Umfanekiso wamaThalenta. NgokukaMathewu 25:14 unika umfanekiso ofanayo njengo NgokukaLuka 19. Umnini wahamba, washiya imali emva kepha ezobuya.

Izintombi ezihlakaniphileyo neziyiziwula: NgokukaMathewu 25:1 usitshela ngeziyisihlanu eziyiziwula ne 5 ezihlakaniphileyo. Umehluko lana wukuthi lezi eziyiziwula azizange zilinde isikhathi esanele lapho umkhwenyana eshiywe yisikhathi esithembisweni sakhe. Izintombi eziyiziwula aziphathanga amafutha anele ukulinda isikhathi esanele.

Ubuntombi busho ukuthi bagcina izono zabo zihlanziwe phambi kweNkosi. Ngalokho bonke babengamakholwa. Umahluko wukuthi uhlakaniphile noma uyisiwula. Ukuhlakanipha ukuzwa Izwi likaNkulunkulu. Isibani kuyokuba Izwi likaNkulunkulu [Amahubo 119 & Izaga 6:23] amafutha kube wuMoya ongcwele. Uma konke lokho kuhlanganiswa kuba ukuqinisela, ukuzithoba, amandla okubambelela nezithelo zikamoya. Kanjalo bayazi ukuthi Inkosi yabo iyeza ukuzobasindisa nanoma lonke ithemba seliphelile kabantu. Bayokubambelela kulokhu uJesu akuthembisile nanoma kwenzekani. Inkosi izokubuya manje, kulesimo sakho ukuzoguqula izinkinga zibe yizibuso. Lezintombi ezihlakaniphileyo ziyayazi iNkosi yazo. Ngiyabezwa bethi, "Anginandaba nanoma ngabe akasheshi, uhloniphekile futhi uzithobile, uyokwenza akuthembisile. Soze wangilahla noma wangishiya". Izintombi ezihlakaniphile zahlala zibambelele kuNkulunkulu naseZwini Lakhe nakuMoya ongcwele ngendlela ephakeme ngokuthi kwakungekho okungabasusa lapho.

Manje kuyini lokho kuhlakanipha?

Ukuhlakanipha wukwazi nokuncika eqinisweni lesiphambano sika Jesu ukuthi sathatha bonke ububi nakokonke sakuguqula isibuso. Umthetho wasemhlabeni [gravity] uthi konke okuya phezulu kufanele kubuye phansi. Umthetho womoya wokuphila okuKrestu uJesu[KwabaseRoma 8:1] uthi konke okubi kunqotshiwe, manje sekuyisibuso, Uma ukholwa. Ithi futhi akusekho ukwahlulelwa uma uhamba ngokoMoya, njengoba sesichazile.

Ukuhlakanipha ukwazi ukuthi zonke izinto zahlanjululwa ngesiphambano. Kungabi ngabantu bodwa, kodwa zonke izinto. "Futhi Ngaye owenza ukuthula ngegazi esiphambanweni Sakhe, kwaxolisa uBaba ukuhlambulula zonke izinto Kuye ngenxa Yakhe, noma izinto zasemhlabeni noma izinto zasezulwini".[KwabaseKolose 1:20]

Ukuhlambulula yigama elinamandla. Strong'concordance [2] ikubiza ngo "ukubuyisela emuva ububona bokuthula." Kuchazwa njengo "ukulungisa, ukwenza into ibuye isebenze, noma ukuletha ukuthula phakathi kwamaqembu noma imibono emibili eyahlukene". Vines Bible Dictionary (3) ikuchaza "ukuguqula ukuxabana kube wubungane". Isiphambano sikaJesu siguqula zonke "izitha" zethu, noma zingaba ngabantu, amadimoni, izimo, ukugula, ukuswela, noma ngabe yini, kube ngumngane. Lokhu ukuhlakanipha! uKrestu wabetelwa!

2KwabaseKorinte 5:18 uthi, "Konke lokhu kuvela kuNkulunkulu, owasihlambulula Kuye ngoKrestu wasinikeza ubuholi bokuhlambulula"

Lobu ubuholi bethu emhlabeni, ukuthatha zonke izitha zethu empilweni zethu, sizicwilise egazini nesiphambano sikaJesu Krestu, siziguqule zibe ngabangane.

Ngingakutshela ngeZwi likaNkulunkulu nangolwazi lwami, ukuthi lokhu kuyiqiniso, kuyasebenza, uma ungakhona ukuma.

Ukuhlakanipha ukwazi ukuthi igazi likaJesu lamehlula usathane. Kusho ukuthini ukumehlula usathane? Lisinika kanjani igazi likaJesu amandla? "Ngokuba abantwana banegazi nenyama, wahlanganyela nabo ekubenitum ukuze kuthi ngokufa Kwakhe anqobe lowo onamandla ngokubulala--okusho ukuthi, usathane--akhulule labo empilweni yabo abayiziggila zokwesaba ukufa".[KumaHeberu 2:14-15]

"Manje uma safu noKrestu, siyakholwa futhi ukuthi sizophila kanye Naye. Ngoba siyazi ukuthi kusukela uKrestu wavuswa kwabafleyo, angeke asafa futhi; ukufa kwaqedwa amandla esiphambanweni"[KwabaseRoma 6:8,9].

Leligama, qeda lichazwa ku Strong's concordance[2] kanje:

1]Ukungabi namandla, ukungasebenzi, ukungakhoni, ukungenzi lutho.

1a] Ukwenza umuntu noma into ingasabi nekhono lokuwenza lokuqhube.

1b] Ukuqedu umfutho, imfundiso, amandla.

Mzukwana uJesu nawe nami avuswa ekufeni, sazalwa kabusha njengenhlobo entsha engasabuswa wusathane. Akasenamandla kithi. Sinamandla kuye. Usathane wasebenzisa onke amandla akhe kuJesu esiphambanweni, uJesu wavuswa emva kwalokho. Usathane akasenawo amanye amandla okuwasebenzisa. Uphelelwe ngongakusebenzisa nezikhalu.

Usenawo amandla kwabangakholwa, futhi angasamkhohlisa nokholwayo, kodwa uma silazi iqiniso, angeke asakhona ukusilimaza futhi. Njengalokhu esineqiniso ngakho, akasenamandla. Uma sima eqinisweni, konke usathane akwenzayo kungukusikhohlisa nje kuphela. Usathane akanamandla kulendalo entsha; lokho kufaka wena nami!

"Futhi uyinhloko yomzimba, ibandla; ungowokuqala nezibulo kubo bonke abafleyo, ukuze abe namandla kukho konke"[KwabaseKolose 1:18]

**KuJobe isahluko 28 kukhombisa ukuthi ukuhlakanipha kutholakala
ekuhluphekeni.** KuJobe 28:12 uthi, "Kepha kuyotholakalaphi ukuhlakanipha? futhi iphi indawo enokuqonda?"

Impendulo, ngiyethemba, kukhomba ukuthi lapho inyama yethu ifa, uma singena ezindaweni ezimnyama "zokufa", kuyilapho singathola ukuhlakanipha koqobo. EkaJobe 28:22 uthi,"Ukubhujiswa nokufa kuthi,ngezindlebe zethu sizwile amahemuhemu akho". Izaga 11:2 zisekela lokho lapho zithi, "Uma ukuziqhenya kuza, kuza nehlazo: kepha kwabazithobayo kukhona ukuhlakanipha".

Lona ngumbhalo wempilo.Kufanele sikhazi ukuthi sikuphi kuwo. Kuzokwenza sikuzwisisi ukuhlupheka. Yebo, uJesu uzoza lapha emhlabeni ngelinye ilanga, kodwa uzokuza kuwe manje futhi, ukuzoguqula izinkinga zakho zibe yizibusiso.

Isibonelo esihle saloluhlobo lokunqoba nguDaniyeli emhandwini wamabhubesi, kuDaniyeli isahluko 6. uDaniyeli ubelandela uNkulunkulu ngokuphelele yingakho ehlaselwa yizitha zikaNkulunkulu. Ekuben i avikelwe emhandwini wamabhubesi, wanqoba emhandwini wamabhubesi. Isiphetho kwaba wukuthi izitha zakhe zahluleka.

"Njengokulawula kwenkosi, lamadoda aqamba amanga ngoDaniyeli amthwesa icala, inkosi yawabiza, alethwa, ase aphonswa emhandwini wamabhubesi, kanye neminden yawo yonke. Kuthe besengakafinyeleli endaweni ephansi yomphandu, amabhubesi abahlangabeza abaphula onke amathambo badliwa. Kwase kuthi inkosi uDariyusi wabhalela bonke abantu, izizwe, nabantu bezilimi ezahlukene kulo lonke izwe: 'Ukuthula makwande kini! Ngikhipha isiyalezo esithi kuyo yonke indawo yombuso wami bonke abantu bahloniphe futhi bakhonze uNkulunkulu kaDaniyeli. Ngokuba unguNkulunkulu ophilayo futhi ophila phakade; umbuso wakhe soze waphela, ukubusa kwakhe soze kwaphela. Uyatakula futhi uyasindisa; wenza izimpawu nezibonakaliso emazulwini nasemhlabeni. Usindise uDaniyeli emandleni amabhubesi'. Ngakho uDaniyeli waduma esikhathini sombuso kaDariyusi kuze kube sesikhathini sombuso kaKoresi umPhereshiya" [uDaniyeli 6:24-28]

Ngiyangabaza ukuthi uDaniyeli ngabe waduma, nokuthi izitha zakhe zazinganqotshwa uma ngabe akangenanga emhandwini wamabhubesi.

Ingabe senzani ngesikhathi sokulinda?

Ukuma kudinga senze okuthile, akufanele silinde nje. KumaHeberu 6:12 kuthi, "Asifuni ukuba nivilaphe, kepha nifane nalabo ababayizindlalifa zesithembiso ngokukholwa nokuzithoba".

Kufanele sibugcine "ubuthina." Kusho ukuthi, sifanele sihlale sihlanzekile phambi kweNkosi. Kufanele singasivumeli isono ukwenaba, sifanele sivume izono zethu ukuze zihlanzwe kuNkulunkulu nakubantu.

Ngiyakholwa futhi ukuthi ibhayibheli lisifundisa ukuthi ngalesisikhathi sokulinda, sifanele sisebenzise Izwi likaNkulunkulu njengenkemba. KwabaseEfesu 6:17b uthi, "Inkemba kaMoya yizwi likaNkulunkulu."

KumaHeberu 3:1 kusitshela ukuthi, "Ngakho-ke, bazalwane abangcwele, enihlanganyela ukubizwa kwasezulwini, qaphelani umPhostoli nomPristi omkhulu wesivumo sethu uJesu Krestu." uJesu uthatha ukuvuma kwethu akuyise kuBaba njengomPristi Omkhulu, noBaba abese ekubona lokho kufezeka, kuphela uma kungeZwi likaNkulunkulu. Nesitha naso sithatha ukuvuma kwethu kuso, okuphika iZwi, sifeze lokho okushiwo yithi.

Uma iZwi likaNkulunkulu livunuya bese kuthandazelwa umuntu noma isimo, linamandla! uJesu wenza konke ngeZwi Lakhe. uJesu uyiZwi. uJesu usinike imvume yokusebenzisa lelo liZwi kwangathi nguYe olishoyo!

Ngokukajohane 1:1-3 uthi, "Ekuqaleni kwakukhona uLizwi, lelo liZwi lalinoNkulunkulu, kanti lelolizwi lalinguNkulunkulu, ekuqaleni Yena wayenoNkulunkulu. Konke kwadalelwaa Yena, ngaphandle Kwakhe ngisho nokukodwa okukhona kwakungeke kwabakhona."

Lapho amalsrayeli aziswa ngomkhosi wephasika ku-Eksodus 12, batshelwa ukuba bagcobe igazi lewundlu elimsulwa eminyango yabo ukuze ingelosi yokufa [idimoni] "lidlule" ingabalimazi bona. uJesu uyiwundlu likaNkulunkulu, ke- nathi singagcoba igazi Lakhe eminyango yethu neyesibathandayo nalabo esibathandazayo. Kanjani?

iSambulo 12:11 sithi, "Nabo uqobo lwabo bamnqoba ngegazi leWundlu nangezwi lobufakazi babo, futhi abakuthandanga ukuphila kwabo kwaze kwaba sekufeni."

Amazwi omlomo wethu ayakuligcoba igazi. Bhekisisa ku-Eksodus 12 ukuthi njalo - nje uma igazi lewundlu lisesissheni, alenzi lutho. Kodwa uma kuthathwa ihisophi, licwiliswe egazini, bese libhecwa emnyango, kuyilapho uNkulunkulu nedimoni bebona igazi. Ihisophi wutshani obuyikhula elijwayelekile obumganamsebenzi. Ke- namazwi omlomo wethu abhekeke kwangathi awalutho olungakanani, kodwa uma siwacwilisa eZwini likaNkulunkulu [elinguJesu uqobo] siwasebenzise njengegazi, uNkulunkulu uyawabona ngisho nosathane uyawabona.

Uma sikhulumia iZwi likaNkulunkulu, uJesu uliyisa kuBaba amcele Kuye ukuthi lisebenze.

Ngokukajohane 16:23 uthi, "Kusuka ngalelo langa aniyikucela lutho kimi, ngiqinisile, ngiqinisile, ngithi kini, Noma ngabe yini enizoyicela kuBaba ngegama Lami, nizokuphiwa yona"

Manje- ke singangena ekuphumuleni sivumele iZwi lenze umsebenzi.

KumaHeberu 4:1 uthi, "Ngakho-ke, isithembiso sibekiwe sokungena ekuphumuleni Kwakhe, masisabeni ukuthi kungabikho abangafinyeleli ekungeneni kukho".

KubaHeberu 4:12 uthi, "Ngoba iZwi likaNkulunkulu liyaphila futhi linamandla libukhali kunenkemba esika ndawo zombili, lihlaba ngisho ukuhlukanisa umphefumulo nomoya, namalunga kanye nomnkatsha, lihlolisisa imicabango kanye nenhoso zenhliziyo."

Izingelosi ziqala ukusebenza lapho zizwa iZwi likaNkulunkulu. Amahubo 103:20 athi, "Bongani uJehovah nina zingelosi Zakhe, nina maqhawe anamandla enenza okweZwi Lakhe nilalela ukukhuluma kweZwi Lakhe."

Ayabaleka amadimoni! Amahubo 149:5-9 uthi, "Abalungileyo mabathabe ngobukhosi, ukumphakamisa uNkulunkulu makube semlonyeni wabo, nenkemba esika nhlangothi zombili esandleni sabo, ukuba benze impindiselo kubo abezizwe nezijeziso kubantu[kumele izitha zethu zikamoya], babophe amakhosi abo ngamaketanga nabadumileyo babo ngezibopho zensimbi, bafeze phezu kwabo isahlulelo esilotshiweyo; kuludumo kubo bonke abangcwele Bakhe,Haleluya!"

Akasakhoni ukuma futhi usathane.

KungokukaLuka 10:19 uthi, Ngininike igunya lokunyathela izinyoka nawofezela niwahlule onke amandla esitha; akukho okuyonilimaza nina."

Isitha sinqotshiwe ingakaqali impi. uJoshua 11:18-20 uthi, "uJoshua walwa isikhathi eside nawo onke lawa makhosi. Ngaphandle kwamaHivi wona ayehlala eGibiyoni, akukho nesisodwa isizwe esenza ukuthula nesizwe sama Israyeli,zonke lezo zizwe zabahlangabeza ngempi. Ngokuba kwakunguNkulunkulu uqobo owenza izinhliziyo zalawa makhosi [isitha] zibe lukhuni ukuba bahlasele amalsrayeli, ukuze ulsrayeli azibhubhise nya zonke lezizizwe, azishabalalise [isitha] angabi nazwelo, njengoba uNkulunkulku akuyala uMose. "

Qhubeka ucabange ngeyakho inkinga enkulu. Manje cabanga noma bheka esithembisweni seZwi likaNkulunkulu. Khetha khona manje. Yikuphi okungaguquka, futhi yikuphi okungaguuki?

"Abantu mabakubonge,Nkulunkulu; zonke izizwe mazikudumise. Umhlaba uyakuthela isithelo sawo,futhi uNkulunkulu, uNkulunkulu wethu, uzosibusisa." [Amahubo 67:5,6].

Uhlelo 2-Igazi nomlilo

Manje ngoba usuthole isiqalo esikahle, usuzodinga amandla okuqedelela lomncintiswano.

Ohlelweni lokuqala Iwalencwadi, kulezahluko zokuqala eziyisikhombisa, Sifunde ukuthi kunethemba kulabo bethu abangatholi ithemba o "hlelweni lomhlaba." Sathola ukuthi singaphenduka [singatshintsha] ukusuka ekuthembeni umhlaba, uMbuso kaNkulunkulu uyoba usilindile ukusimukela[ukhona phakathi kwethu]

Sifunde ukuthi uJesu wafundisa encwadini kaMarku 4:11 isimanga soMbuso kaNkulunkulu sibonakala emfanisweni womhlanyeli. Wafundisa ukuthi iZwi likaNkulunkulu liyimbewu, izinhlizyo zethu ziinhlabathi, umphumela kuyokuba yisithelo.

Isithelo siyoguqula isimo sethu sibeyisimo sika Jesu, siyokwanelisa izidingo zethu empilweni, sisithumele ukuya ezweni elifayo silethe ubufakazi besithelo nempilo yaphakade kabantu.

Sifunde ngezigaba eziningi ngohlelo lwembewu ephenduka isithelo soqobo.

Nansi indikimba kaKhula noma Yifa:

1] Kufanele siphendukele eMbusweni kaNkulunkulu, neZwi, ukuze sithole- ISITHELO.

2] Kufanele sazi ukuthi singasondela kanjani kuNkulunkulu-okungu-MFULA OGOBHOZAYO.

3] Kufanele sazi ukuthi singaphuma kanjani noma sihlale kanjani ngaphandle kokuba -YIZIGQILA EZWENI LESITHEMBISO.

4] Kufanele sazi kancono ngesimo sikaNkulunkulu-UNGUBANI UNKULUNKULU.

5] Kufanele sizazi ngeqiniso ukuthi singobani kuJesu-HLALA.

6] Kufanele sithathe isiphambano sethu sihambe ngokuthembeka eZwini-HAMBA.

7] Sifundile esifundweni sokuMA ukuthi kukhona isitha sikamoya esiphikisana nalo lonke lolu hlelo, usathane nabalandeli bakhe okungamadimoni nobubi. sifundile ukuthi sidinga ukubekezelwa nesibindi sokuma kuze kufike isithelo. Eny' indlela yokukusho kahle yile, sifanele silinde iNkosi ukuza igcwaliye isithembiso. "ukuze ningavilaphi , kepha nilandele labo ngokukholwa nokubekezelwa abazuza lokho okuthenjisiwe" [KubaHeberu 6:12]

Isigaba sesibili-Igazi nomlilo

Ngiyambonga uNkulunkulu uma ulimukele loluhlelo esilinikezwa yiZwi likaNkulunkulu. Uma ukwenzile, uzodinga amandla empilweni yakho okuqedelela loluhlelo ukuze ubone ukuvela kwsithelo empilweni yakho.

Njengoba ngisho nezitshalo zidinga amanzi nomquba ukuze zibe namandla okuzala isithelo, nathi sidinga amandla. Isigaba sesibili simiselwe ukukunceda ukuze uzwisise ukuthi ungawathola kanjani lawamandla.

Impilo yethu kuKrestu ayisiyisifundo, kepha umncintiswano womjaho.

Kukahle ukuqala umjaho, kepha kufanele sikhazi ukuthi sizoqeda kanjani. Baningi abaqalayo kodwa bangawuqedu. Sidinga amandla okuqedu umjaho ngoba hlezu singawuqedu. KubaHeberu 12:1 uthi, "Ngakho-ke ngokuba sijikelezwe yifu elikhulu lobufakazi, masilahle bonke ubunzima nesono esisigqilazayo, lapho sizogijima ngokubekezelu lomjaho esibekelwe wona."

Umbhalo usitshela ukuthi lamandla esiwadingayo atholakala ku:

1. Esiphambanweni noma egazini likaJesu. "Ngokuba umbiko wesiphambano uwubuwula kwababhubhayo, kodwa kithi esasindiswa ungamandla kaNkululnkulu" [KwabaseKorinte 1:18]

2. Amandla asindisayo kaNkulunkulu. "Futhi lapho eseza, usathane wamlahla phansi, wamhlukumeza. Kepha uJesu wamkhuza umoya ongcolile, wamphilisa umntwana, wambuyisela futhi kumzali wakhe. Lapho bonke bamangala amandla kaNkulunkulu angaka" [NgokukaLuka 9:42a].

Isigaba sesibili-Igazi nomlilo

3. Ukugcwaliswa koMoya Ongcwele. "Kodwa niyakwamukeliswa amandla lapho uMoya Ongcwele unehlela; futhi niyakuba ngofakazi Bami eJerusalema, nakulo lonke iJudiya neSamariya, nasekupheleleni komhlaba" [Izenzo 1:8]

uNkulunkulu akasishiyanga sodwa okwezintandane lapha emhlabeni ukuba sizondle size sife bese siya ezulwini. Ungowenzayo. Unendlela ayisebenzisayo yokusodla lapha khona manje, kodwa baningi abangayiboni lendlela Yakhe. "Soze nganishiya njengezintandane [abanganababa]; Ngiyeza kini"[Ngokukajohane 14:18]. Lapha ujesu wayekhuluma ngokuza kukaMoya ongcwele. Ezahlukweni ezilandelkayo siyokhuluma ngokuthi uMoya ongcwele unamandla kangakanani okusivikela singabi yizintandane, labo abangenababa okungekho ncedo lwabo emhlabeni.

Isiphambano sikajesu yisona esanqoba usathane sanika mina nawe ubunqobi. Lawo ngamandla. Uma sisebenzisa iqiniso lesiphambano lisinika amandla. Nanoma ngivuma, ukuthi iqiniso lesiphambano angeke lisebenze ngokuphelele empilweni zethu ngaphandle kwalamandla ashiwo ku-Izenzo 1:8, ukugcwaliswa koMoya ongcwele.

Isibonelo, amandla okusebenzisa amalambu endlini asuka kumshini wokuphehla okunguwona owakha ugesi[umlilo]. Ungema buqamama ubheke isixhumaniso sikagesi obondeni usithande ukwazi nokuthi sinomlilo[ugesi] kuso, kodwa kudingekile ukuba uxhumanise intambo yelambu kwesobondeni ukuze nawe uthole ukukhanya.

Kuzahluko ezimbalwa ezilandelayo sizobheka kulendlela ezintathu zokuletha amandla esezi baliwe ngaphezulu. Siyothola okuyiqiniso ngamandla esiphambano, futhi sithole ukuthi ungakwenza kanjani ukuba kusebenze empilweni yakho. Siyobhekisisa insindiso nokuthi ungakhululeka kanjani. Okokugcina sikhulume ngokubhaphathizwa ngoMoya ongcwele nokuthi ukwengeza kanjani amandla ngaphakathi.

Isahluko 8

Ukugijima umjaho

Esahlukweni sethu sokugcina sasikhuluma ngokuma, nesidingo sokubambelela njengesithako esinamandla sokholo nasekuzaleni isithelo. Lesisahluko siphinda sigqizelele ekudingekeni kokubambelela [ukunamathe]. Umbhali wencwadi yamaHeberu unikeza isixwayiso esiphilile kuwo wonke amakholwa ukuthi:

1. Siphakathi komjaho, umjaho odinga ukubambelela okuqinile.
2. Sisekubhujisweni okukhulu uma singabambeleli size siwuqedo lomjaho.
3. Uma siwuqedo lomjaho kunomklomelo omkhulu osilindile.

Ngamany' amazwi, "Khula noma Yifa."

KumaHeberu isahluko 6 kukhulunywa ngokusuka emiyalweni yokuqala kaKrestu kuye endleleni yobundlalifa besithembiso ngokukholwa nokubambelela. Lesisahluko futhi sigqizelela ekutheni uma singabambeleli "singawa," besesifaka indodana kaNkulunkulu ehlazweni elikhulu. Ngokuba soze ngakhona ukuchaza konke umbhali ayenako engcondweni yakhe, kodwa kubhekeka kukuningi!

KumaHeberu isahluko 12 kuchazwa ngokusobala ngesixwayiso!

"Ngakho-ke nathi futhi, lokhu sinefu elingaka lawofakazi elisihaqileyo, masilahle konke okusindayo nesono esisithandela kangaka kithi, sigijime ngokubekezelu kulokhu kuncintisana esikumiselweyo, sibheke kujesu, umqalisi nompheleli wokukholwa kwethu, owathi esikhundleni sentokozo ayibekelweyo wathwala isiphambano engalinaki ihlazo, wahlala ngakwesokukunene sesihlalo sobukhosu sikaNkulunkulu" [KumaHeberu 12:1-2]

"Niqaphelisise kungabikho osilelayo emseni kaNkulunkulu, funa kumile impande imbe ebabayo, inixube, kungcoliswe abaningi yiyo. Kungabikho oyisifebe noma odumazayo njengo-Esawu owathengisa ubuzibulo bakhe ngesidlo sinye nje. Ngokuba niyazi ukuthi, nokuba ngasemuva ethanda ukudla ifa lesibusiso, waliwa, ngokuba akalitholanga ithuba lokuphenduka, noma ekufunisia ngezinyembezi" [KumaHeberu 12:15-17].

Isizathu sokuba kukhulunywe ngo-Esawu lapha kungoba kuyafana nesikuphilayo namuhla

u-Esawu kwakunefa elimqondile. Sinefa elisiqondile. Njengoba ezahlukweni ezimbili zokuqala kukhombisa, samukela ifa lokuphila phakade likaNkulunkulu ngokukholwa nangezithembiso Zakhe ezikhula ezinhлизweni zethu njengembewu. Okufanele sikunake wukuthi kunesikhathi sezilingo, nezinhlupheko ngesikhathi sokuhlanyela imbewu nokuzala isithelo.

Lesosigaba sesikhathi sibizwa ngokuthi "Umjaho." Inkanuko ka-Esawu yenyama yathi, "Nje siyini lesithembiso nefo, ngifun'ukudla, manje." Uma singaqaphelisi kahle singaba necala kuNkulunkulu lokuthi, "Sengikhathelo ngalenhlupheko, ngikhathelo ukulinda, angeke ngisakhona ukubekezelwa kuya phambili, manje ngiyayeka! Lento yokukholwa ayisebenzi." Ukulahla ithemba kunjengo-Esawu emukela ucezwana lokudla, elanelisa inkanuko yenyama yemvelo yakhe kuphela.

Kuyamangalisa ukuthola nokuthi u-Esawu akatholanga leyonthlobo yesishibo aye funa sona. Emibhalweni engenhla kuthiwa u-Esawu wayefuna inyama ebomvu noma isobhe lenyama ebomvu. Kepha uJakobe wamnika isobhe Iwe-lethisi noma isobhe Iwemifino. Akusi kuphela ukuthi u-Esawu walahlekelwa ifa lobuzibulo lodwa, kepha ngisho "nenkanuko yenyama yakhe" akaze yanela kulelo sobhe Iwemifino!

"Wathi u-Esawu kuJakobe, ngicela unginike lona lelosobhe Iwakho ngiyafa yindlala'. khona manjalo igama lakhe latshintshwa wabizwa ngokuthi ungu-Edomi."

"Wayesethi u-Esawu, 'Bheka, ngiyafa yindlala; lobu buzibulo bami bunginceda ngani?"

"Ngakho u-Jakobe wayesemnika lelo sobhe Iwemifino; wadla waqeda ngokuliphuza lelosobhe, wasukuma, waqubeka nempilo yakhe. Ngaleyo ndlela u-Esawu walahlekelwa ubuzibulo bakhe empilweni" [uGenesise 25:30,32,34].

KuThestamente Elidala, njengesithunzi sokubonakalisa uJesu, onke amazibulo esilisa anelungelo lokuzalwa ukuba nguMpristi nenkosana kubo bonke. Ubuzibulo buyilungelo lokuba yinkosi noMpristi. u-Esawu walahlekelwa yilokho. Singalahlekelwa ubukhosibethu nobuPristi uma singacaphelisi kulomjaho,

Isixwayiso.

uEsawu akakhonanga ukuguqula emva kwalesisehlakalo, futhi siyayalwa ngaloluhlobo lokuziphatha ukuthi lingasingenisa ebuhlungwini obukhulu.

Siyaxwayiswa futhi kakhulu ukuthi masithembele emuseni kaNkulunkulu ukuze singangeni ebuhlungwini.

KumaHeberu 12:12-15[Amplified bible] uthi, Ngakho-ke, bamba ubenamandla uqondise lezandla zakho ezixegayo ezibuthakathaka ezilengayo, uqinise nalamadolo akho axegayo.

13 Uhlukanise wenze kubemsulwa kubonakale kuhlobile, izindlela eziqondile ngezinyawo zakho [yebo, zenze ziphephe futhi ziqonde kube yizindlela ezijabulisayo eziya endleleni elungileyo], ukuze lamalunga angenamandla nabuthakathaka angahlukaniswa kumalunga awo, kodwa alapheke aphile.

14 sebenzela ekwenzeni ukuthula nabo bonke abantu, ufune ukubusiseka nobungcwelengoba ngaphandle kwalokho akekho[angeke] ongayibona iNkosi

15 Lwela ukubona ingomuso uhlale ucaphele ukuthi niphathana kanjani [omunye komunye]. ninakane ukuze kungabikho owayo lapho nohluleka ukufinyelela emuseni kaNkulunkulu [umusa Wakhe ongasentshezelwa nesibusiso sika moya], ukuze kungabikho impande embi [amagqubu, ukudabuka, noma inzondo] evelayo ilethe izinkinga nesihluku esihlukumezayo, futhi lapho iningi liyokonakala lingcole ngaleyompande--

Lapho "sigijima lomjaho" kunezikhathi lapho sizwa amadolo ethu kamoya nezandla kungacina kubuthakathaka kuxegaxega. lapho kusenza sifikelwe wukuphelelwa ngamandla sifise ukuyeka.Umbhalo usitshela ukuthi kukhona okufanele sikwenze. Umsebenzi wethu wuku "bambelela, ukubamsulwa nezindlela ezikahle" ukuze izinyawo zethu zikamoya namalunga kamoya angahlukaniswa afe kodwa aphile. Ngakho lokho kusho ukuqiniseka komusa kaNkulunkulu.

Yini lokho okwenza sizwe amalunga ethu kamoya afikelwe wukuhlukana? yiyona ndlela uNkulunkulu asikhaza ngayo. Bheka lamavesi kuMaHeberu 12, usengakafiki esixwayisweni sezitho namalungu kamoya.

"Phezu kwalokho, sinabo obaba bethu benyama abasifundisile ngokusiqondisa, sabahlonipha. Sihlulwa yini ukuzimisela sihloniphe kakhulu ubaba womoya nomphefumulo na?" [KumaHeberu 12:9]. uNkulunkulu uzama ukusifaka endleleni azokhona ukusibusisa kuyo. Singahle sidinge indlela yokulungiswa lapho sihamba khona ezosibeka kude nokona, kude nezihibe size sihambe endleleni ekhanyayo. Kanjalo sizodinga ukutshintsha isimilo.Kungaba ukuxolela, wukupha, ukuthembeka kuhulumende ngokuqondene naye, ukukhkhela izikwelede nentela, ukuhlukana nesithixo esithile, ukutshintsha indlela empilweni nasezintweni esizenza njalo,njalo njalo.

Sizenza kanjani izindlela ezhlobile emoyeni ukuqinisa umusa kaNkulunkulu kithi? Eqinisweni akusiko esingazenzela thina ngemizamo yethu; ngokwethu angeke sazenzela umusa kaNkulunkulu.

Kungenzwa kanje.

"Izwi Lakho liyisibani ezinyaweni zami nokukhanya endleleni yami" [Amahubo 119:105]

"Ngokuba wena wenze iNkosi, yaba yisiphephelo sakho, ngisho ophezu kukho konke abe yinqaba yakho; Akukho okubi okungakwehlela, ngisho nesifo endlini yakho.

Ngokuba uyakulawula izingelosi zikuvikele, ukukugcina kuzo zonke izindlela zakho. Ziyokukuthwalela phezulu ngezandla zazo, ukuze ungaqhuzuki ngonyawo lwakho entsheni"[Amahubo 91:9-12,KJV]

Ukuhlala unamathele eZwini likaNkulunkulu ngomoya ongcwele kuyokwenza izindlela zakho zikhanye. KuZaga 3:5-6 uthi futhi uma "sazi" iNkosi ngokukholwa iyokusiqondisa izindlela zethu.

Nazi izibonelo zeqiniso zabantu abalahlekelwa yithemba.

Kuvame kakhulu lapho kuba nezinkinga eziningi , noma injabulo enkulu.

Isibonelo 1-izinkinga eziningi. Kukhona indoda engiyaziyo "eyalahla ithemba." Ayilahlanga ithemba ngokuphelele kuNkulunkulu, ngakho yacabanga, kodwa ayizange ikholwe ukuthi "indaba yokukholwa" iyasebenza ngokweqiniso. Izinhlupheko nokuzingelwa kwanda, nembewu wayithatha usathane njengoba kulotshiwe ku-NgokukaMarku 4:17, lapho kuthi, "akunazimpande kubo , kanjalo babamba okwesikhashana. Ngokuhamba kwesikhathi , lapho ukuhlupheka nokuzingelwa kwanda ngenxa yeZwi, ngokushesha bavele balahle ithemba"

Umphumela kwaba wukuthi emoyeni aphelelwwe ngamandla, waba kude noNkulunkulu nakho konke okokukholwa, ngisho nokuya esontweni. Wagcina ngokushada nomuntu owamnciphisela ukuhamba noNkulunkulu noMoya ongcwele. Emva kweminyaka wangena ekuguqukeni okumangalisayo waphenduka. Lendoda enhle lena izokuya ezulwini mhla ifa kodwa impilo yayo emhlabeni ayibanga mnandi.

Isibonelo 2-uthando Iwenjabulo nento zalomhlaba. Lesi sibonelo sinokwenzeka kakhulu kwabashadile abangena ekukholweni, abazama ukuyikhonza iNkosi, kodwa izinto zalomhlaba,injabulo yemali enobuntofontofo obunelisayo. Futhi bangene ibandla lephentekhosti, kepha batholakala bephikana nokusebenza kukaMoya ongcwele. Bayavukelana, benza okubi kwabanyeabantu bakaNkulunkulu, bangamahlubuka empela.abanye angisabazi kepha ngiyakhola akubahambeli kahle ngisho namanje.KungokukaLuka 17, kusukela kuvesi 26, uJesu uxwayisa kakhulu mayelana nezinto ezifana, nokugana, ukudla nokuphuza. Eqinisweni akukho bubi kulezizinto, yilokhu okuhambisana nakho okunobungozi.

"Manje lena yilena ehlanyelwe phakathi kwameva; yilabo abalizwayo Izwi, kuthi ubumnandi balomhlaba, ukukhohliswa yingcebo, nenkanuko yezinye izinto eyangena yacindezela Izwi, langasabi nasithelo" [NgokukaMarku 4:18-19].

Isibonelo3-isithelo sobubi.Kukhona izixuku zabantu kungabayishumi nambili kuya ku-shumi nanhlanu abadiliza ibandla ngokuziphatha kwabo okunganaNkulunkulu noma izenzo zabo ezimbi. Lapho ibandla libiza uMshumayeli ozithobile ukuzovala lelibandla, laseliqala ukukhula njalo.Lokhu kwalithukuthelisa lelidlanzana labantu, ngokuvamile basebegcwele ububi. Bazama okwesibili ukulibulala ibandla ngokuza ngaphambili bengabiziwe, ukuzohlabelela.Bathanda njalo ukuhamba-hamba phakathi kwenkonzo benze kwangathi bayaphrofetha, bathikameze umshumayeli. Okokugcina ibandla lafanelia ukubaxosha, laxhumana nenkantolo yesigodi kanye nenduna. Ukuhamba kwsikhathi emlandweni wabo, bayeka ukukholwa njengoEsawu, ba"dla isitsha sabo sesobho," babamuncu.

Kulungile, ake sibheke manje umklomelo.

Njengoba umbhali wencwadi yamaHeberu athi, "Kodwa, bathandekayo, kukhona izinto ezinhle ngaphambili ngani, yebo, izinto ezilandela ukusindiswa, noma sikhuluma kanje"[KumaHeberu 6:9]

Ukugijimela umqhele womjaho.

"Bonke abancintisanayo bayazithiba ezintweni zonke. kodwa lapho bakwenzela ukuzuza umqhele ophelayo, kepha thina sikwenzela ukuzuza umqhele ongapheliyo"[1KwabaseKorinte9:25]

"Kusukela ugcine umyalo wami wokuzithiba ngesizotha, nami ngiyokukuvikela ezikhathini ezilukhuni eziyokubakhona emhlabeni ukuzolinga bonke abahlala kuwo. Ngizobuya masinyane.Bambelela kulokho onakho, ukuze kungabikho okuthathela umqhele wakho" [Isambulo 3:10,11-NIV]

Lombhalo ongenhla wawulobelwe ibandla laseFiladefiya.

Ibandla limele lawomakholwa uKrestu angawatholanga phutha futhi kuyilabo abangahlangananga nokuhlushwa kwenyama njengebandla lase Smirna. ukunqoba kwabo kuhambisana nokwamukeliswa umqhele, umklomelo, ubukhos, kuzinto ezithile Embusweni kaNkulunkulu. Qaphela ukuthi uJesu uxwayisa ngokuthi banawo lomqhele, kodwa uma bangabambeleli uzobalahlekela.

Umqhele unguumklomelo.

Uyini lomqhele?

Umqhele umele ubukhos nobundlunkulu. Uma "siqedo lomjaho" samukeliswa ubukhos bukamoya. Ukuqedo lomjaho, ngeny' indlela kusho "ukunqoba." Kuso lesi sikhathi sokubambelela uNkulunkulu uba ekunqobela okuthikameza umoya neziqalekiso empilweni yethu nasemisebenzini yethu.

Kungaba isiqalekiso sendabuko ukuthi abantwana bethu abasakhoni ukubambelela.
Kungaba futhi yisiqalekiso sendlazana labantu abazokhululwa ngokuzwa Indaba
Ezimnandi [Ivangeli] ngezindlebe namehlo avulekile.

Ukubusa phezu kwani?

Lomfanekiso ku-NgokukaLuka 19 ngesicebi esashiya izisebenzi zaso nomsebenzi okwathi uma sibuya ukubheka ukuthi basebenze kanjani kusinikeza inhliziyo kaJesu ngalendaba yokugijimela umklomelo emjahweni.

"uJesu wathi: "Indoda ehloniphekile esizweni yaya ezweni elikude ukuyozithathela ubukhosu iphinde ibuye. Ngakho yabiza eziyishumi kuzisebenzi zayo yazinika amamina[oondo] ayishumi. 'Sebenzisani lemali, 'washo njalo, 'ngize ngibuye'" [NgokukaLuka 19:12,13,NIV].

"Wenze kahle, sisebenzi sami esihle! washo njalo umqashi waso.'ngoba uthembekile ezintweni ezincane,ngikunikeza amadolobha ayishumi ukuba uwabheke""[NgokukaLuka 19:17,NIV].

Liyini idolobha?Leligama idolobha ngesiGreki lithathwe emagameni asho ukukhulisa endaweni yakho yokuzalwa, lokho kuyindawo lapho uhlupheka khona, lapho kungenakuthula nokuzwana. Lendawo lapho ubukhona ngaphambi kokuzalwa kwakho kabusha.[phenduka].uNkulunkulu ufunu ukusisusa kulendawo yethu yokuzalwa asiyise endaweni yakaNkulunkulu, iJerusalema elisha, eMbusweni kaNkulunkulu.

Ukwenza lokho ngokwenza kube khona osinqobelayo, kuba khona osigijimela lomjaho ukuze athole ubukhosu bukamoya bokusikhulula. Kuyafakazelana naku-KwabaseKolose 1:24 othi, "Manje ngiyathokoza ngokuhlupheka kwami ngihluphekela nina, ngokugcwalisa lokho okusileleyo osizini lukaKrestu enyameni yami ngenxa yomzimba Wakhe, owuyibandla" [KwabaseKolose 1:24]

Kungaphezu kwethu.

Kufanele sazi ukuthi lomqhele osimele ubaluleke kakhulu ukwedlula okwethu nemizwa yenjabulo. Lenzozo esimele inesisindo engcondweni kaNkulunkulu naseMbusweni Wakhe kangangokuthi ifanele isinike isibopho esinamandla sokuqedu lomjaho noma ngabe sizizwa kanjani. Njengoba ake washo udadewethu eNkosini ngesikhathi esisand' ukudlula wathi, "Lenzozo iyasilwela kunomphumela wokuphelelwu yithemba."

KwabasePhilipi 4:1kwakungelineye lamadolobha kaPaulu.

"Ngakho-ke, bazalwane bami abathandekayo nabalangazeelayo, [kabantu bedolobha laseFilipi] ntokozo yami nomqhele wami, yimani eNkosini niqinile kanjalo, bathandwa.[KwabaseFilipi 4:1].

Khonamanjalo lomjaho udlula ukuba ngowakho kuphela, uphinde futhi ube ngawe uqobo.

Simelane namaqhinga kasathane,bambelela ngobuqotho uqede lomjaho lapho imbewu yethu isamila. Ukuphelela kokholo lwethu akusiwuku"sindiswa komphefumulo wethu" kuphela, njengoba sixoxile esahlukweni sangemuva, kuphinda kulethe lesosibonakaliso sokukhona empilweni ngalokho simthembale kona uNkulunkulu.Mhlawumbe kwakuwukwelashwa enyameni, hleze ezimalini, mhlawumbe ngengane edukileyo, umshado odinga ukuphiliswa, njalo njalo.

Manje ngoba usuyawubona umklomelo, uthini ngomjaho?

Umjaho yilenxene empilweni yethu lapho sifanele sihlangane nobunzima uma sisamile eZwini likaNkulunkulu ngento uNkulunkulu asinikeze yona ngokukhuluma iZwi Lakhe kithi.Imbewu yahlanyelwa mhla Ekhuluma, manje "lomjaho" yilesikhathi lapho imbewu ifanele ukukhula ize izale isithelo.Ukubambelela kuNkulunkulu ngalesi sikhathi kungumjaho. Ukungalahli ithemba lapho imicabango yethu isibangela imisindo emjahweni. Lomjaho awusiwukweqa, kungukugijima.

KumaHeberu 12:22-24 kusitshela ngokuthi sesifikile(isikhathi esedlule) emandleni oMbuso kaNkulunkulu, kuJesu negazi Lakhe. Lokhu kusinikeza umcabango wokuthi uma nje kalula sihlala duzane, ubuhlobo obusondelelene noJesu futhi singaphelelwa yithemba, sizophumelela.uJesu waphumelela,konke esifanele ukukwenza ukubambelela Kuye sonke isikhathi size sibone ukunqoba kubonakala empilweni zethu.

"Kepha usufike entaben iSiyoni futhi eNhlokodolobha likaNkulunkulu ophilayo, iJerusalem laseZulwini, emhlanjini wezingelosi ezingenakubalwa, embuthanweni jikelele nasebandleni lezibulo elilotshiwe eZulwini, kuNkulunkulu umahluleli wako konke, emimoyeni yabantu abakahle abenzwa kahle, kuJesu umlamuleli womthetho omusha, nasegazini elifafazwa likhulume izinto ezingcono kunezika Abeli." [KubaHeberu 12:22-24]

KubaHeberu 12:22-24 kukhombisa ukuthi sinikwe amandla njengesipho esivela kuNkulunkulu sokuqedelela lomjaho.

Sinokubhaphathizwa emoyeni ongcwele, esiphambanweni, uJesu umlamuleli wethu, izingelosi, nokuningi okunamandla okukhonjiswayo, kuhlanganiswe nokusindiswa.

SinoJesu. lokhu "ukwenza" kwethu, okubonakalayo.

"Ake sibheke kuJesu, umlobi nomqedeleli wokukholwa kwethu,Yena Iona ngenjabulo eyayibekwe ngaphambi Kwakhe wathwala isiphambano, wahlambalaza amahloni, kuWuye Iona ohlezi phansi esandleni sokunene eMbusweni kaNkulunkulu"

[KubaHeberu 12:2]. Leligma bheka lisho "ukususa amehlo kukho konke uwabhekise kokunye."

Ukubhaphathizwa eMoyeni ongcwele.

Sidinga amandla nesimilo sikaNkulunkulu ukuze singqobe izitha zethu zikamoya.

Umoya Oyingcwele ubizwa ngokuthi ngumduduzi, lokhu ngesiGreki kuthiwa parakletos[menyiwe, bizelwe nganxanye, ikakhulu ukubizelwa ukuzonceda, lowo omela omunye kumahluleli, umphenduleli, ummeli, umsizi ngakwezomthetho, umlamuleli, lowo okhulumela omunye komunye, umngeneleli.]

Mandulo, kubagijimi bamaGreki iparakletos[umduduzi] kwakuwumngane womgijimi oqala ukugijima eceleni komgijimi ngesikhathi sokugcina ebangeni lokuphelela njengomkhuthazi. Uyokuxoxaxoxa naye amkhuthaze aphinde futhi ahambisane nokunyathela kwezigi zakhe ekugijimeni ukususa ingcondo yakhe ebuhlungwini bokugijima akubo. Umoya ongcwele uba nathi ngesikhathi sokugijima njengomngeneleli, umduduzi, umkhuthazi, okukanye njengommeli.

Isiphambano.

Leligazi lokufafazwa emthethweni omusha lisikhumbuza ukuthi sabethelwa kanye noKrestu, kepha uphila impilo Yakhe kithi.

Ukuntshintshelana.

Ngesiphambano noMoya ongcwele singatshintsha imithwalo, siphenduke esonweni, silahle indabuko yenama siqede umjaho. Nanoma kuzodinga ukwazana kwanjalonjalo noNkulunkulu. Kuzodinga ukuphenduka njalonjalo esonweni nasenkanukweni yenama. Kuzodinga ukumelana nobubi ngeZwi likaNkulunkulu emilonyeni yethu.

Izimo nomhlaba ogcwele ububi kuyozama njalo ukukuqedo amandla kukuncusele ekulahleni ithemba ngoNkulunkulu. Khumbula lokhu; ukuthi uma unoNkulunkulu, ungalahli ithemba uzophumelela!

Insindiso."Nakhu manje, okungaphezu kwalokho," Insindiso isho ukususwa kwezinto ezinyakazissiwe, njengezinto ezenzwa, kuthi lezinto ezinganyakaziswanga zihlale." [KubaHeberu 12:27].

KubaHeberu isahluko 13 sikhonjisa eminye yemiyalo yokuziphatha ukuze siqhubeke nomjaho.

uPawulu waqeda.

"Ngikulwile ukulwa okuhle, ngiqedile ibanga, ngigcinile ukukholwa" [2KuThimothewu 4:7]

Icaphunwe ku God calling⁴

Duze nomphumela- Undasa 13

Emjahweni akusibuhlungu uma usaqala, ngisho noma usugijime ibanga elide.

Kodwa kuyilapho usubona isiphetho lapho inhliziyo, imizwa, ukubekezelwa, nezinyama emzimbeni zisindwa ngaphezu kokubekezelwa komuntu, cishe kube ngukuphelela kwamandla.

Kanjalo , nakuwe manje amehlo akho aseyabona ukuphumelela,kudinga ukhale okokugcina Kimi. Awuboni ngani imizwa yakho nenhliziyo kulesisikhathi sekushaya kanje, kusho ukuthi cishe usuligijimile ibanga lakho.Yima isibindi, yima isibindi. Yizwa iZwi Lami lokukunika amandla. Khumbula njalo ukuthi ngiseduze nawe, ngikuqhubela ekunqobeni.

Emlandweni waseZulwini, imibiko ebuhlungu kakhulu eyalabo okukhulunywa ngabo abagijima kahle umjaho wabo, abazinhliziyo zamaqhawe aqinile, abagijime bawubona umphumela, owokunqoba, ithemba labo laseliyashabalala.Kuyilapho zonke izithunywa zasezulwini, zikhala zimemeza ukuthi sebaseduze nasekupheleni komjaho, ukuthi bafake amandla okugcina, kepha bawa, abakaze bazi kwaze kwaba sezinsukwini zokwambulwa, lapho bezwa ukuthi basebeseduze nokunqoba.

Uma ngabe balalela Mina kulokukuthula lokhu Mina nani nobabili nihlangana nami kukho. Ngabe bazi. Kufanele kube khona indlebe elalelayo, nalelo liZwi elincane elikhulumayo.

Florence Chadwick.

Ngisakhumbula ngo1952 lapho ngibukela iTV, ngabona umhlambi omkhulu u Florence Chadwick enza umlando wokuhlamba eqe iCatalina channel eSouthern California.

Kuthathwe ku Wikipedia, the free encyclopedia.⁵

Ngo1952, uFlorence ubengowesifazane wokuqala ukuzama ukuhlamba 26 wama-mayela phakathi kweCatalina Island nomncele wosebe lolwandle lweCalifornia. Lapho eqala lolu hambo olungumlando, ubekakwe yizikebhe ezincane ezibheke imikhomu zilinde ukumvikela nokumnceda lapho ekhathala noma evelelwu yingozi.

Ihora emva kwehra uFlorence ehlamba, kodwa emva kwamahora ayishumi nanhlanu, isibhukubhuku, senkungu enamandla sahlasela. uFlorence waqala ukungabaza ukuphumelela kwakhe, lapho wayesetshela umama wakhe, owaye ekwenye yemikhunjana, wathi akasaboni ukuthi usazokhona ukuya phambili. Wahlamba elinye futhi ihora ngaphambi kokuthi acele ukuba atakulwe. Lapho esehlezi esikebheni, uFlorence wabona ukuthi umise ukuhlamba sekusele i-mayela elilodwa nje ukufika emnceleni wogu IweCalifornia, isiphetho sohambo lwakhe. uFlorence echaza uthi wayengasakhoni ukubona umncele wosebe lolwandle ngoba kwakunenkungu ekhasa phansi. ayengasakhoni ukubona inhloso yakhe.

Emva kwenyanga ezimbili, uFlorence wabuyela emanzini ukuzozama umsebenzi wakhe futhi. Kwahluka ngalesisikhathi. Wahlamba ukusuka eCatalina Island ukuya ogwini Iwe California ngendlela eqondile ama-mayela angu-26. Isibhukubhuku senkungu efanayo neyokuqala sahlasela, kodwa uFlorence waphumelela ngoba ethi lapho ehlamba, engcondweni yakhe kwakunomfanekiso wosebe lolwandle. Akaze walahlekelwa ukubona ngoba wayephokophelele kulowo mfanekiso wosebe anawo, ngakho ngaleyondlela, wafinyelela enhlosweni yakhe.

Isahluko 9

Isiphambano

Ake sibhekise amehlo ethu esiphambanweni nasegazini likaJesu.

Amakholwa asekholume ngesiphambano sikaJesu iminyaka eyizinkulungwane, yebo eqinisweni bancane kakhulu abahambisana nokusho Kwaso ezimpilweni zabo. Sebebaningi kakhulu abazwile ngegazi likaJesu, kepha abasengakazi ngokuphelele ubumqoka Balo nokuthi Lisho ukuthini.

KuJohane isahluko 6, uJesu wabona isixuku sabantu abahluphekile, futhi ngokubahawukela wabasuthisa ngesimanga sezinkwa nezinhlanzi. Lokhu kwaba kukhulu kulabantu. Kwabakukhulu ngempela ngendlela yokuthi bakhetha ukumlandela uJesu yonk' indlela kuze kube ngale kwechibi, becabanga ukuthi hleze abadlise ngesinye isimanga futhi.

uJesu wenqaba ukwenza esinye isimanga esifana naleso futhi ngosuku olulandelayo. Watshela abantu ukuthi unekhambi laphakade lokwelapha ukuswela. Wabaluleka ukuthi ukuqedu ukuhlupheka kwabo kufanele cube ngesivumelwano segazi. Kufanele baphuze igazi Lakhe babuye badle inyama Yakhe. Abaningi akwabaphatha kahle, becabanga ukuthi ubacela ukuba baphenduke amazimu badle umzimba wakhe uqobo. Wase ubatshela ukuthi bayophatheka kabi uma engabashiya bangasamtholi ukudla Kuye.

uJesu wabe esetshintshela ekwenzeni kukaMoya, wathi, "Ngumoya ophilisayo; inyama ayisizi ngalutho. Lamazwi engiwakhulume kini angumoya futhi awukuphila" [Ngokukajohane 6:63]. Wayesho ukuthi uma ufunu ukuba yilungu egazini nase moyeni kaNkulunkulu, konke kwenze ngendlela Asho ngayo. Funda lendaba ku-Ngokukajohane 6.

Ukusindiswa kwethu kuyo yonke inhlobo "yokuswela" empilweni kutholakala esivumelwaneni segazi noNkulunkulu. Isiphambano negazi likaJesu kumele isivumelwano segazi.

Usathane umele khona ukusilinga nokusivimba kulamandla eqiniso lesiphambano.

Usathane uzama ngawo onke amandla akhe ukufihla lombiko weqiniso lesiphambano. KwabaseGalathiya 3:1-3a uthi, O nina maGalathiya angaqondiyo! Ngubani onoloyileyo nina enalotshelwa phambi kwamehlo enu umfanekiso kaJesu Krestu ebethelwe esiphambanweni na?"

Isahluko 9-Isiphambano

KwabaseGalathiya 3:10 uthi, "Bonke abalandela umthetho baqalekisiwe, ngokuba kulotshiwe ukuthi: 'Baqalekisiwe bonke abangahambi ngakho konke okulotshwe encwadini yomthetho."

uPaulu wayetshela abazalwane baseGalathiya ukuthi badukiswe ngusathane ukubaba ngakholwa yisiphambano kodwa babheke entweni ezimbili:

1. Okomthetho. Ukuphila ngomthetho bangaphili ngobuhlobo noJesu.
2. Amandla enyama yabo noma indabuko. Bazama ukukwenza ngamandla abo.

Ubuthakathi ngamandla usathane azama ukuwasebenzisa nokunenza futhi anifake ngaphansi kombuso okungewona. Lowo mbuso ngowokuqindezelu nokusebenzisa. ngaleyondlela, amaGalathiya eyefakwe ngaphansi kombuso wedimoni elabakhohlisa ngokuthi imvelo yabo [inyama] nemithetho yiyona ndlela yokujabulisa uNkulunkulu. Lokhu kwakuvimba ivangeli leqiniso namandla esiphambano.

Uma ngabe wena unguSathane, uJesu ukwehlule ukukwehlula esiphambanweni, futhi unolwazi lokuthi abantu bakaNkulunkulu bangalingeka ukuthi bangazi ngokwehlulwa kwakho nokunqoba kwabo , ungenze njani?

Ungafafaza amanga athi, "Kufanele nigcine yonke lena mithetho ukuze uNkulunkulu animukele, futhi kufanele kube wuwe owenza yonk' into uNkulunkulu ayifunayo kuwe. Akunasidingo sokuthi wazi ngamandla esiphambano negazi likaJesu. Lokho kuyimithetho nje eminingi yesiko lenkolo." Kungamanga nje afanayo nawelendoda eysisicebi sombusi osemusha owakhohliseka ku-NgokukaMathewu 19. Yifune lendatshana uyifunde.

uPawulu waphatheka kabi ngalemfundiso waze washo into eyiqiniso lempela ku-KwabaseGalathiya 1:8 eyikuwukuthi, "Kodwa ukuthi noma ngabe thina noma ingilosu evela ezulwini izoshumayela ivangeli elihlukile kunalokhu esikushumayela kini, makaqalekiswe loyo."

uMpostoli uPawulu wayeshumayela kuphela ngesiphambano nje. Mayelana naku-Kwabase Galathiya 6:14-15, uPawulu wakukhombisa ukuthi ukugcina imithetho akusiyo into okufanele ishumayelwe. Kulokho, uPawulu washumayela ngesiphambano, esaletsha ukuzalwa kabusha.

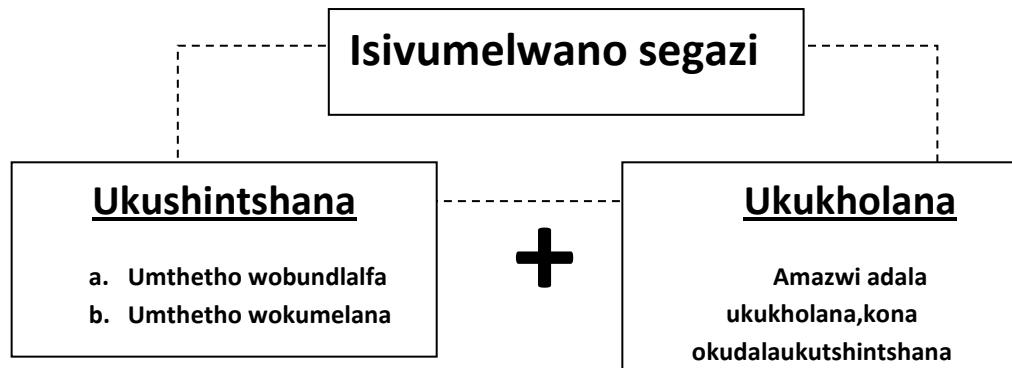

Usathane uthatha isikhathi sakhe esiningi elwa ukusivimbela iqiniso lesiphambano ngoba limele isivumelwano segazi phakathi komuntu noNkulunkulu.

Isiphambano yisona esanqoba usathane.

Sizobheka ezintweni ezimbili esivumelwaneni segazi:

1.Umthetho wokushintshana.

2.Ukukholana.

1. Okokuqala, sizokhuluma ngomthetho wokushintshana. wona onenxenye ezimbili, umthetho wobundlalifa nomthetho wokumelana.

uNkulunkulu wabeka imithetho ngaphambi kokubeka isiqalo somhlaba, leyo mithetho yaba isiqalo sokutshintshana. Yomibili isebeza ngegazi. futhi yona yakha umthetho wokushintshana.

1. Umthetho wokutshintshana esivumelwaneni segazi. Sizoletha lenxenye ezimbili.

Okukuqala lapha Inxenye 1-A Umthetho wobundlalifa.

uNkulunkulu wadala uluntu wenza impilo yabasegazini. Ku-Levithikhusi 17:11 uthi, "Ngoba impilo yenyama isegazini. Ngikunikile lokho e-altare ukwenza inhlawulo yemiphefumulo yenu." Ngokukajohane 6:56 uthi, "Lowo odla inyama Yami aphuze igazi Lami uhlala Kimi nami ngihlala kuye."

Sithola izibusiso neziqalekiso njengefa kokhokho bethu.Ku-Eksodus 34:6-8 uthi, "Lapho iNkosi yadlula ngaphambi kobuso bakhe [uMose] yamemeza yathi: iNkosi! iNkosi uNkulunkulu! Enomusa nelungileyo,

engasheshi ukuthukuthela, evamile ebuhleni naseqinisweni, eyenza umusa kuzinkulungwane, exolela ukungalungi neziphambelo nesono, engalibali ukujezisa, ehambela ububi bawoyise kubantwana, nakubantwana babantwana, kuze kube sesizukulwaneni sesithathu nesesine." Lapho uMose wagijima wagucha phansi emhlabathini wayibonga iNkosi. Lenkulomo izwakala kwangathi iyatekula. Angakwenza kanjani uNkulunkulu ukuthi abe exolela kanti futhi angayeki ukujezisa?

Sidala izibusiso kanye neziqalekiso ngezono zethu. KwabaseRoma 6:23 uthi, "Ngokuba inkokhelo yesono wukufa, kepha isipho sikaNkulunkulu impilo yaphakade ngoJesu Krestu iNkosi yethu." KwabaseGalathiya 6:7 uthi, "Ningadukiswa, uNkulunkulu akasona isiwula. Lokho umuntu akutshalayo, yilokho futhi azokuvuna."

Utholakalaphi umthetho wobundlalifa? emzimbeni noma emphefumulweni?

Kokubili. Yingakho abantu bafana nabazali babo. Lenxenye engabonakali ezuzwa emoyeni idida abantu abanangi. Kukhona inxenye ezimbili kumuntu ezingazuza ubundlalifa emoyeni noma emndenini.

Ngokukajohane 3:5-6 uthi, "uJesu waphendula, Ngiqinisisile, ngiqinisisile, ngithi kini, Ngaphandle kokuba umuntu azalwe ngamanzi nangomoya, angeke angene eMbusweni kaNkulunkulu. Lokho okuzelwe ngenyama kuyinyama, kanti lokho okuzelwe ngomoya kungumoya?"

Lempilo esiyiphilayo. Lempilo ithwele ukubukeka nokwakheka komzimba. Impilo kaMoya. Impilo kaMoya yilena ethwele ubundlailifa bezibusiso neziqalekiso.

Lokho kubukeka kungekuhle, kepha sikhona isixazululo. Isixazululo yileNdaba Ezimnandi!

Inxenye 1-B Umthetho wokumelana.

Isibonelo.Umthetho wesisindo sasemhlabeni wenza indizamshini ibuye phansi emhlabeni. Kodwa uma indizamshini igijima ebaleni layo ngejubane elikhulu kakhulu omunye umthetho uyangenelela uchithe owasemhlabeni umthetho; lowomthetho ngumthetho wokuphakamisa. Ngendlela efanayo, umthetho wokumelana uchitha umthetho wobundlalifa.

Lomthetho lona usho ukuthi abantu bangazalwa emndenini othile, ukusuka emlandweni walowomndeni bangathola izibusiso neziqalekiso njengefa labo, kodwa iziqalekiso zingaguqulwa.Izizwe eAfrika,naseAmerika, isiko lamaNdiya nezinye izizwe zaseAsia, bazama njalo ukufuna indlela yokutshintsha noma ukuthengiselana ngezibusiso noma iziqalekiso nabanye abantu.

Bathengiselana ngezikhali, izimpahla, nezinye izinto ezimqoka njengophawu lokuthi bayazwelana futhi bangavikelana kuze kube sekufeni. Kweminye iminden yaseAfrika, uma umndeni wamukele ingane okungeyona yokuzalwa kuwo, ubaba kulomndeni uzohlabo isilwane bese kuthi lengane iboshwa isikhunjana esincane esandleni ukwenza lengane ibe ngeyakhe.

Kusukela endulo, abantu babephaza igazi lesilwane esihlatshelwe onkulunkulu [amadlozi], ukuze bafane nonkulunkulu[nedlozi].

Ngaphambi kwesiqalo somhlaba, uNkulunkulu wakulungiselela ukubethelwa kukaJesu okuhambisana noMoya ongunaphakade, okusho ukuthi umthetho wokumelana wawukhona ngaphambi kokuba kube khona umuntu. Isambulo 13:8b uthi,encwadini yokuphila kweMvu eyabulawa ekusungulweni komhlaba."

Isibonelo esihle somthetho wokumelana kwakuyiPhasika. Eksodusi 12:13-14 uthi, "Futhi leligazi lizoba wuphawu kini ezindlini enikuzo. Kuyothi lapho ngibona leligazi, ngizodlulela ngaphambil. Futhi nesijeziso angeke siwele kini lapho ngibhubhisa ezweni laseGibhithe. Kanjalo lolosuku liyokuba yisikhumbuzo kini. Niyolugcina njengomkhosi weNkosi kuzo zonke izizukulwane zenu. Niyokulenza libe wumkhosi osemthethweni njalonjalo."Impilo yewundlu, imelwe yigazi lalo, yayingummeli wezibulo emndenini. Kwafa iwundlu esikhundleni sengane yezibulo. Iwundlu lephasika lalifanele lingabi nasici, lifanele libemsulwa.

Yisona lesizathu sokuthi uJesu kwakufanelwe azalwe yintombi -nto, engangcoliswanga yinzalelwana kaAdamu.Okuyiyona ndlela angaba yiwundlu lethu lephasika elingenasici elimsulwa. uBaba Wakhe kunguNkulunkulu, umama Wakhe nguMariya.Uphelele ukuba nguNkulunkulu futhi uphelele ukuba ngumuntu.Ungu Adamu wesibili, akanasono, futhi ukulungele ukuthwala isono sethu.

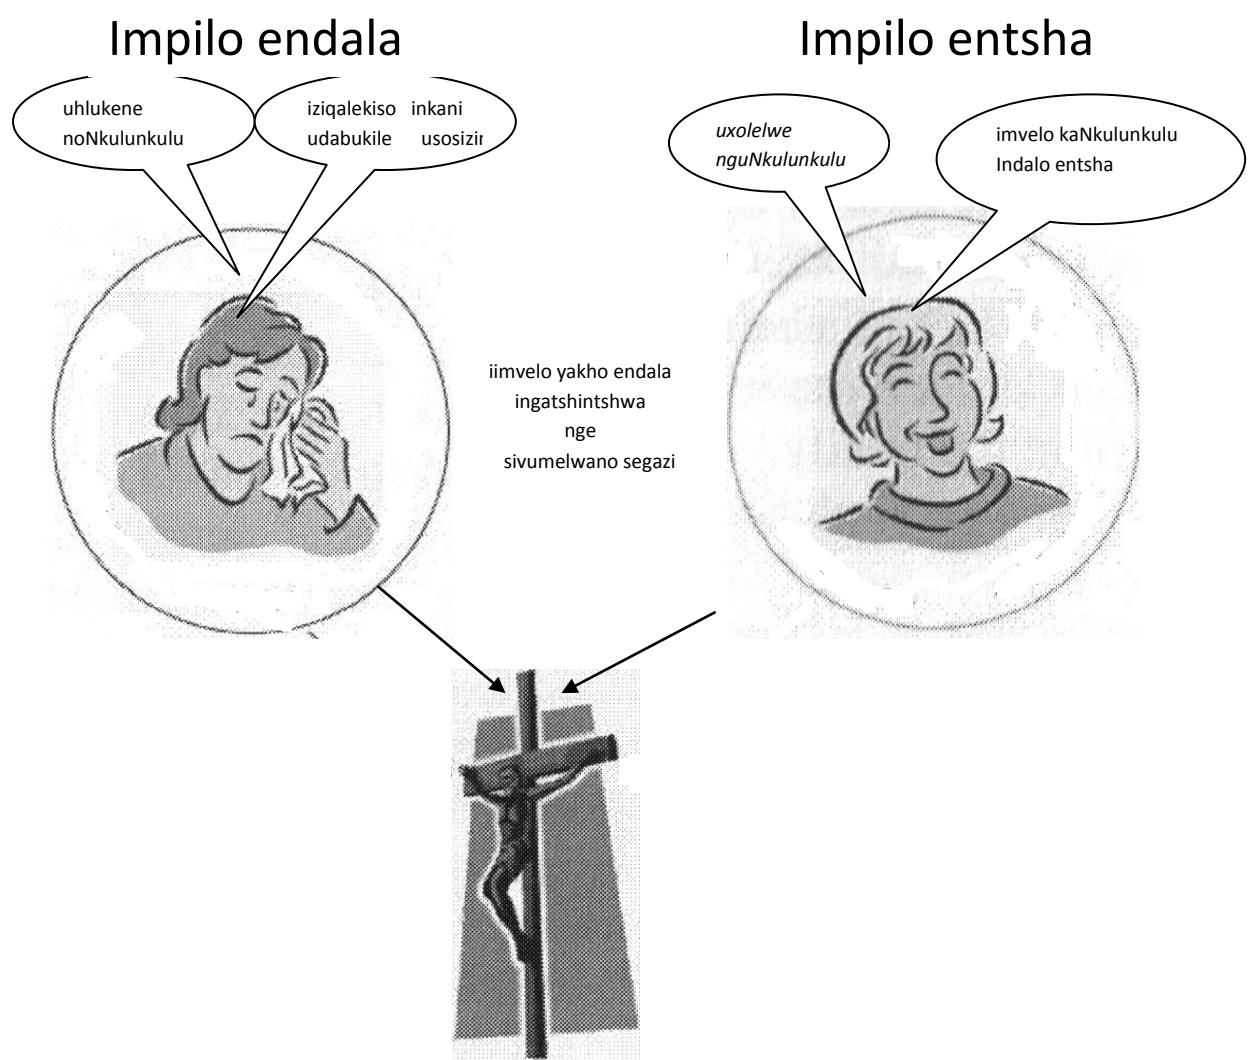

Lokhu kuchaza lehlaya [ekhasini langemuva] kuEksodusi 34:6-8. Yiyona ndlela eyodwa uNkulunkulu angayisebenzisa ukwelulela umusa kubantu aphinde angayeki izono zabo zingajeziswanga , wukuba ajezise uJesu, iWundlu elimsulwa likaNkulunkulu esikhundleni sabantu.

uNkulunkulu wakusho kwasekuqaleni ukuthi umthetho wokumela uzosebenza esivumelwaneni esisha. uJeremiya 31:29-34 uthi, "Kulezo zinsuku abasayikusho futhi ukuthi, Obaba badla isivini esibabayo, yingakho amazinyo engane zabo abuthuntu. Wonk' umuntu uyobulawa yisono sakhe.Wonk' umuntu odla isivini esibabayo, amazinyo akhe ayakuba buthuntu. Bheka, ziyeza izinsuku, isho iNkosi, lapho ngiyokwenza isivumelwano esisha nendlu Israyeli, futhi nendlu kaJuda,

kungasabi njengesivumelwano engasenza nawokhokho lapho ngibakhipha ngesandla Sami

ezweni laseGibhithe; labo abasiphula isivumelwano Sami, nanoma ngangingumyeni kubo, isho iNkosi; kodwa lesi kuyakuba yisivumelwano engiyokusenza nendlu kalsrayeli: Emva kwalezo nsuku, isho iNkosi, Ngiyokufaka umthetho Wami ngaphakathi kwabo, ngiwulobe enhlizweni zabo; futhi lapho ngiyokuba nguNkulunkulu wabo, bayokuba ngabantu Bami. Abasayukufundisa muntu ngomakhelwane, nomuny' umuntu ngomfowabo, ukuthi, Yazi uNkulunkulu; ngokuba bonke bayakuNgazi, ukusuka kwabancane kuya kwabakhulu kubo, kusho iNkosi. Ngoba ngiyoxolela ukungalungi kwabo, futhi izono zabo ngingeke ngisazikhumbula."

Umthetho wokumelana ungatshintsha impilo kaMoya. Isivumelwano segazi singatshintsha ubundlalifa emndenini.

KwabaseGalathiya 2:20 uthi, "Ngabethelwa noKrestu, kodwa ngiyaphila; kepha akuseyimi, nguKrestu ophila kimi. Futhi lempilo engiyiphila manje enyameni, ngiyiphila ngokukholwa yiNdodana kaNkulunkulu, eyangithanda mina yazinikela ngenxa yami."

Isaya 53:4-5 uthi, "Kuyiqiniso Wabuthwala ubuhlungu bethu, Wathwala usizi lwethu; Yebo, sambheka eshaywa, elinyazwa nguNkulunkulu, eqalekiswa.

Kodwa Walimalela izono zethu; wahlukunyezwa ngenxa yokungalungi kwethu; intengo yokuthula kwethu yawela Kuye; futhi ngemivimbo Yakhe thina saphiliswa. Sonke sasinjengezimvu silahlekile; saphenduka, loyo naloyo wakheth' eyakh' indlela; 'ke iNkosi yathwesa Yena konke ukungalungi kwethu."

Sekukade abantu bezama ukuguqula impilo zabo zikamoya ngokusebenzisa igazi.

Amasiko amanangi abantu asasebenzisa igazi, nanoma, lokhu akusebenzi kwasanhlobo ngokuba babhekene nalempilo ekhona. Bangahawukelana, kodwa akukho ngaphakathi kubo okungatshintsha noma okutshintshile; umoya wabo usalokhu unjalo. KumaHeberu 9:13-14 uthi, Igazi lezimbuzi nelezinkunzi nemilotha yamathole okufafazwa ngakho labo abangcolile emoyeni kubahlambulula kuphela ingaphandle labo. Kangakanani ke, lapho, okungenzwa yigazi likaJesu, loyo ngomoya waphakade wazinikela Yena ongenasici kuNkulunkulu, ukuhlambulula imicabango yethu ezintweni eziholela ekufeni, ukuze sidumise uNkulunkulu ophilayo!" Ziningi izindlela okungezona ezsentshenziswa yimihambo namasiko alabo abasasele emuva.

Yini okutshintshwa yisivumelwano segazi noma isiphambano kithi? Kwasinikani? Kwamnikani uJesu?

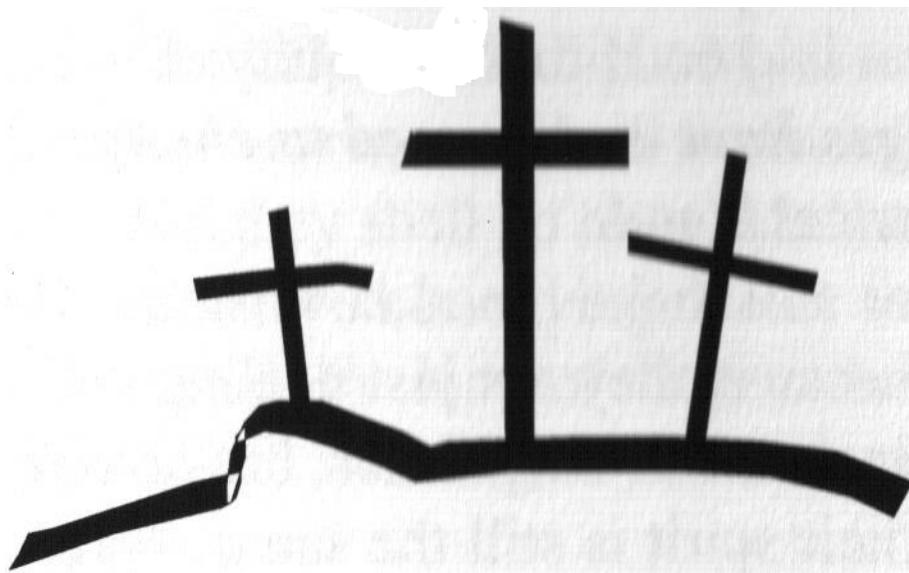

Okokuqala, kwanika uJesu konke esiyikho. Wafa ukufa kwesilelesi ngoba thina sasingabahlubuki.

Sonke sasingabahlubuki nezoni phambi kukaNkulunkulu ngaphambi kokuba asisindise. Isono sika Adamu no Eva kwakuwukuhlubuka [i.e. ukungamlaleli uNkulunkulu neZwi Lakhe]. Sazalelwa ekuhlubukeni noma esonweni.

KwabaseEfesu 2:1-6 uthi, "Futhi wakwenza waphila, wena owawufile ngeziphambeko zakho nezono, kuzo owawuhamba ngendlela yalomhlaba, ngendlela yenkosana yamandla omoya, lomoya osebenza manje kubantwana abangalaleli; kulabo esasiphila nabo ezikhathini ezedlule, enkanukweni yenyama yethu, sigcwalisa inkanuko yenyama neyemicabango yethu, lapho ngokuzalwa sasingabantwana bolaka. Kodwa uNkulunkulu, ovamile ngomusa, ngoba ngothando Lwakhe olukhulu asithanda ngalo [nanoma sasifile esonweni] wasenza saphila kanye noKrestu [ngobubele usindisiwe], wasivusa wasenza sahlala Naye endaweni yasezulwini ngoKrestu uJesu."

Indaba ngoBharabhasi. NgokukaMathewu 27:16 kuthiwa uBharabhasi kwakuysiboshwa esiyingozi. Zazizintathu iziphambano eGolgotha.

Ezimbili ngapha nangapha, zombili zazenzelwe iziphulamthetho. Sasenzelwe bani lesi esiphakathi, uJesu? Qha,sasenzelwe uBharabhasi. uJesu wathatha indawo yakhe. ulsaya 53 uthi uJesu wathatha indawo yethu.

ulsaya 53:4-6 uthi, "Kepha wabuthwala ubuhlungu bethu, wathwala nosizi lwethu; sambheka elinyazwa, eshaywa nguNkulunkulu, futhi eqalekiswa. Kodwa wayelimalela iziphambeko zethu; wahlukunyezwa ngenxa yokungalungi kwethu; intengo yokuthula kwethu yawela Kuye; ngemivimbo Yakhe thina saphiliswa. Sonke sasinjengezimvu silahlekile; saphenduka, loyonaloyo akhetha indlela yakhe; kepha uNkulunkulu wathwesa Kuye konke ukungalungi kwethu sonke."

Okwesibili, kwasinika konke uNkulunkulu ayikho nanakho.

Okubalwe lapha ngokunye kwezinguqukuo uJesu asenzele zona ukuthi sijabule ngazo.[Bheka okungahambisani!] Okunye kwakho yizisindo, okunye yizonzo. Isisindo yinto ekuqindezelayo, umthwalo, othwese wona ngomunye [KubaHeberu 12:1].[Eziningi zalezizibonelo zithethwe ezifundweni zikaDerek Prince.]

1. uJesu wajezelwa ukuthi sisindiswe

[ulsaya 53:4-5, KwabaseEfesu 4:32, KwabaseKolose 2:13]

3.uJesu wenzwa isono ngenxa yezono zethu ukuze thina siqondiswe ngeQiniso Lakhe [ulsaya 53:10, 2KwabaseKorinte 5:21].Ukubaneqiniso kusho ukuma kahle kuNkulunkulu [KwabaseRoma 3: 22, KwabaseRoma 4: 6, KwabaseRoma 10: 10].

4. uJesu ufe ukufa kwethu ukuze thina sihlanganyele Naye empilweni Yakhe.
Inkokhelo yesono ukufa [KwabaseRoma 6:23, KubaHeberu 2:9, NgokukaJohane
8:52]

5. uJesu wenzwa isiqalekiso ukuze thina samukele isibusiso [KwabaseGalathiya 3:
13-14, uDuteronomi 21: 22-23, uDuteronomi 28:1-13]

Ezinye zeziqalekiso:

Ukulahlekelwa yingcondo noma ukuphuka emoyeni.

Ukugulela futhi noma ukuba nezifo -ikakhulukazi izifo zofuzo.

Ukuphindaphinda ukuphunza noma inkinga zabafazi.

Ukonakalelwia ngumshado noma umndeni - ukushada nomuntu ongafanele.

Ukuhlala njalo ungenayo imali elingene, ikakhulu lapho kubonakala ukuthi imali
uyayenza

Ukuvelelwa yizingozi njalonjalo.

Ukuzibulala noma ukufa okungajwayelekile.

Injwayelo, njengotshwala nezidakamizwa.

Ukungabambisani nomthetho.

Injwayelo engasikahle yocansi.

Ukusebenzisa amandla esiphambano kuyokusindisa kulezizinto nakwezinye
iziqalekiso.Zilungiselele!

6. uJesu waqinisela ekusweleni ukuze thina sihlanganyele Naye emnothweni
Wakhe. [2KwabaseKorinte 8:9 no 9:8] ukunotha okulingene ngokwanelisayo nje;
ukunotha ngokwedlula ukwanela ukuze nathi sikhone ukubusisa abanye. uJesu
wayelambil, omile, angagcokanga, eswele esiphambanweni.

7. uJesu wathwala ihlazo lethu ukuze thina sihlanganyele Naye eNkazimulweni
Yakhe[NgokukaMathewu 27:35-36]

KubaHeberu 2:10 kuthi uJesu uletha abantu abanigi eNkazimulweni
[kungasisehlazweni]

Singamukela ukugcwala koMoya Ongcwele. uMoya Ongcwele uyaliguqula ihlazo.

Ukuhlukumezwa ngokwecansi kuletha ihlazo.

Siqala ukucabanga njengesiggila nenxa yehlazo.

Sibanezinkinga zokuzazi ngenxa yehlazo.

8. uJesu waqinisela lapho elahlwa ukuze sibe nokumukeleka kuBaba [NgokukaMathewu 27:45-51]. uBaba wafihla ubuso Bakhe kujesu wamlahla emlahlela thina. KwabaseEfesu 1:6 uthi uBaba usemukele.

Abantu balambele ukumukelwa, ukuzizwa banelikubo, njengokuthi bawulutho komunye umuntu. uJesu ongakunikeza lokhu kuphela. Ibandla Lakhe yindawo eyikhaya. Abantwana badinga ukwamukelwa ngubaba. Uthando malubonakaliswe sobala. Ukuhlukana kubanga ukungamukelani [ulsaya 54:6]. uJesu ufe ngenhliziyo ebuhlungu. "Amukelanani, omunye komunye, bese, njengoba uJesu wanemukela, ukuze udumo luye eNkosini" [KwabaseRoma 15:7]. uNkulunkulu usimukela sisezingeni lesoni [KwabaseEfesu 1:3-6]

9.uJesu wahlukaniswa noBaba ngokufa ukuze thina sizijabulise ngobukhona bukaNkulunkulu ngunaphakade [NgokukaMathewu 27-46, ulsaya 53:8, KubaHeberu 10:21-22, EkaJuda 24, KwabaseKolose 1:27, KabaseEfesu 3:16-20]. Isidingo sethu semicabango sanelisiwe. Ukugcwala kukaMoya Ongcwele kuyatholakala ukusinika ubukhona bukaNkulunkulu [Izenzo 1:8].

10. "Umuntu wethu omdala" [imvelo yesono]wabulawa Kuye, ukuze lomuntu omusha [imvelo kajesu] aphile ngaphakathi kwethu [KwabaseRoma 6:6, KwabaseGalathiya 2:20].

Ukuxolelana ngezono kudingekile kakhulu, kodwa ukuzibeka kude nomuntu owonayo kudingke kakhu.

15. uJesu wagqilazwa yizwe, ukuze sisindiswe ezweni kulesisikhathi samanje esibi [KwabaseGalathiya 1:4 no 6:14].Izwe labethelwa kithi nathi sabethelwa ezweni.

16. Ububi banqotshwa. uJesu [wabukeka] wahlupheka enqotshwa ngusathane ukuze thina sijabule ngokumnqoba usathane.

Isiphambano sasinganakuvnjwa.

Samhlubula samnqoba usathane nabo bonke ububi obabukhona ezweni, ngisho nalobo bubi obubhekeka kwangathi buyakusondeleleka. Nanoma ngabe yini ohlangana nayo, kufanele kuguquke kube yisibusiso. KwabaseKolose 2:14-15 uthi, "[uJesu]" wasula yonke lemibhalo yemithetho eyayilwa nathi, [wonke lomthetho wokuthi usathane ufanele enze ububi kithi] owawuqondiswe kithi, wawususa endleleni yethu, wawubethela esiphambanweni. Wahlubula ababusi nabomthetho [amadimoni nosathane] , wabonisa ngabo kwabha! enyathela phezu kwabo." Bheka futhi ku-NgokukaMarku 16:15-19 na KwabaseRoma 6:9.

Zonke izinto zabuyela esimeni sazo ngenxa yesiphambano. Kungasi kuphela abantu, kodwa zonk' izinto. "Futhi Ngaye wenza uxolo ngegazi esiphambanweni Sakhe, kwamjabulisa uBaba wabuyisa zonk' izinto Kuye Ngaye, noma izinto zasemhlabeni noma izinto zaseZulwini" KwabaseKolose 1:20].

"Ukubuyisana" yigama elinamandla. kuStrong's Concorde [2] lichazwa kanje "Ukuletha ukuthula esimeni okwakuyiso kwakuqala." kuchazwa ngoku "lungisa," ukubuyisela esimeni sokusebenza, ukuletha uxolo phakathi kwemibono ephikisanayo noma izinhlangano."

Vines Bible Dictionary [3]ikuchaza njengoku "ukutshintsha kusuka ebutheni kuye ebuhlobeni." Isiphambano sika Jesu sithatha zonk' izitha zethu, noma zingabantu, amadimoni, izimo, ukugula, ukuswela, konk' okubi kube wumngane wethu.

2KwabaseKorinte 5:18 uthi, "Konke lokhu kuvela kuNkulunkulu, owasibuya Kuye ngoKrestu wase esinika inkonzo yokubuyisana." Lona ngumsebenzi wethu emhlabeni; ukuthatha zonk' izitha zempilo yethu, sizicwilise egazini nasesiphambanweni sikaJesu Krestu, siziguqule abangane. Ngingakutshela ngeZwi likaNkulunkulu nangolwazi lami ukuthi lokhu kuyiqiniso. Kuyasebenza uma ukumela.

Ungenza kanjani ukuthi inzuzo yesiphambano ibe yiqiniso kuwe? Ungenza njani ukuze ube nobuhlobo noNkulunkulu? Kufanele uthwale "isiphambano sakho".

Abantu bawabhekela phansi amandla okuzikhethela thina.

Lokhu ngokwesibili okunamandla kakhulu emhlabeni wonke jikelele, kulandela amandla kaNkulunkulu. "Futhi wathi kubo bonke, uma kukhona ofuna ukungilandela, akazidele athwale isiphambano sakhe mihla yonke angilande.

Ngoba onke ozama ukuzuza impilo yakhe uyolahlekelwa yiyo, kodwa onke oyolahlekelwa impilo yakhe ngenxa Yami, uyokuyizuza. Ngoba umuntu utholani uma ezuza umhlaba wonke kepha alahlekelwe wuye, abhubhe?"[NgokukaLuka 9:23-25]

Nali uhlolo lokuzimisela kwakho ukuthatha isiphambano sakho. Phawula kuyo yonke imisho ngo yebo noma qha.

Ungasebenzi lenamisho ngaphandle kokucabanga nokuzimisela. Lena yindaba enzima yokufa nokuphila. Ungaqambi amanga kuNkulunkulu; futhi ungazikhohlisi wena. Kungabangcono udlule lapha ungalwenzi loluhlolo uma ungazimisela.

Labo bantu bakhola ukuthi ngokuthintana nokuxhumana nemimoya yalabo abangasekho bayokubusiswa futhi babe nokuvikeleka kokubi.

Ngokweqiniso, kuvela okungalindelwe. Baphenduka iziboshwa kulesitha sempilo zabo, usathane!

Imicimbi eminingi njenge Mardi Gras e-Amerika yenzelwa ukubhebhethekisa iziqalekiso ezifundeni. Kwesiny' isikhathi inhlango zemindenzi ziyasentshenziswa ngamadimoni ukubhebhethekisa iziqalekiso. Ivudu [voodoo] namanye amasiko konke kunemicimbi yako. Iziqalekiso zohlanga yisona senabelo nendlela enamandla amakhulu amadimoni ahamba ngayo. Imimoya yohlanga ivame kakhulu ukusentshenziswa kwabasebancane emindenini njengesiko lomndeni. Lesi yisikhathi lapho kungabonakala kahle ubumbuka. Uma angaphumelei lapho, ayophinda futhi azame ngokuhamba kwesikhathi.

Lesisixwayiso ngesalabo abafunayo ngempela ukukhululeka, ukukhululeka kwangempela. Qaphela labobantu emndenini abazenza kwangathi bakahle kangangokuthi bazama ukubusa nokuhola impilo yakho, noma impilo yabantwana bakho. Ngingafakaza kwamina kulokhu. Qaphela ukuthi uvumela uMoya Ongcwele, nombhalo wawo ogcotshiwe ngokomthetho, ukuba ubuse impilo yakho neyabantwana bakho.

c. Isono emhlabeni. Lomhlaba ugcwele ngesono esikhuthaza imisebenzi yamadimoni.

d. Ukusindwa, noma ukucindezeleka ongakuthola komunye umuntu. Indlela ejwayeleke kakhulu ukusentshenziswa ngamadimoni ukonwa kwecansi lapho umuntu esemusha okuyolimaza impilo yakhe yonke. Ukusindwa akubi yisono osenzile, kodwa ukucindezelwa ngomunye ngesono sakhe.

e. Ngesithixo empilweni yakho. Isithixo kungaba noma ngabe yini oyibona ibaluleke kakhulu ukwedlula uNkulunkulu. Kungaba wumuntu, noma injwayelo, isiko, noma mhlawumbe isonto lakho. Lokhu kufaka izidakamizwa kanye notshwala.

f. Ukuvukela umbuso. Uma umuntu angazinikeli kuJesu njengeNkosi yakhe, lowo muttu, njengephutha, uyokubuswa ngokunye okukhona. Usathane wamdukisa u-Eva, u-Eva wadukisa u-Adamu. U-Adamu wayenelungelo lokumbusa usathane kodwa akakwenzanga. u-Eva, ngenxa yalokho, wenza okungemthetho no-Adamu wangalisebenzisi ilungelo lakhe lokubusa likaNkulunkulu. Isono sohlanga sikhombisa ukuthi ilungelo [ubukhos]nesono kukanye-kanye. Ngokusobala, bobabili babefanele ukuthobelwa Izwi likaNkulunkulu [Isihlahla sokuphila]

g. Amakholwa angabasengozini. Uma siba namadimoni ngaphambi kokuba size kuJesu, kufanele kube nesikhashana eside ngaphambi kokuba sithole insindiso. Abanye abayitholi insindiso ngenxa yokuthi abafuni ukuveza konke kwasemuva kuJesu.

Ngokusobala ikhola alisoze “lakhwelwa” yidimoni, kodwa lingadukiswa. Akusho lutho noma singasebenzisa waphi amagama, ukhwelwe, udukiswe, ucindezelwe noma kanjani. Kepha okudingekile wukuthi sazi ukuthi singayisusa kanjani lemisebenzi yawo empilweni zethu.

Lombhalo lona usikhombisa ukuthi sisesengozini noma sesikholwa. “Kepha umoya usho ngokucacile ukuthi ngezikkhathi zokugcina abanye bayakuhlubuka ekukholweni, benaka omoya abadukisayo nezimfundiso zamadimoni”[1KuThimothewu4:1] “Zibambeni nihlale niphapheme, isitha senu usathane sizingela njengebhubesi elilambile lifuna lowo elingamdabula limudle” [1KaPetru 5:8] “Kepha nginokwesaba ukuthi njengo-Eva wadukiswa yinyoka ngokuhlakanipha kwayo, ngakho kanjalo nani nengcondo zenu ningadukiswa ekuthembekeni kwenu nasekuzinikeleni kwenu kuKrestu. Ngalokho uma umuntu eza kini eshumayela uJesu okungesuye lowo Jesu esimshumayelayo, noma uma umukeliswa umoya okungesiwo lowo owawumukelayo Kuye, noma elinye ivangeli kunaleli olamukele, ube usulithatha kalula kanjalo” [2KwabaseKorinte 11:3,4]

Abanye bathi igazi likaJesu livikela amakholwa. Ngithi Yebo futhi Qha. Legazi lisivikela kuphela uma singamakholwa athembekile. “....labo abakhethwe ngokwaziphambil kukaNkulunkulu uYise, ngokungcwelisa kukaMoya kukho ukulalela nokufafazwa ngegazi likaJesu Krestu: Makwandiswe kinina umusa nokuthula” [1KaPetru 1:2] Amakholwa ayayidinga insindiso.

6. Yini ongakwenza.

Uma usathane adukisa u-Eva no-Adamu ukuba bone, wathola indlela yokubusa lonke uluntu emhlabeni. Usathane unamandla ukwedlula umuntu nje. Njalo-nje uma kungasentshenzwanga kwaqedwa ngesono, usathane uyabusa. uJesu wathwala izono zethu esiphambanweni wahlawula ecaleni lethu. Uma silazi lelo qiniso sisebenzele ekuthembekeni kulo, sizokhululeka kusathane namadimoni akhe.

Insindiso ayisho kanjalo sonke isikhathi ukuthi uhlukunyezwe ngokubekwa izandla ngodlame, noma lokho sekujwayelekile futhi kwenzeka kakhulu. Zikhon’eziny’ izindlela. Singazisindisa thina.

- a.Thembeka. Vuma [hlanza] izono zakho. Zama ukubaneqiniso nokuthembeka noma kanjani. Uma uqamba amanga uvuma ukuthi usathane ubaba wakho.
- b.Hlukana nanoma ngabe yini owake wayenza noma wayiphila ehambisana namadimoni: umculo, okuhambelana nobufebe[porno], iTV, amabhayisikopo, uphuzo oludakisayo, amasiko, ukuma kwezinkanyezi zokuzalwa, quija boards [umdlalo okhulumayo oxhumanisana nemimoya emibi], izangoma noma abapholofithi, umdlalo wamaphepha [cards game], nokunye njalo-njalo.

- c. Hlukana nanoma ngabe yiziphi izibopho zobuhlobo ezhambisana nokudluliselana kweziqalekiso. Singayithanda iminden iethu ngaphandle kokungenelela eziqalekisweni zayo.
- d. Hlala eduze nojesu ngomthandazo, iZwi Lakhe, khetha abangane, nezinhlobo zamabandla. Zigcine njalo ucabanga izinto zikaNkulunkulu. Ingcondo kuyilapho impi ilwa khona.
- e. Yiba lula kukho konke uNkulunkulu afuna ukukusindisa kukho. Langazelela ukubamsulwa ungamkhetheli uNkulunkulu, Unendlela eziningi angakukhulula ngazo. Inhoso Yakhe ukukhulula wena [NgokukaLuka 4].
- f. Kвесине isikhathi abantu bayasindisa emadimonini bese kuthi bona bangazigcwalisi ngeZwi likaNkulunkulu nempilo engcwele. Kuzehlakalo eziningi lamadimoni abuya kasikhombisa kube kubi impela. Kubalulekile ukuthi uthole imiyalo kaNkulunkulu emva kokuba usindiswe. “Uma umoya omubi uphumile kumuntu, uhamba ezindaweni ezomile ufunu ukuthola ukuphumula. Lapho ungayitholi, uthi, ngizobuyela endlini yami engaphuma kuyo. Kuthi lapho ubuya umoya omubi, uthole indlu ishanelwe futhi ihotshisiwe. Bese uhamba umoya omubi uyolanda abanye omoya ababi abayisikhombisa ababi ukwedlula wona, uma befika lapho, bahlale khona. Isimo salowo muntu siba sibi ukwedlula sasekuqaleni” [NgokukaLuka 11:24-26]

Nanoma, ikhona indlela ephephile nesebenzayo yokusindisa. Izwi likaJesu lixosha usathane ku-NgokukaMathewu8:16. Lingenza okufanayo nakuwe. Nami kwamina ngiyayifakazela lendlela. Uma ucitha umgqomo ngaphambi kokuba uwugcwalise, akuphindi kube nengozi yokuthi kube khona indawo engacashisa okunye okungadingeki. Kanjalo futhi, uma uzigcwalisa ngeZwi likaNkulunkulu, kungabi kuphela ngokukhishwa kwamadimoni, akuphindi kube khona indawo lapho amadimoni angahlala khona ngoba kuneZwi.

“Lithe seliyoshona ilanga, kwaletwa Kuye abaningi ababanjwe ngamadimoni. Wayixosha leyomoya yamadimoni ngeZwi, waphilisa bonke abagulayo” [NgokukaMathewu 8:16]. Ukuzigcwalisa ngeZwi kuyoxosha onke amadimoni empilweni yakho.

Ngifisa manje ukunxusa wonke umfundi ukuba acabange ukuzinikela kulendlela. Noma ungakholwa ukuthi unazo izinkinga, impela awazi ngokweqiniso.

Yenza lokhu nje. Cabanga enhlizweni yakho ukuzigcwalisa ngeZwi likaNkulunkulu ligobhoze. Zithele ngeZwi noma ngayiphi indlela ongakhona ukwenza ngayo. Funda imibhalo, lalela okucoshiwe [tapes] khumbula njalo iZwi ngengcondo, malihlale emlonyeni wakho, lisho njalo ubusuku nemini. Lihloniphe iZwi. Mawenze lokho elikushoyo. Kanjalo iZwi liyoxosha yonk’ imimoya engalungile empilweni yakho.

- h. uJesu usinike amandla nelungelo lokuxosha amadimoni [NgokukaMarku 16:17]
- i. Singawabona amadimoni empilweni yethu uma sihlala eduze noJesu njalo. Akusikho konke ukugula noma ububi okuza namadimoni. Izinkinga empilweni noma izindlela zokuphila kungaletsha ukugula noma ububi. Ukuziphatha kabi kungaba “inyama” yethu. Nanoma, uma ngabe kukhona inkinga eyayekwa yangaxazululwa ingawangenisa amadimoni. Kufanele siqaphele ukuziphatha okuphoqevelayo, imikhuba esingeke sakhona ukuyikhawula, inkanuko, uvalo nokucindezelwa yimizwa. Ungavumeli ukudangala kwenhliziyo kuye phambili ngaphandle kokuthola uncedo. Ungayibekezeleli imizwa yokuzibulala, yokona noma ukubulala. Ungazami ukufihla imizwa yobungqingili [homosexual] nokulalana okungemthetho, ngisho nokuzilala wena. Thola uncedo!

7. uNkulunkulu wabushabalalisa ububi.

Kusho ukuthini ukuthi, uNkulunkulu wambhuqa usathane? Lisinika kanjani igazi likaJesu amandla?

“Njengoba abantwana banegazi nenyama, Naye waba ngumuntu ukuze ngokufa Kwakhe ambhuqe lowo onamandla okubulala---okusho ukuthi, usathane--- ukuze akhulule labo impilo zabo zonke ziboshwe ebugqilini bokwesaba ukufa” [KubaHeberu 2:14,15]

“Manje uma safu no Krestu, siyakholwa futhi siyophila kanye Naye. Ngoba siyazi ukuthi njalo ngoba uKrestu wavuswa kwabafileyo, angeke asafa futhi okwesibili; ukufa akusenasabelo Kuye. Lokufa owakufa, wafa kanye esonweni afela bonke abantu; kepha lempilo ayiphilayo, uphila kuNkulunkulu. Ngendlela efanayo, zibale nawe ufile esonweni kodwa uphila kuNkulunkulu ngoKrestu uJesu” [KwabaseRoma 6:8-11].

Lawamavesi asho ukuthi usathane “washabalalisa.” Kusho ukuthini lokho eqinisweni? Kodwa manje ubhekeka kwangathi uyazulazula wenza umsebenzi wokushabalalisa abanye.

Ukushabalalisa kusho ukwenza amandla akhe angabi namsebenzi. Wakwenza kanjani uJesu lokho? Usathane usalokhu egijima ezulazula eshabalalisa abanye. Lapho uJesu evuswa, Waba yizibulo lesizwe esisha. uJesu wafaka imvelo entsha kuwe lapho azalwa kabusha futhi. Lemvelo lena ingaphezulu kukasathane namadimoni akhe. Usathane namadimoni sebevele babulala imvelo yokuqala ka-Adamu, ngoJesu esiphambanweni. Usathane namadimoni abasenamandla kulesizwe esisha, konke nje abangakwenza ukuqamba amanga kithi.

Lapho uJesu evuswa, amadimoni awabanga namandla Kuye. uJesu ufake lempilo leyo kuwe.

Leligama shabalalisa[destroy] licazwa kanje ku-Strong's concordance;

1] Ukungabinamandla, ngasebenzi, nganyakaziyo, ngasebenziseki

1a] Ukwenza umuntu noma into ingasabi nasizo ukuya phambili.

Masenze kwangathi wena uyikati. Nenja enkulu, emele usathane, iyakuhlupha lenja, ikugijimisa njalo, ikwenza uhlale ucashile, itshontsha nokudla kwakho ikulimaze nesikhumba sakho. Ekugcineni, iyakubulala lenja.

Kuthi ngokuphazima kweso, ngamandla ayisimanga esingajwayelekile, wena, lelikati, uvuswe kwabafileyo. Kulesisikhathi awuselona ikati, kodwa uyibhubesi! Manje yona leyanja iyeza, uma ikubheka iyabaleka ngoba iyazi ukuthi ungayibulala! Lenja manje isishabalaliwi [ukwenza umuntu noma into ingasabi namsebenzi, ukuyenza ivilaphe, ingasasebenzi, ingasanyakazi, ingasabi namfutho, namfundiso, namandla]!

Cabanga manje, lenja iza nesu. Iza kuwe ikutshela ngokuthi wena useseyikati awulona ibhubesi. Kuyoba njani lapho lenja ikukohlisa uze wena uziphathise okwekati? Yikhona lokhu lenja engusathane ikwenza kumakholwa amanangi.

Manje cabanga ukuthi uJesu uyile”kati” elafa. Kodwa ngaphambi kokuba afe, ube”zithwele” ethwele mina nawe esivandeni iGetsemane. Lapho efa wavuswa, Waba yizibulo kwabafileyo. Uma sizalwa kabusha, sibangamabhubesi nathi.

“Futhi uyinhloko yomzimba, ibandla, Ungowokuqala nezibulo kwabafileyo, ukuze abe namandla kukho konke” [KwabaseKolose 1:18].

Kufanele sihlale sibheke kuJesu naseZwini ukuze sihlale naleqiniso enhlizweni zethu. Uma silahlekelwa yilokho kuqaphela, siyodukiswa kalula yilamanga asemhlabeni sibe sengozini yokulahlwa.

8. Ukwazi uJesu yikhona okudingekile

"Akusibo bonke abathi kimi, 'Nkosi, Nkosi,' abayikuwubona uMbuso weZulu, kepha labo abenza intando kaBaba oseZulwini. Abaningi bayosho Kimi ngalolosuku, 'Nkosi, Nkosi, asiphrofethanga egameni Lakho, futhi ngegama Lakho sixosha amadomoni senza nezimanga?' Lapho ngiyakubatshela ngokusobala, 'Anginazi nina. Sukani kimi nina babi!'" [NgokukaMathewu 7:21-23].

6. Hlukana namasiko nazo zonke izinkolo-mbumbulu. "Ngihlukana nakho konke okwakungihlanganisa nesiko noma nenkolo okungeyona. Ngiyayicitha yonke imisebenzi yomubi, usathane nayo yonke imisebenzi emibi empilweni yami. Ngiyazivuma zonke izono zami futhi ngihlukana nayo yonke imisebenzi yamasiko nezono njengento embi ebusweni Bakho, kuwe Nkulunkulu wami othembekile noNgcwele. Ngihlukana nakho konke okungihlanganisa namasiko awokhokho nemisebenzi yawo." [Manje kubale ngakunye ngakunye ukusho ngomlomo wakho]

Uma sibhabhathiswa ngamanzi singena[uhlobo] ekufeni, siyadabukiswa, kodwa lamanzi awangeni ngaphakathi kwethu asibulale. Ngokwangaphandle lokho. Ukubhabhathiswa ngoMoya Ongcwele nguMlilo kaNkulunkulu ophila ngaphakathi kwethu. Yithina esizikhethelayo. Singakhetha intando yethu phezu kobukhona Bakhe ukulawula impilo zethu. Yena ufunu ukubulala impilo yethu endala ngomlilo. uNkulunkulu wathembisa uNowa ukuthi soze aletha uzamcolo futhi, kodwa umlilo wodwa. Amadimoni awabulawa ngamanzi kodwa ngomlilo.

Sifanele ukugcwalisa kaningi? Amabandla amanigi akakuzisisi kahle lokhu bese alahlekelwa iphuzu elimqoka. Kasiyona imiphongolo ezimele emelwe ukugcwalisa ngokungenayo, njengamanzi esitsheni athelwa enkomishini. Uma bekunjalo, ngakho hleze sizodinga ukugcwalisa njalo njalo ngoba mhlawumbe kungenzeka siyavuza [sibhobokile].

Sixhunyelwe bese simukela
uMoya Ongcwele
Uma senza uJesu iNkosi

Uma sigcwalisa ngoMoya Ongcwele,
isivimbo siyasuswa

Ngokukajohane 15 uthi uma saxhunyelwa kumthombo njengegatsha emvinini. Akudingekile ukuthi ugcwaliswe futhi, kodwa kuba wukuthi uxhunyelwe njalo emvinini. Lamanzi omvini [ukudla]amele uMoya Ongcwele, uJesu unguvini kepha thina singamagatsha. Sifanele sihlale

Emvinini. uJesu uthi ukuthembela eZwini Lakhe yikhona okusenza sihlale. Ukubhabhathiswa ngoMoya Ongcwele wukucwilisa kuNkulunkulu lapho sixhunyelwe Kuye njengomvini negatsha. Ukudla Kwakhe kugobhozela kithi, nathi siba sixhunyelwe uma sihlala Kuye.

Wukugwaliswa okungakanani okwanelisayo? Ku-NgokukaLuka 6:45b uthi, “Ngoba ngokugcwala kwasenhlizweni umlomo uyasho”. Kwamina siqu, ngiyawuthanda lomcabango wokuthi uMoya Ongcwele ugobhoza emlonyeni wami ukukhombisa ukuthi ngicwele ngawo enhlizweni yami!

Sekwaba kuningi ukuxakeka nokudideka ngombhabhathizo kaMoya Ongcwele. Abanye bakhuluma ngezipho zikamoya ukuthi yizona ezibalulekile abanye bathi qha, yizilimi ezibalulekile. Abanye bathi ukubhabhathizwa kukulungiselela ukusebenza, loko kusho ukuthi uma sifisa ngokoqobo ukumkhonz’ uJesu sifakaze ngamandla, sidinga ukugwaliswa ngoMoya Ongcwele. Qha, abalahlekanga nalabo, bonke banakho abakuzuzayo, kodwa angikholwa ukuthi bayisithinta isisusa senjongo yokugwaliswa ngoMoya Ongcwele.

Kwenzekalani manje ngezipho zikaMoya?

Ngizwa ngikholwa ukuthi sifanele siyeke ukunikwa kwezipho kumamukelisi wazo. Mina mathupha ngibe nezininingi zalezizipho zisebenza empilweni yami izikhathi ngezikhathi, kepha qha akubanga yizo zonke.

Ngiyakholwa ukuthi ukukhuluma ngezilimi kuyisipho esibalulekile futhi esinamandla. uNkulunkulu akakusebenziseli nje ukubonisa, kodwa okubaluleke kakhulu wukuthi uzisebenzisa ukubamba imicabango yethu kuze kusebenze Yena. Encwadini Ka-Jakobe 3:4-5 uthi, ulwimi lunjengesigwedlo sesikebhe sona esisincane kangaka kodwa sihambisa isikebhe sonke nokungaphakathi kwaso. Uma ufuna ukunika uJesu isigwedlo sempilo yakho, mniikeze ulwimi lwakho. Lokho kuyokwenza kabusha imicabango yakho, thandaza intando kaNkulunkulu emsulwa, wenqabe usathane.Ukuthandaza ngezilimi ngasese izikhathi ezinde kunamandla kakhulu. Kungivezele izimanga empilweni yami. Kunesifundo esiphelele salokhu ohlelwensi Iwe –ISOB esibizwa ngokuthi “uMoya Ongcwele nolwimi”.

Ngikubona kungalungile kulabo bantu asebemukeliswe izipho ukuba benze labo abangenazo bazizwe kwangathi kukhona okungalungile ngabo eNkosini. Futhi akukuhle ukuthi labo abangenazo basole labo abanazo. uJesu, encwadini ka-NgokukaMathewu 12:31, wathi ukukhuluma ngokuphikisa lokho uMoya Ongcwele ukwenzayo yiyona ndlela eyiqiniso lokuthi wena soze wazimukeliswa empilweni yakho. Ukweyisa uMoya Ongcwele wukuthi izinto ezenzwa wuwo uthi kazilona

iqiniso likaMoya Ongcwele. Uma ungenasiqiniseko, kulungile, kodwa qaphela ungakhulumi kabi, ngaphandle kokuthi uneqiniso futhi unobufakazi bokuthi ngempela yimisebenzi yamanga kasathane. Kuncono ukuhlala umsulwa kunokuzisola kamuva!

Angakwenza kanjani uJesu ukukufeza konke athembisa ukusenzela khona uma Yena siqu angelona iqiniso kithi? uMoya Ongcwele wenza uJesu abe yiqaqiniso kithi ukuze zenzeke lezo zinto ezathenjisa encwadini ka-Isaya 61.

uNkulunkulu ufunu ukusikhulula ekuboshweni okuyizinhlobo-nhlobo ezahlukene. Nanoma, inhloso Yakhe akusiwusikhulula nje kuphela. Injongo Yakhe yokugcina ukusinika inkululeko yokuba singene Ebukhoneni Bakhe sihlanganyele kanye Naye, lokho okuyophetha ngokuzala izithelo empilweni yethu naseMbusweni kaNkulunkulu.

1. Sikhululwa ebugqilini ukuze.....
2. Sikhone ukuzijabulisa Ebukhoneni futhi sithele izithelo.

Encwadini ka-Eksodusi, uNkulunkulu wasebenzisa uMose ukukhulula abantu bakhe u-Israeli ebugqilini ku-Faro eGibhithe. "Yeka abantu Bami bahambe, ukuze benze imihlatshelo Kimi ehlane" [Eksodusi 5:1b]. Ukukhululwa kwabo eGibhithe kwakungesiyo injongo ephelele, injongo kaNkulunkulu kwakuwukuba bazizwise Ebukhoneni Bakhe ehlane lapho "bayokwenza imihlatshelo Kuye," noma ngamany' amazwi, ukuyohlanganyela Naye Ebukhoneni Bakhe.

1.Ukukhululwa ebugqilini.

uJesu walandisa ngo-Isaya 61 encwadini ka-NgokukaLuka 4:18 lapho azisa injongo ngomsebenzi Wakhe. ulsaya 61 uqala ngoJesu esho ukuthi umoya weNkosi umgcobile ukuzoletha izindaba ezimnandi kulabo abahluphekileyo, abalinyaziwe nabaphukelwe izinhlizyo. uJesu ubikezela ukukhululwa kwezigqila, ukuvulwa kwamajele kulabo ababoshiwe, ukwelapha abaphukelwe yizinhlizyo abikezele "Unyaka omukelekayo weNkosi" noma "Unyaka wenkululeko" [isikhathi lapho izigqila ziyo hamba ngokukhululeka]. Waqhube ka ngokusho okuningi umsebenzi Wakhe ozokufenza.

Usho nokusho ukuthi leziziboshwa nabahluphekayo bayoguqulwa nokuthi bayokuba yimithombo yeqiniso, babenamandla nokuma okukahle noNkulunkulu. Washo nokuthi kasoze basindwa wusizi nokulila, kepha bayokugcwaliwa ngenjabulo.

Walandelisa ngokusho nokuthi lezondawo ezidilikile ziyokwakhwa kabusha. Ngamany' amazwi, izimpilo zalabo abamoshakele ziyokuvuselelwa, njengo Nehemiyah [ogama lakhe lisho umduduzi noma uMoya Ongcwele] owavuselela izindonga zeJerusalem ezaziwisiwe yisitha.

Ngaphezu kwalokho, wathi zonke izidingo zabo ziyokunakekelwa futhi bayophenduka abaPristi bakaNkulunkulu, noma abamele uNkulunkulu. Bayokuba sebaphenduka, abasindisi babanye babakhulule.

u-Isaya 61 ehangene uthi, uJesu uyokuguqula abantu ukusuka ebuboshweni kuya ebuPristini ngokusebenzisa uMoya Ongcwele. Yikho lokhu esasikhuluma ngakho kusasahluko 1 salencwadi, ukuthi sizozala izithelo kuwo omathathu amagumbi ethu empilo; isimilo, nezidingo kanye nemisebenzi yethu kwabanye. Ukusuka ebuboshweni kuya ebuPristini.

Isayah 61:1-7 uthi,

1."Umoya kaNkulunkulu uphezu Kwami, ngoba uNkulunkulu ungigcobile ukuzobikezela izilokotho ezinhle kwabaswelayo;Ungithume ukuzopholisa abanhliyo buhlungu, ukuzomemezela inkululeko kwababanjiwe, nokuvuleka kwamajele kwabavalelwe;

4.Futhi bayokwakha kabusha konke okumoshakele, Bayokuvusa kabusha konke okwachithwa, balungise nalawo madolobha awile, nayo yonke inchithakalo yezizukulwane ezadlula.

5.Izihambi ziyokuma ziluse imfuyo yakho, namadodana abezizwe ayokuba ngabalimi bakho nababheki besivini sakho..

6. Kepha nina niyokubizwa ngabaPristi bakaNkulunkulu; Bayokunibiza ngezisebenzi zikaNkulunkulu. Niyokudla umcebo wabezizwe, futhi ngenkazimulo yabo niyokuziqhenya.

7.Esikhundleni sehlazo lenu niyokwamukelisa udumo oluphindaphindiwe, futhi kunokuthi nixakeke niyokujabula ngalokho eninako. Ngakho-ke ezweni labo niyokunotha; Injabulo engapheli iyokuba ngeyenu"

uJesu uthembise ukusenzela sonke lokhu, kepha akasekho lapha emhlabeni futhi. Wathumela omunye umduduzi, uMoya Ongcwele, ukuzothatha indawo yakhe. uMoya Ongcwele yiwona osebenza ukufenza lezozithembiso kithi manje. Singeke sazibona zonke lezizithembiso uma singathintananga noJesu ngoMoya Ongcwele.

Sidinga ukuthi uJesu abe yiqiniso kithi. Kufanele sixhumane noJesu ngamandla ukuze sibone lezozithembiso zenzeka empilweni yethu njengoba u-Isaya 61 esho. Uma kunezinto ezingahambi kahle empilweni yethu, uma singamuzwa uJesu ekhulumu nathi, konke kuyolunga!
